

DIGITAL & TRENDS

Medical technology industry

Table of Contents

01 Overview

Revenue in the medical technology market Worldwide 2017-2029	
Revenue in the Medical Technology market Worldwide 2017-2029	
Revenue in the medical devices segment Worldwide 2017-2029	
Distribution of global revenue of MedTech industry 2021, by region	
In-vitro diagnostics market revenue worldwide 2016-2029	

02 Companies

Medical devices companies based on brand value worldwide 2024	
Medical technology - top companies based on revenue 2023	
Medtronic revenue 2006-2025	
Johnson & Johnson's medtech segment revenue 2022-2024, by franchise	
Sales of Philips by segment 2021-2024	
Revenue of Fresenius 2019-2024	
General Electric Healthcare revenue 2008-2024	
Share price growth of top large medtech companies worldwide 2022	
Predicted top medical technology companies by revenue 2028	
Medtech companies ranked with high sustainability 2024	

03 Segments

Diagnostic imaging devices revenue worldwide 2016-2029	
--	--

	Medical service robotics market worldwide 2016-2028	22
<u>04</u>	AI/machine learning medical device market worldwide 2021-2032	23
<u>05</u>	AI/machine learning medical device market worldwide 2021-2032, by clinical area	24
<u>06</u>	Stage of generative AI adoption in healthcare organizations in the U.S. 2024	25
<u>07</u>	Level of adoption of AI in healthcare in the EU in 2021, by technology	26
<u>08</u>	Cardiology devices market revenue worldwide 2016-2028	27
	Global femtech market size 2023-2029	28
	Smartwatch use and interest for health purposes in Europe 2023, by country	29
<u>10</u>	Rate of predictive analytics adoption in healthcare worldwide in 2022, by country	30
<u>11</u>	Technologies with the biggest impact on healthcare in the U.S. and the UK	31
<u>12</u>	Future impact of technologies on future of healthcare in the U.S. and UK in 2021	32
<u>13</u>		
<u>14</u>	04 IPOs, M&As, funding	
<u>15</u>	Value of top five medtech IPO deals globally 2022	34
<u>16</u>	Value of top M&A medical technology company deals worldwide 2022	35
<u>17</u>	Value of M&A medical technology company deals worldwide 2011-2023	36
<u>18</u>	Number of M&A deals in medical technology worldwide 2011-2023	37
<u>19</u>	M&A deals in the medical technology industry in the U.S. 2015-2024	38
	M&A deal value in the medical technology industry in the U.S. 2015-2024	39
	Medtech ventures based on gross raised in the U.S. 2022/23	40
	Venture investment value in the medical technology industry in the U.S. 2019-2024	41
<u>21</u>	Venture investment in the medical technology industry in the U.S. 2019-2024, by size	42

Table of Contents

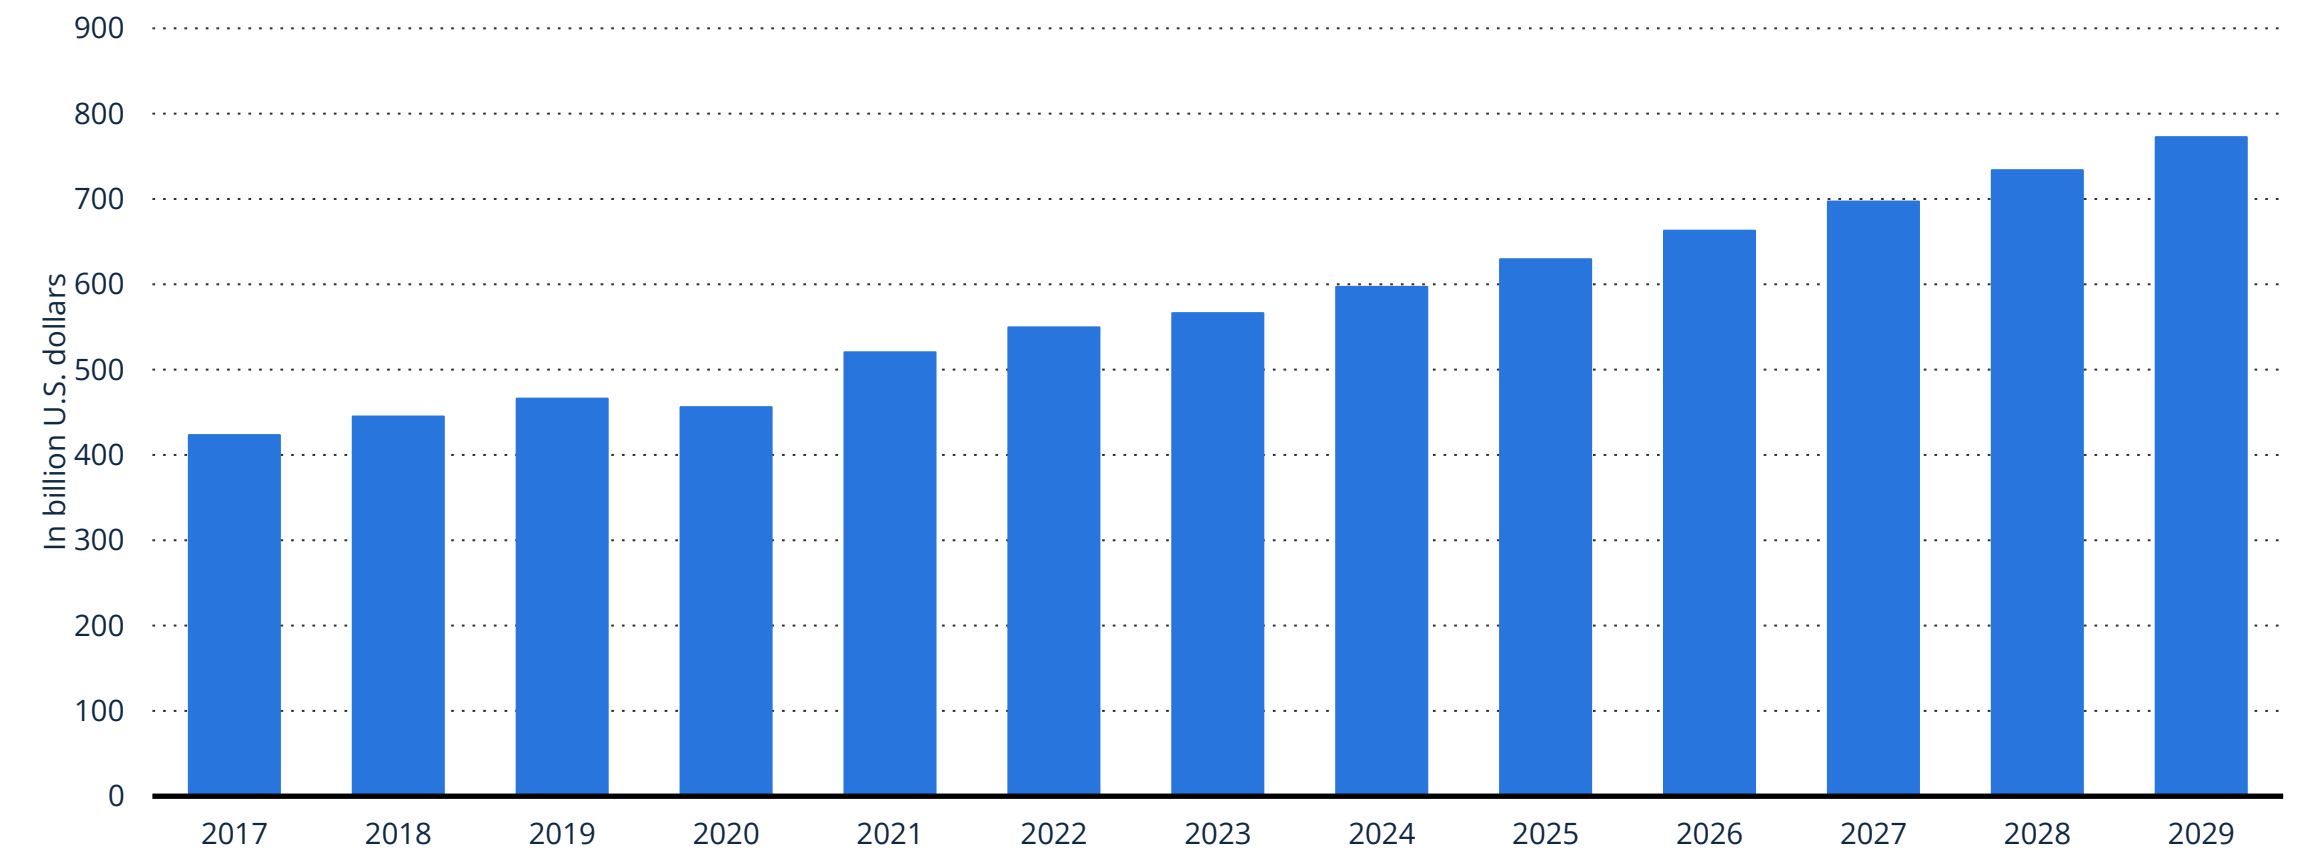

Top European medtech ventures by gross raised 2023	43
05 Digital health	
Investor funding in digital health industry 2010-2022	45
Funding in top deals in digital health industry 2022	46
Top funded digital health start-ups in the U.S. in 2024, by clinical indication	47
Value of venture funding in the digital health sector in the U.S. 2011-2024	48
Number of digital health start-up deals in the U.S. 2011-2024	49
Number of mega deals in the digital health sector in the U.S. 2017-2022	50
Investments in most active U.S. metro area in digital health industry 2022	51
Investments in most active global metro areas in digital health outside the U.S. 2022	52
Use of telemedicine in the U.S. 2015-2022, by channel	53
Increased use of digital tools post-COVID-19 pandemic in the U.S. in 2021, by age	54
Clinicians' views on positive effects of technology in healthcare by 2031, by region	55
Clinicians who believed healthcare access at home will increase by 2031, by country	56

CHAPTER 01

Overview

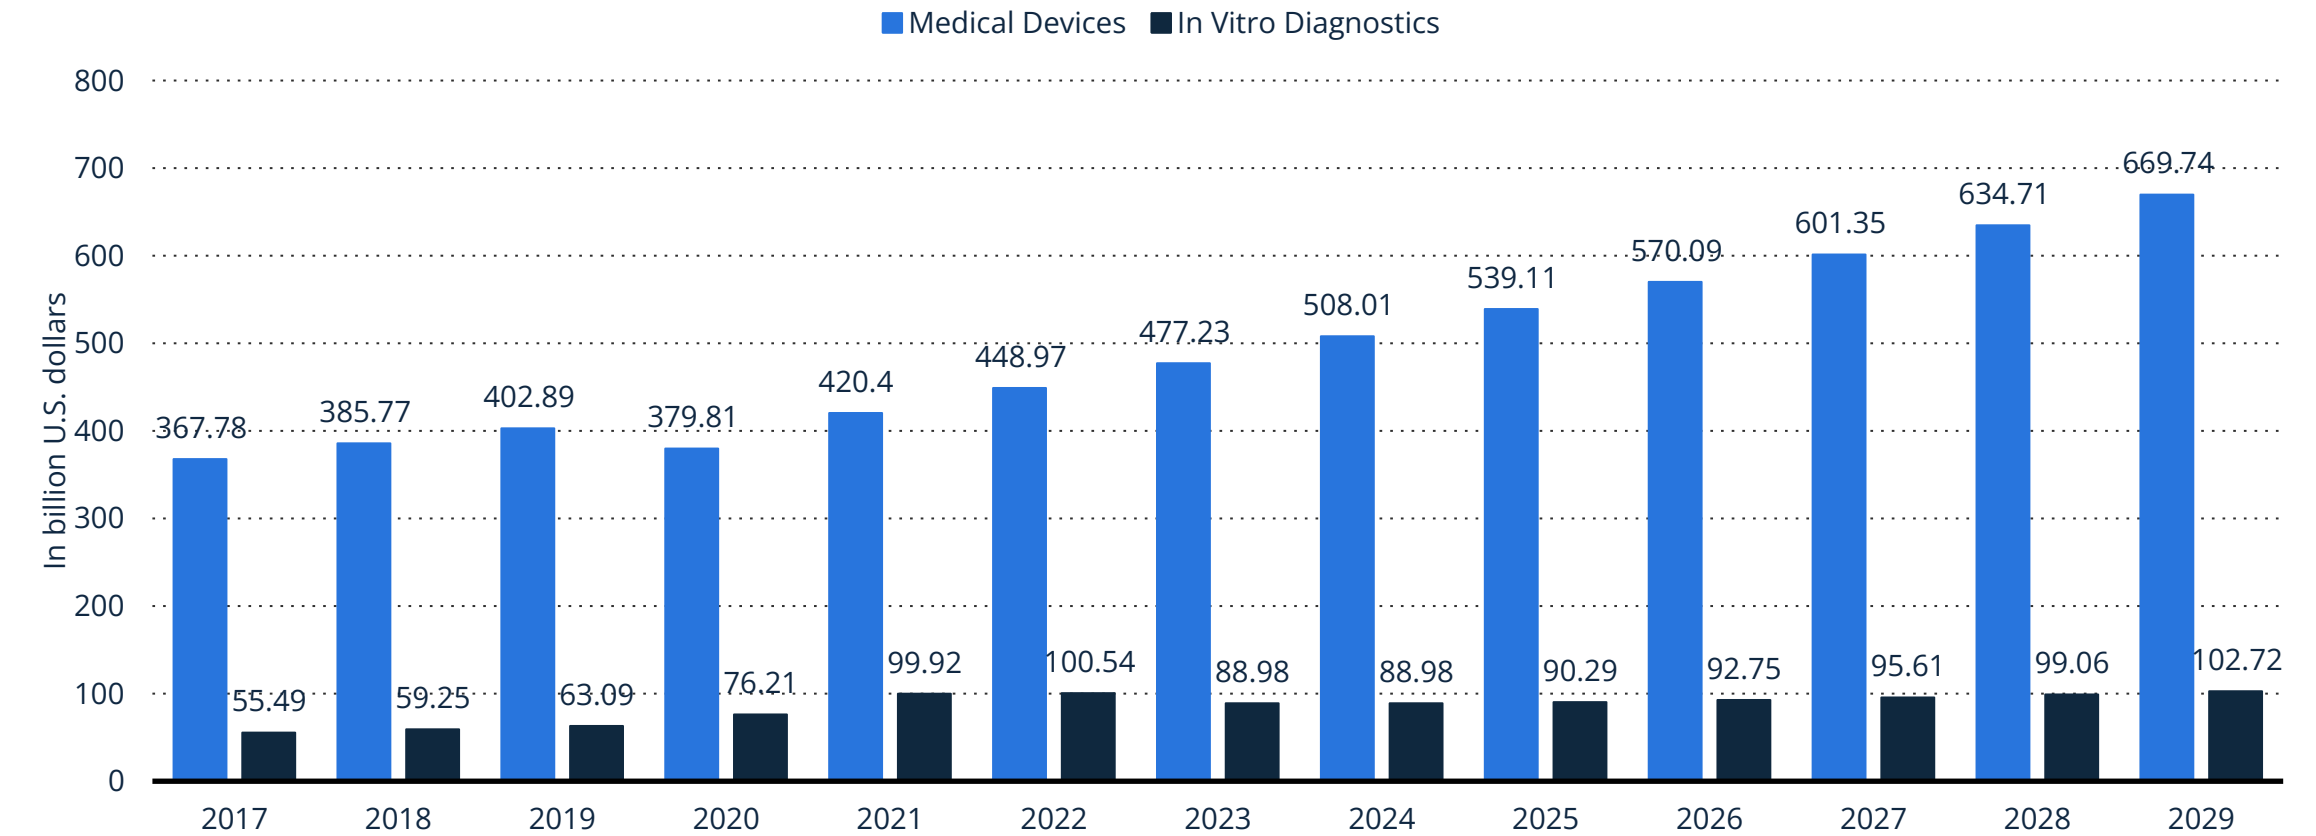

Revenue in the medical technology market Worldwide from 2017 to 2029 (in billion U.S. dollars)

Revenue in the medical technology market Worldwide 2017-2029

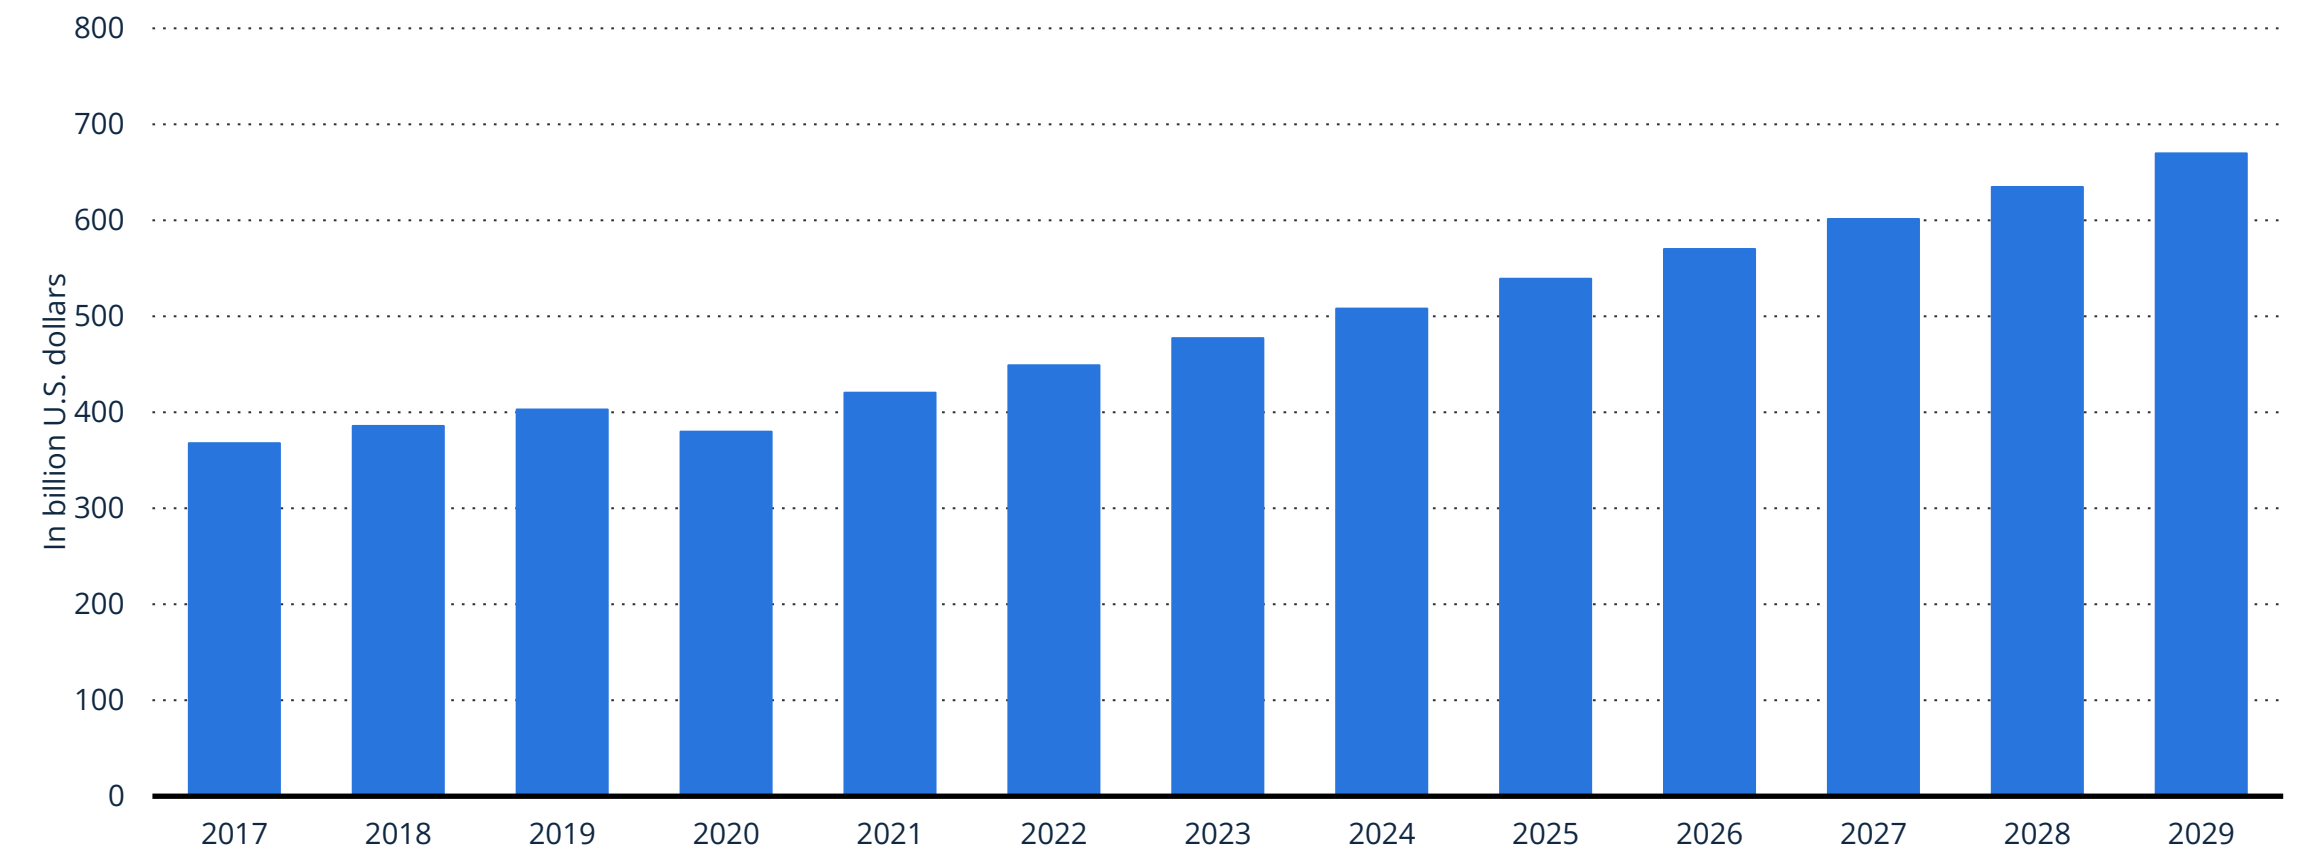

Revenue in the Medical Technology market for different segments Worldwide from 2017 to 2029 (in billion U.S. dollars)

Revenue in the Medical Technology market Worldwide 2017-2029

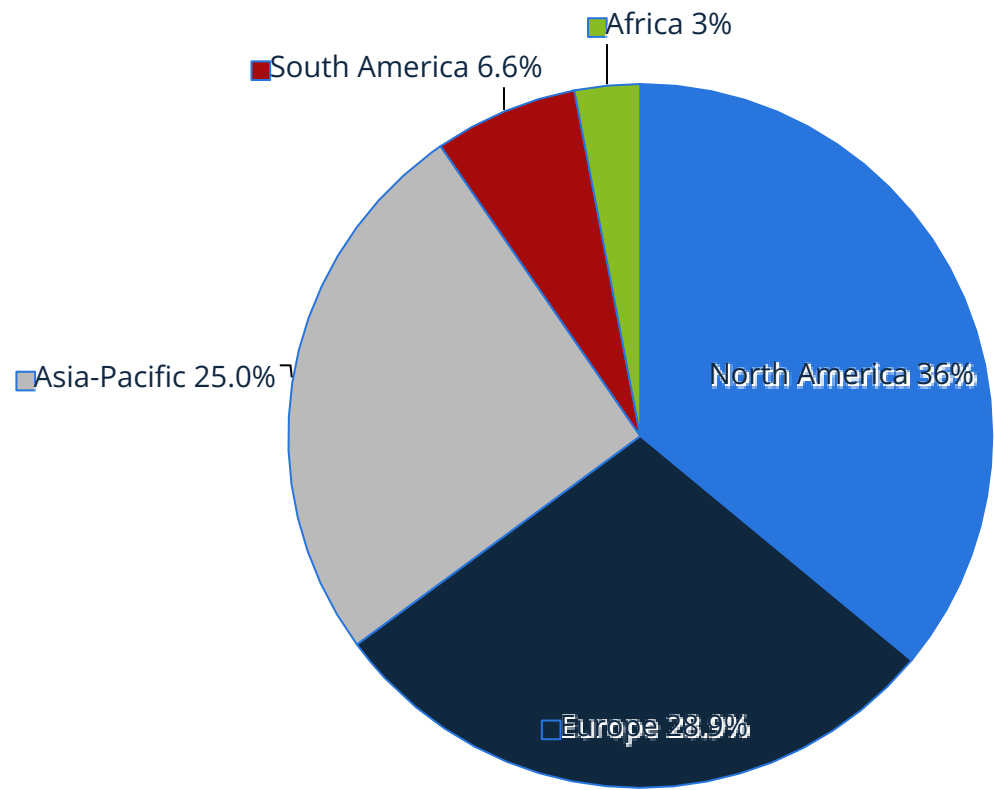

Revenue in the medical devices segment of the medical technology market Worldwide from 2017 to 2029 (in billion U.S. dollars)

Revenue in the medical devices segment Worldwide 2017-2029

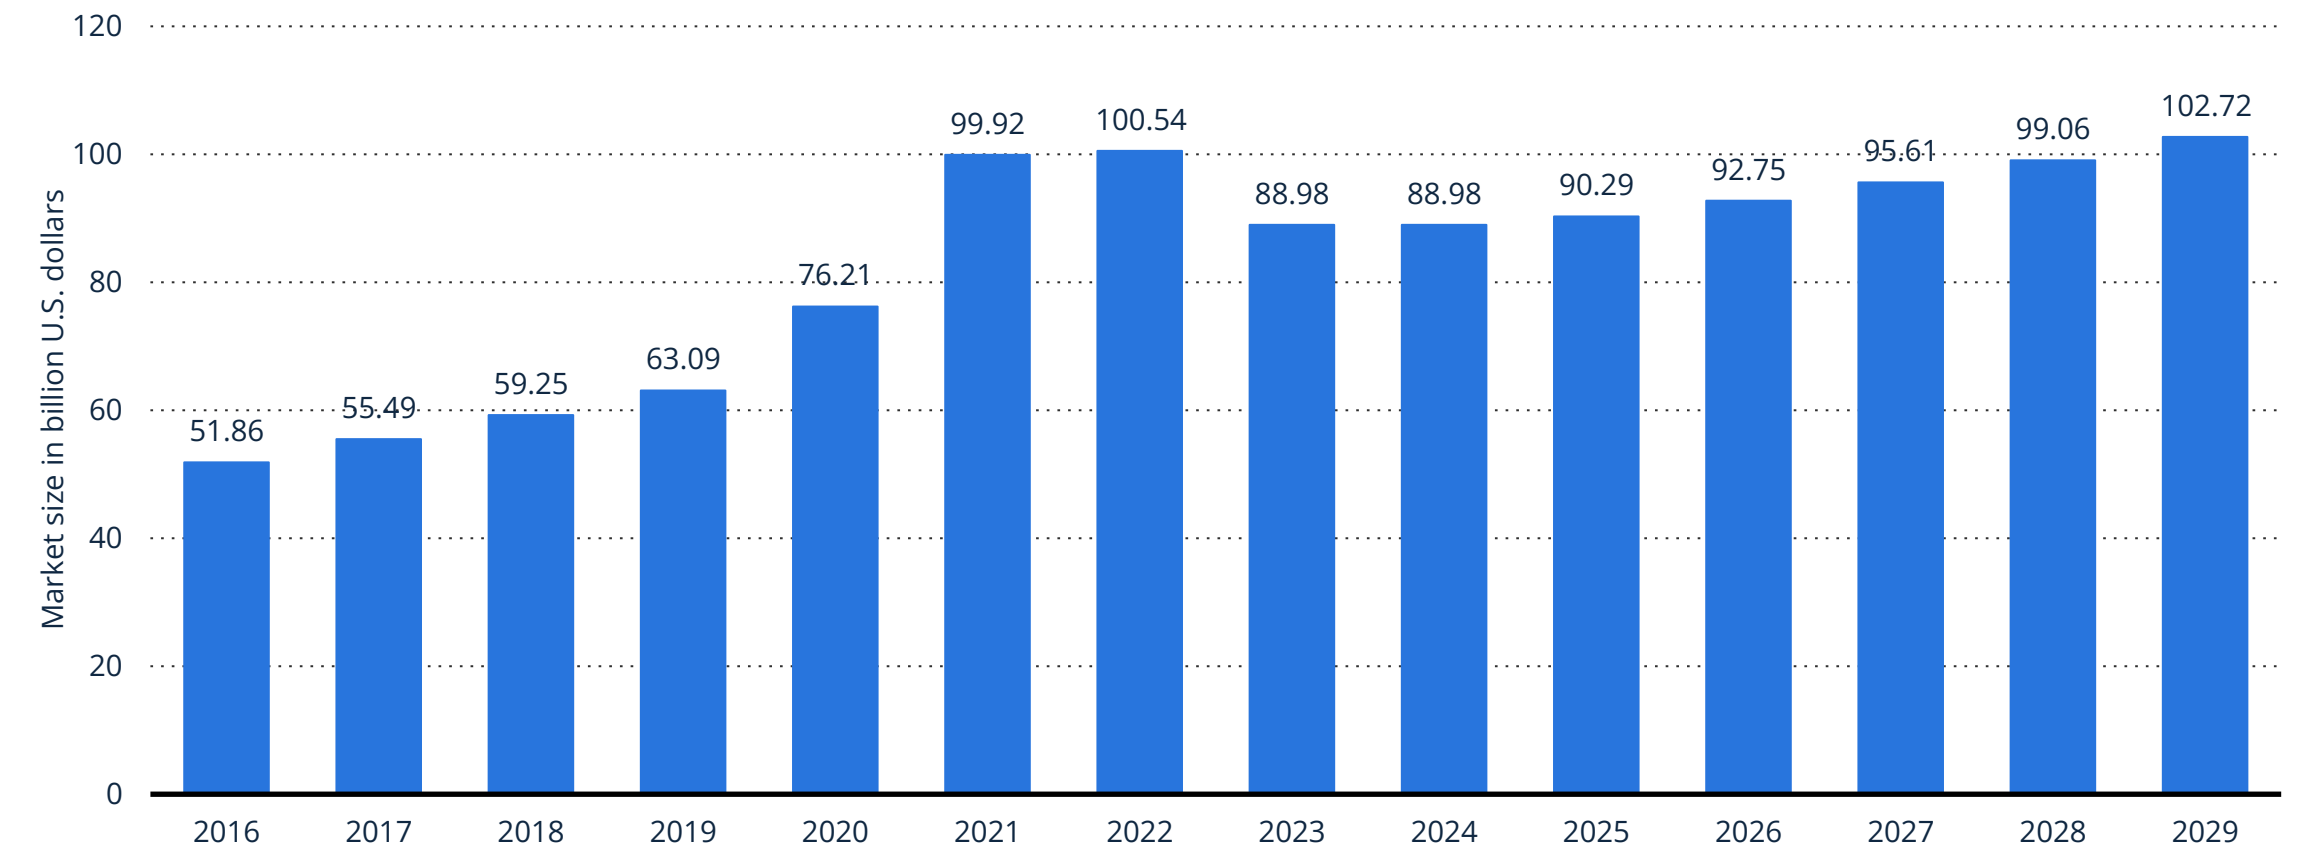

Distribution of the global revenue of medical technology industry in 2021, by region

Distribution of global revenue of MedTech industry 2021, by region

In-vitro diagnostics (IVD) market revenue worldwide from 2016 to 2029 (in billion U.S. dollars)

In-vitro diagnostics market revenue worldwide 2016-2029

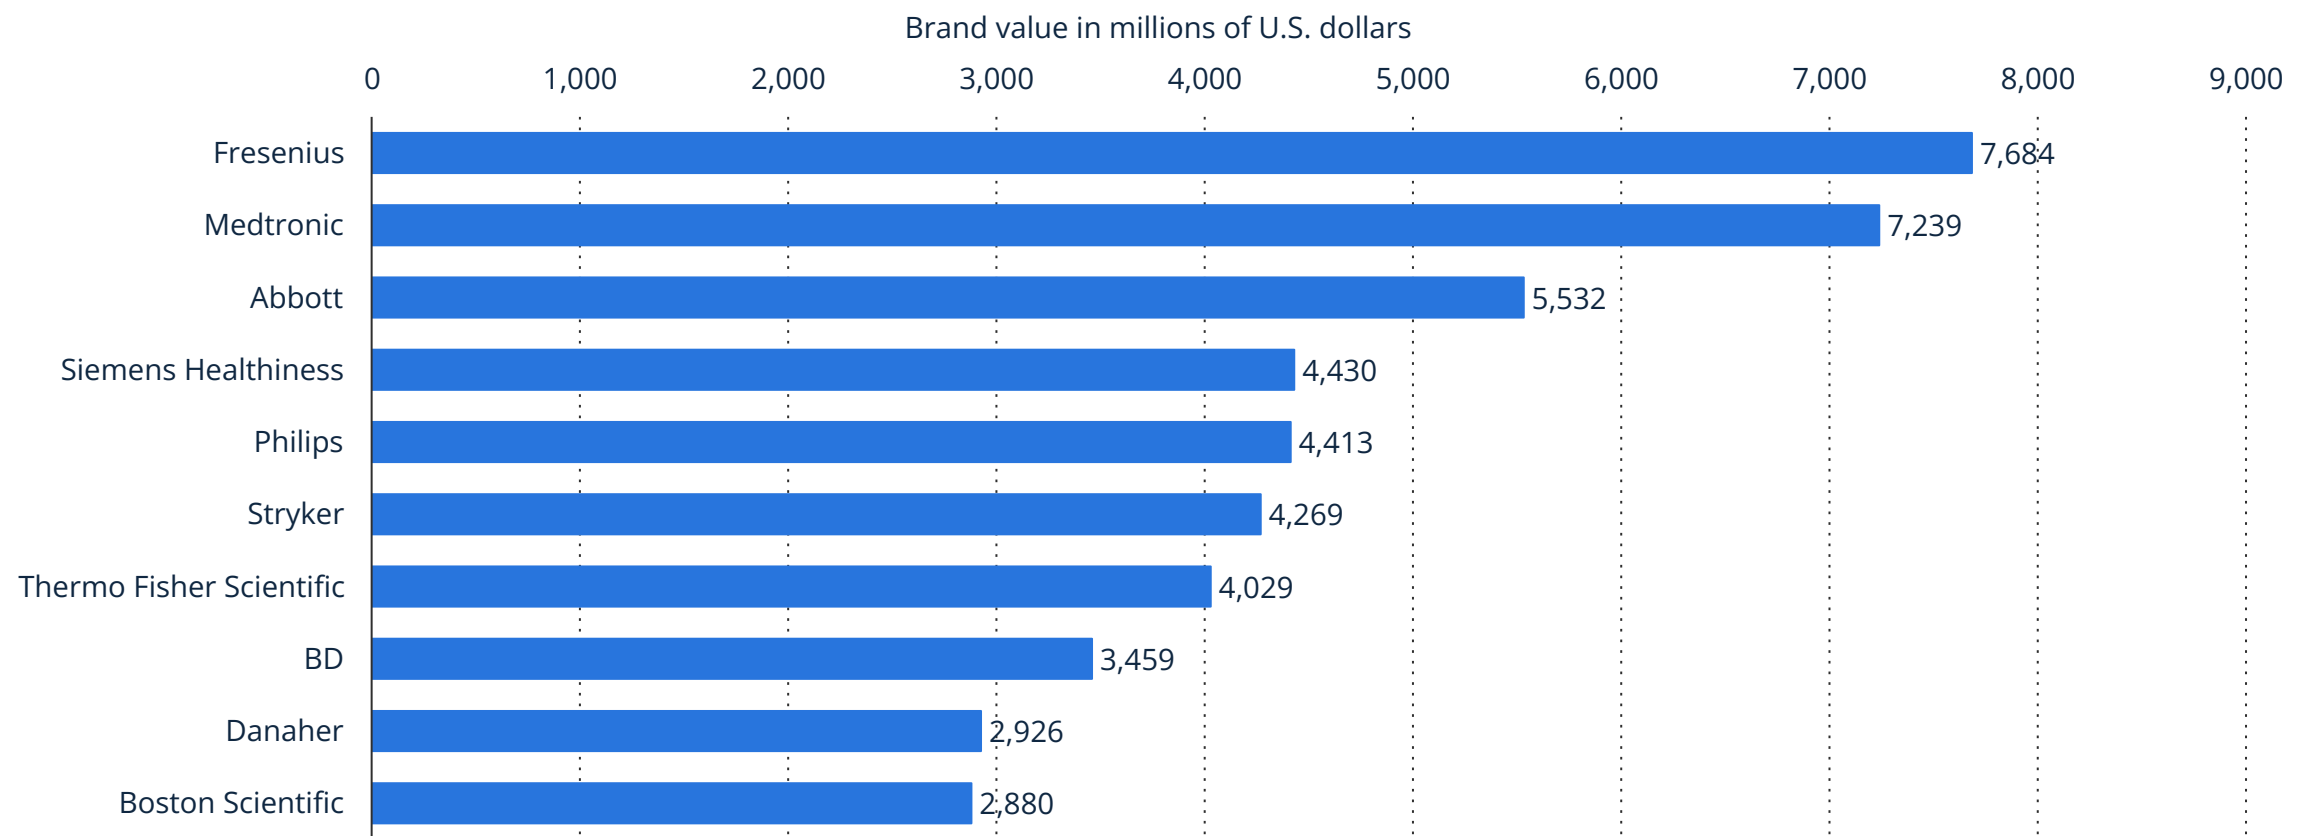

CHAPTER 02

Companies

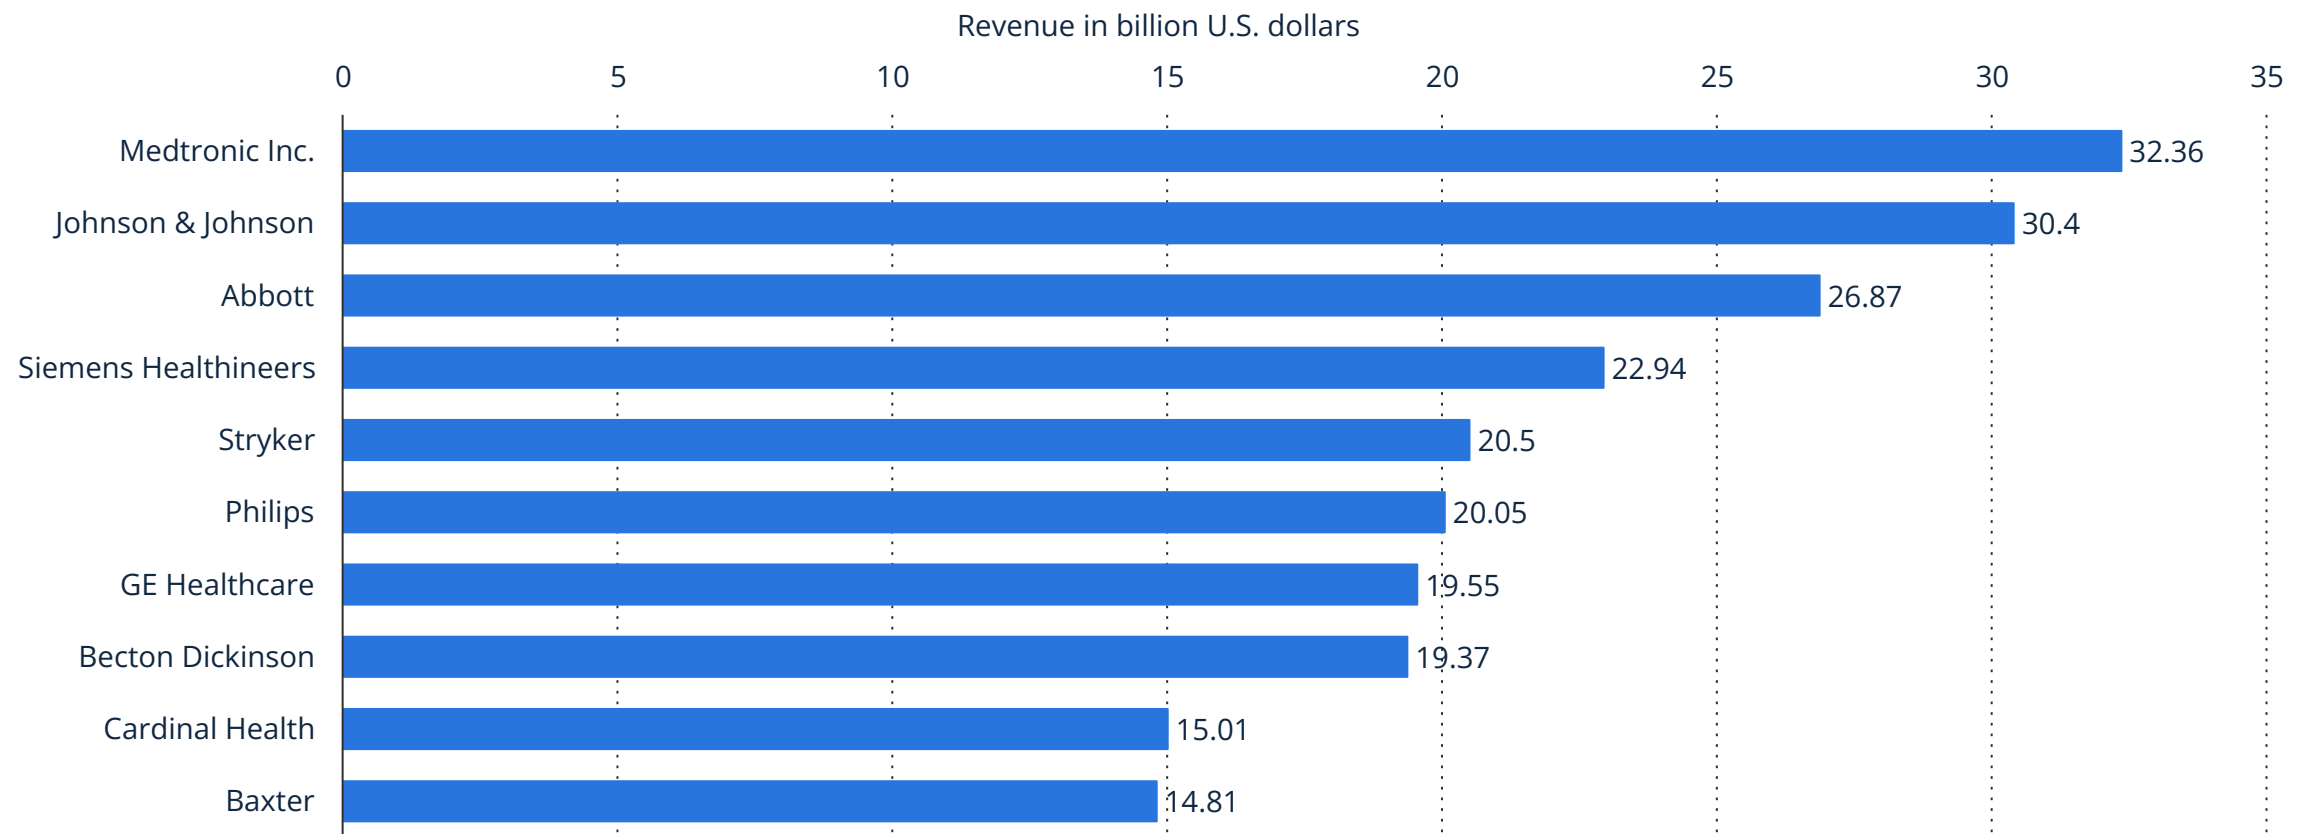

Top ten medical device companies worldwide in 2024, by brand value (in million U.S. dollars)

Medical devices companies based on brand value worldwide 2024

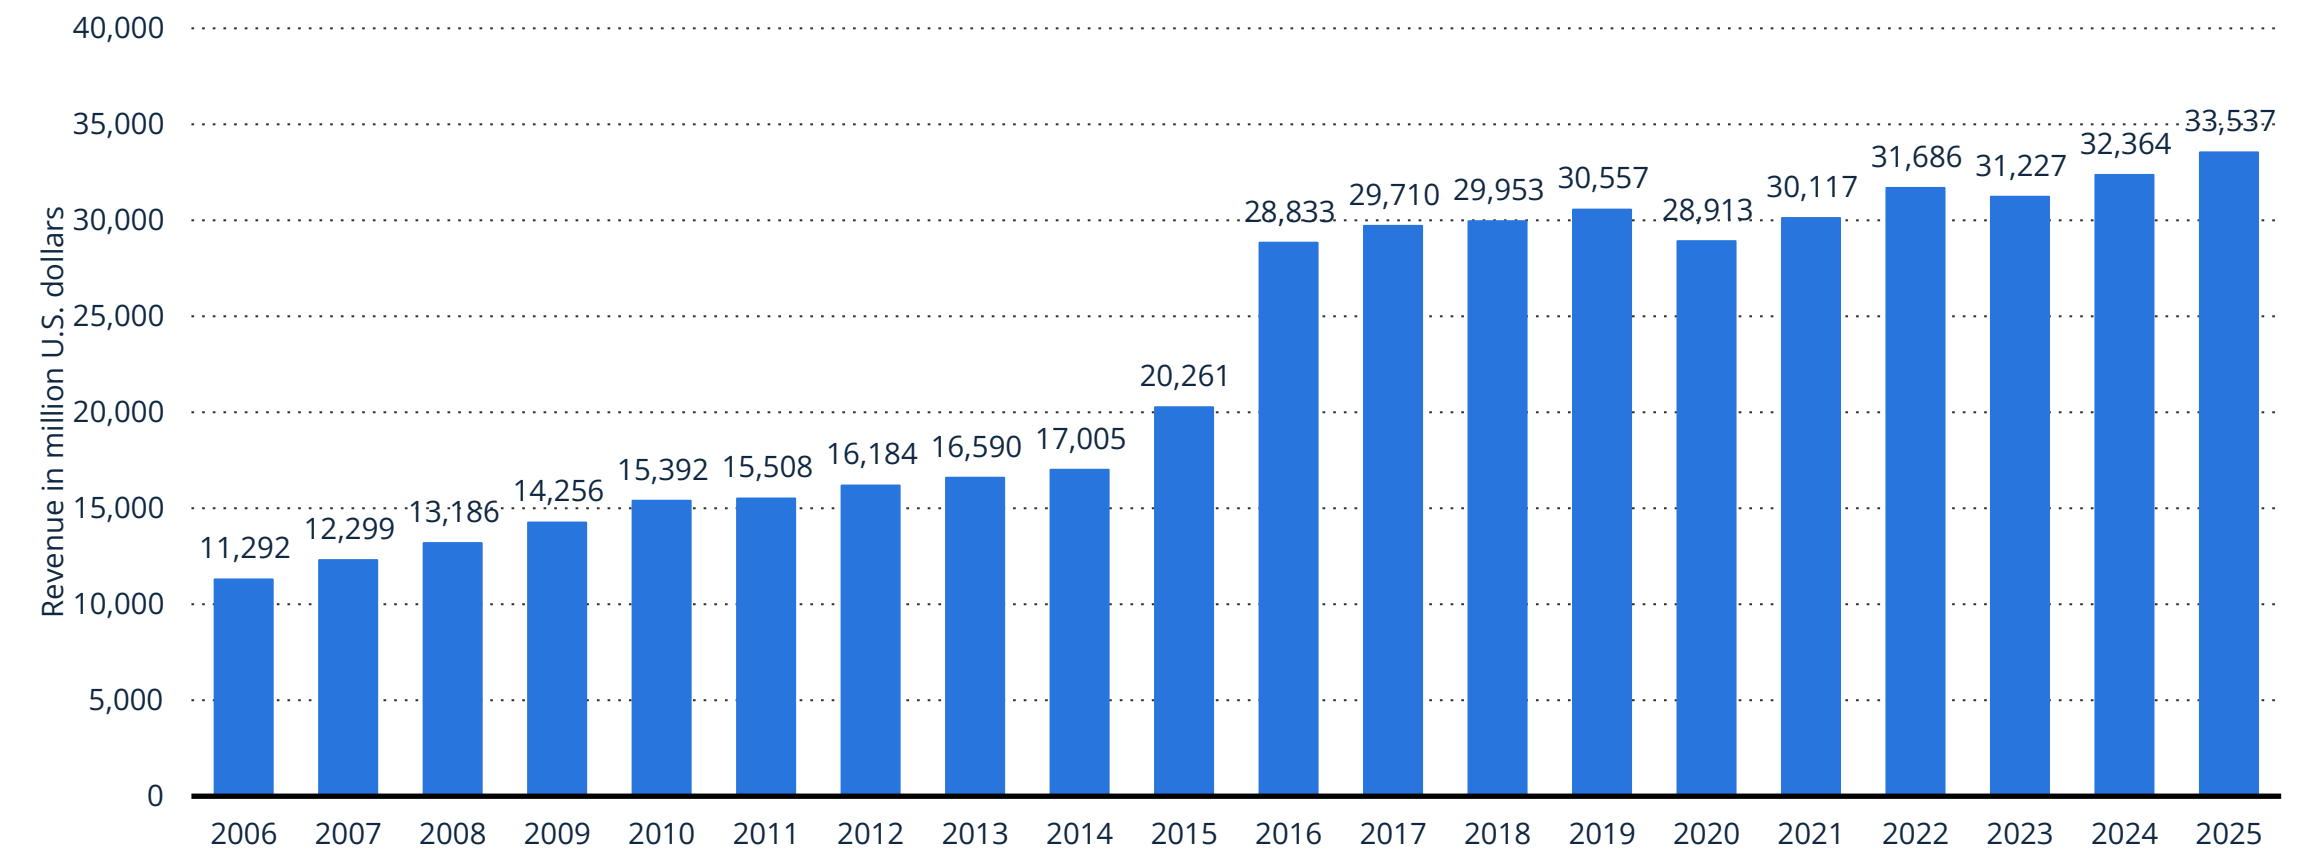

Leading medical technology companies worldwide based on revenue in 2023 (in billion U.S. dollars)

Medical technology - top companies based on revenue 2023

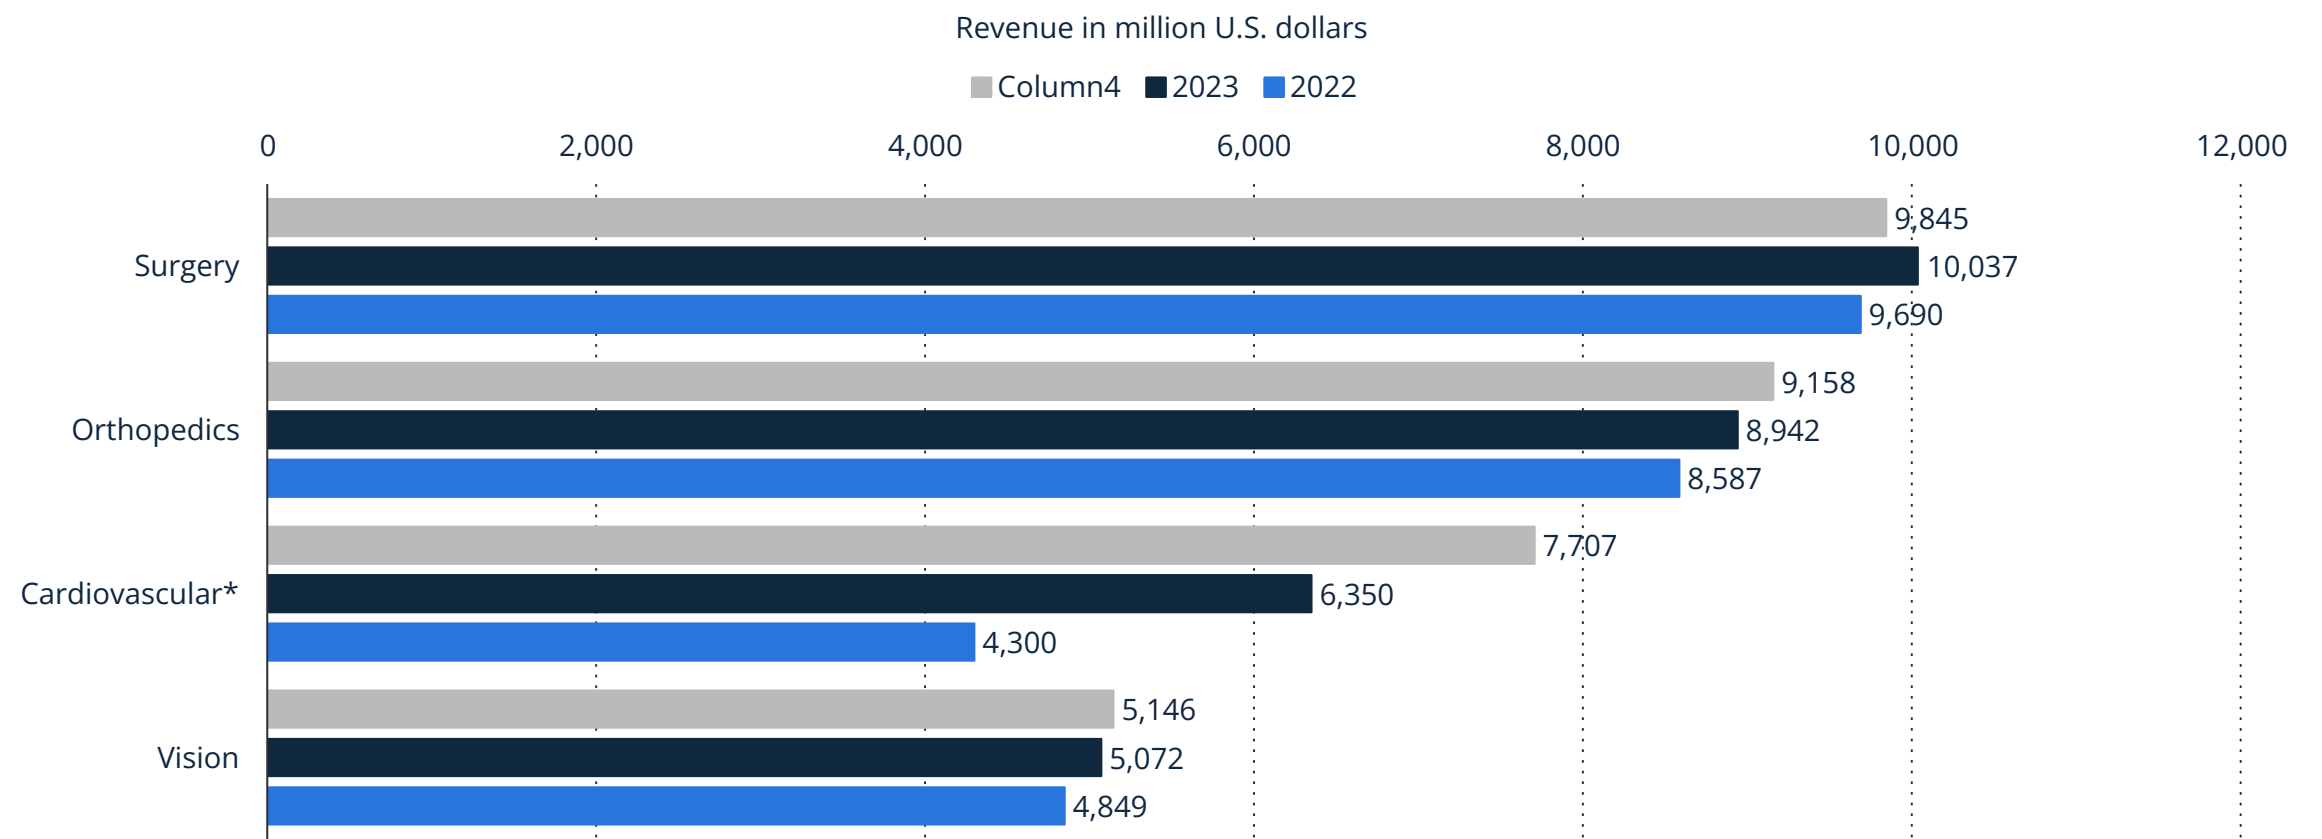

Revenue of Medtronic from 2006 to 2025 (in million U.S. dollars)

Medtronic revenue 2006-2025

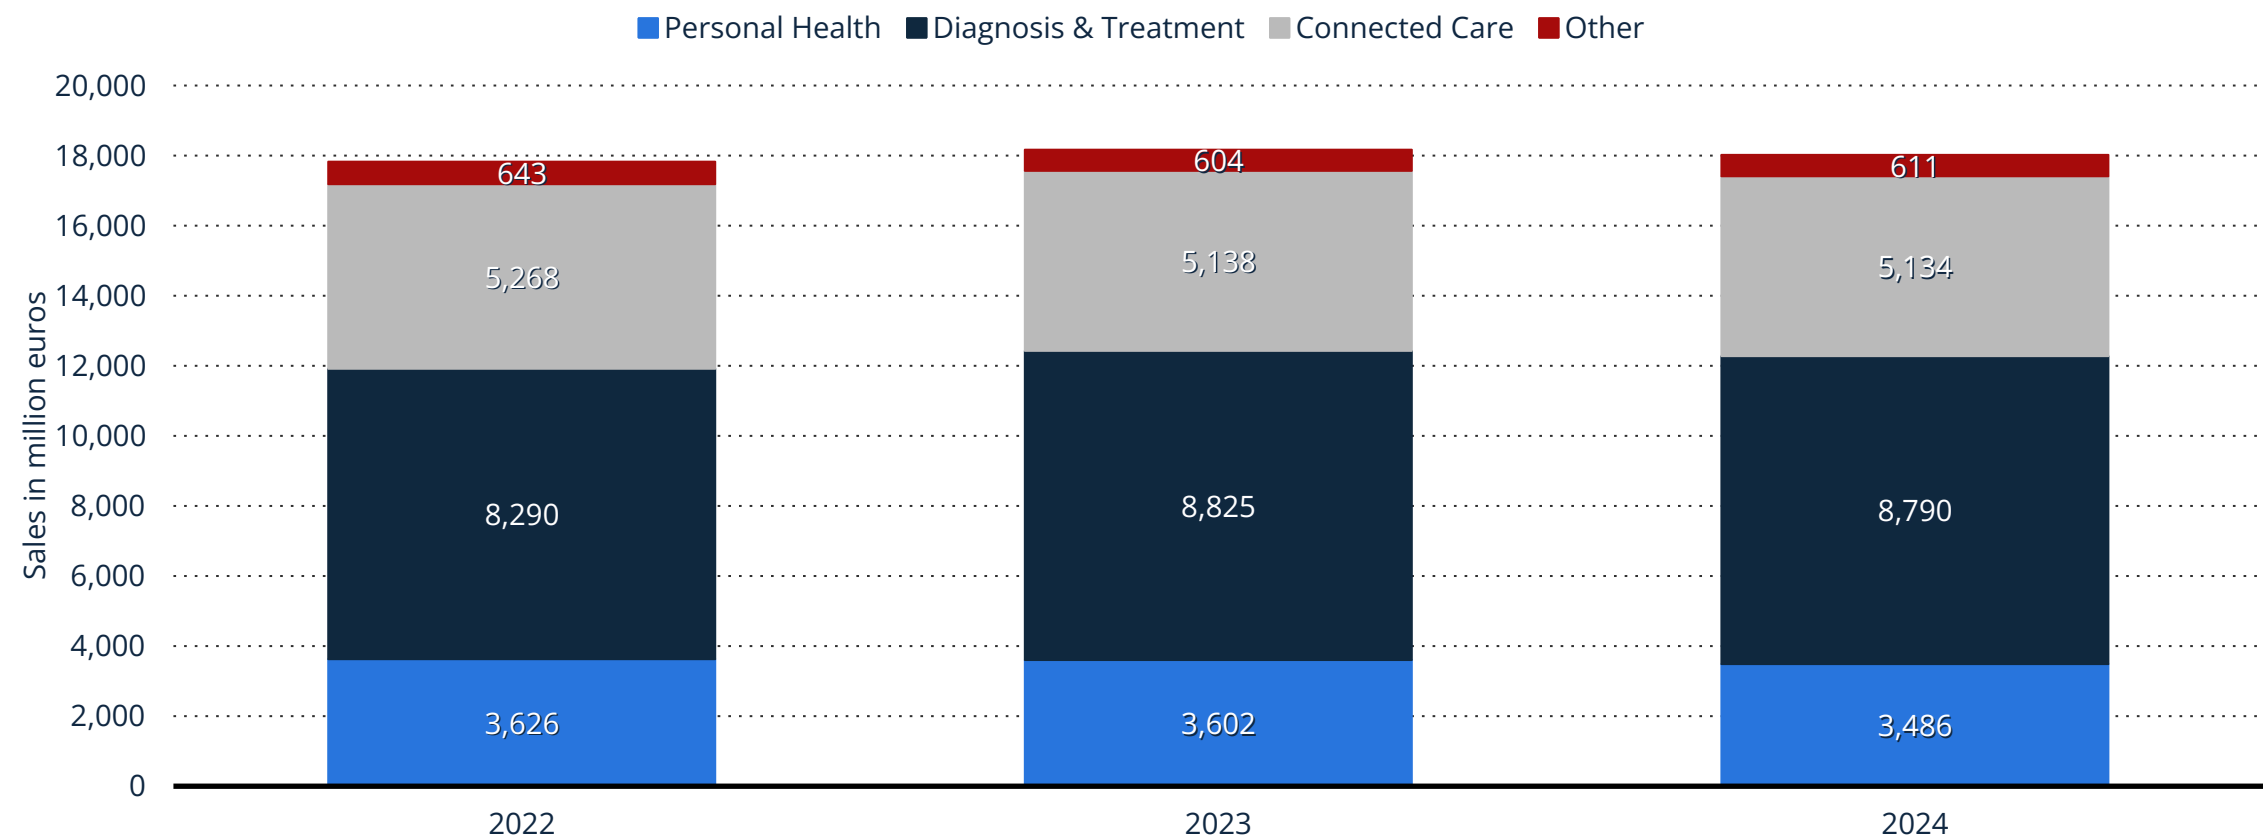

Revenue of Johnson & Johnson's medical technology segment from 2022 to 2024, by franchise (in million U.S. dollars)

Johnson & Johnson's medtech segment revenue 2022-2024, by franchise

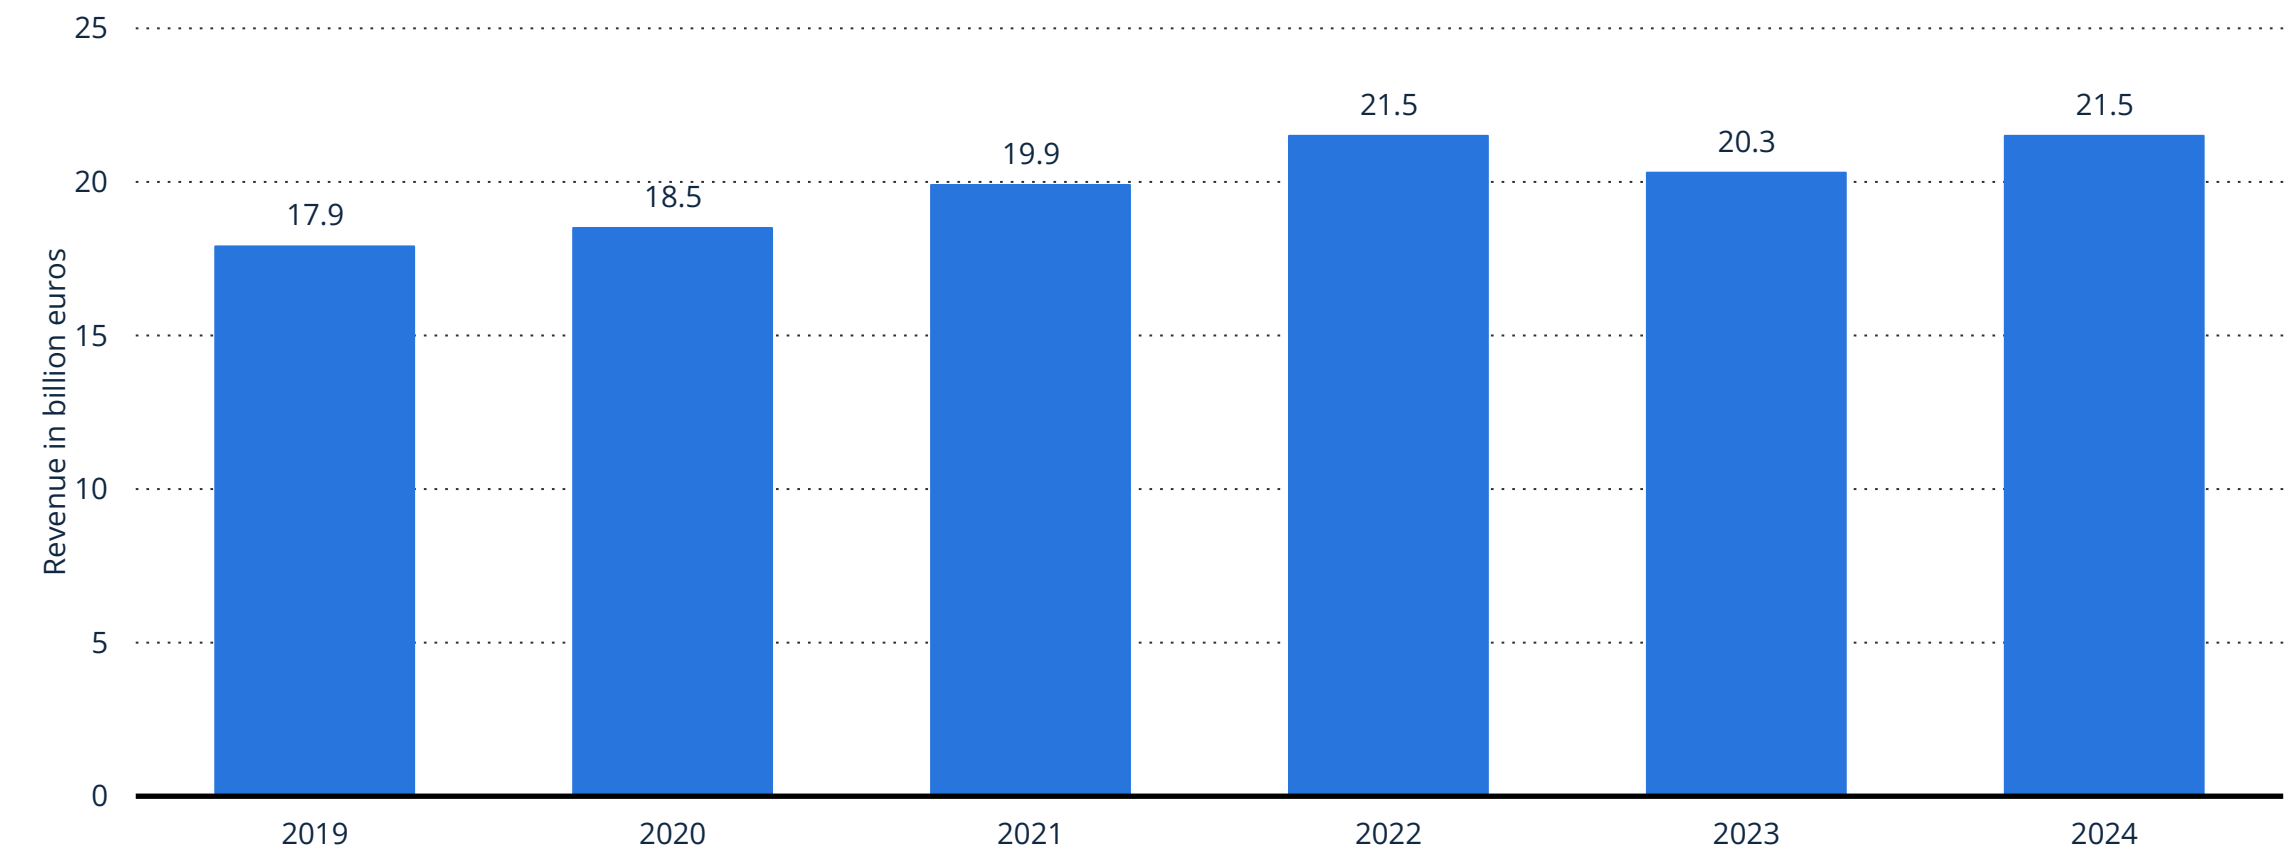

Philips' sales by segment from 2021 to 2024 (in million euros)

Sales of Philips by segment 2021-2024

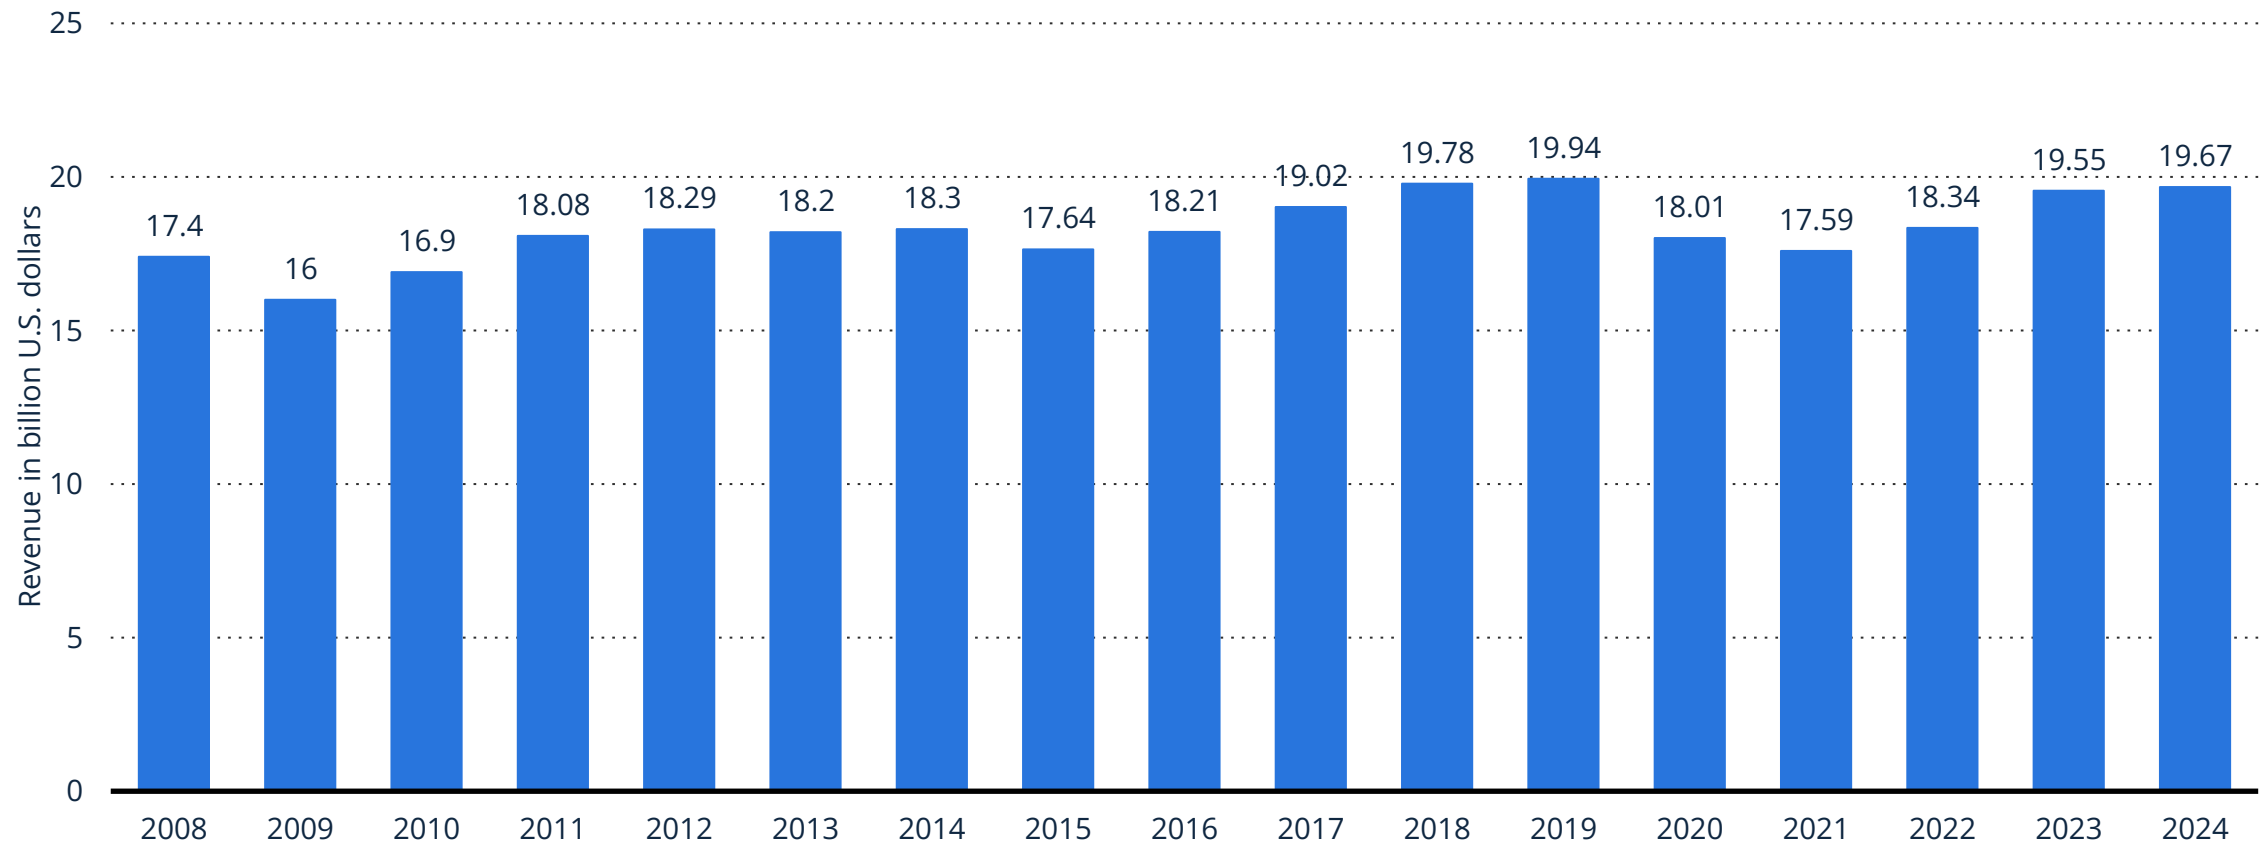

Revenue of the Fresenius Group from 2019 to 2024 (in billion euros)

Revenue of Fresenius 2019-2024

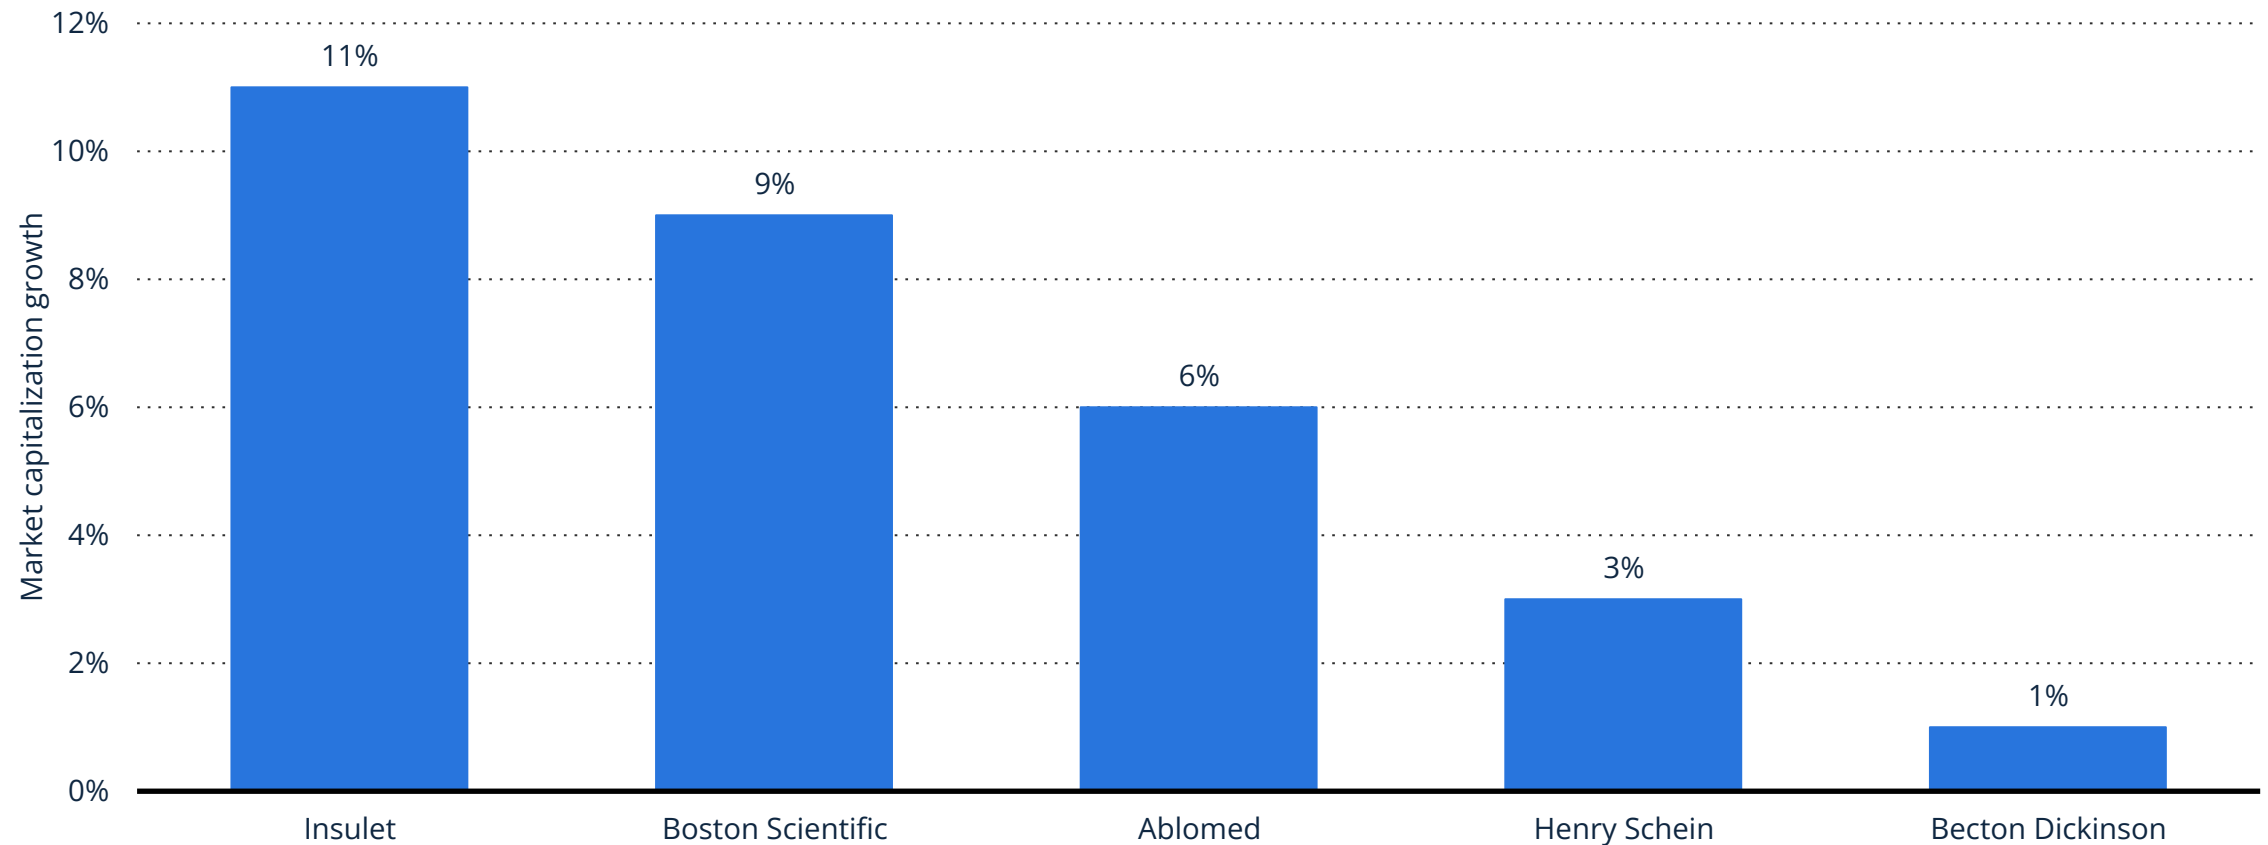

Annual revenue of General Electric Healthcare from 2008 to 2024 (in billion U.S. dollars)

General Electric Healthcare revenue 2008-2024

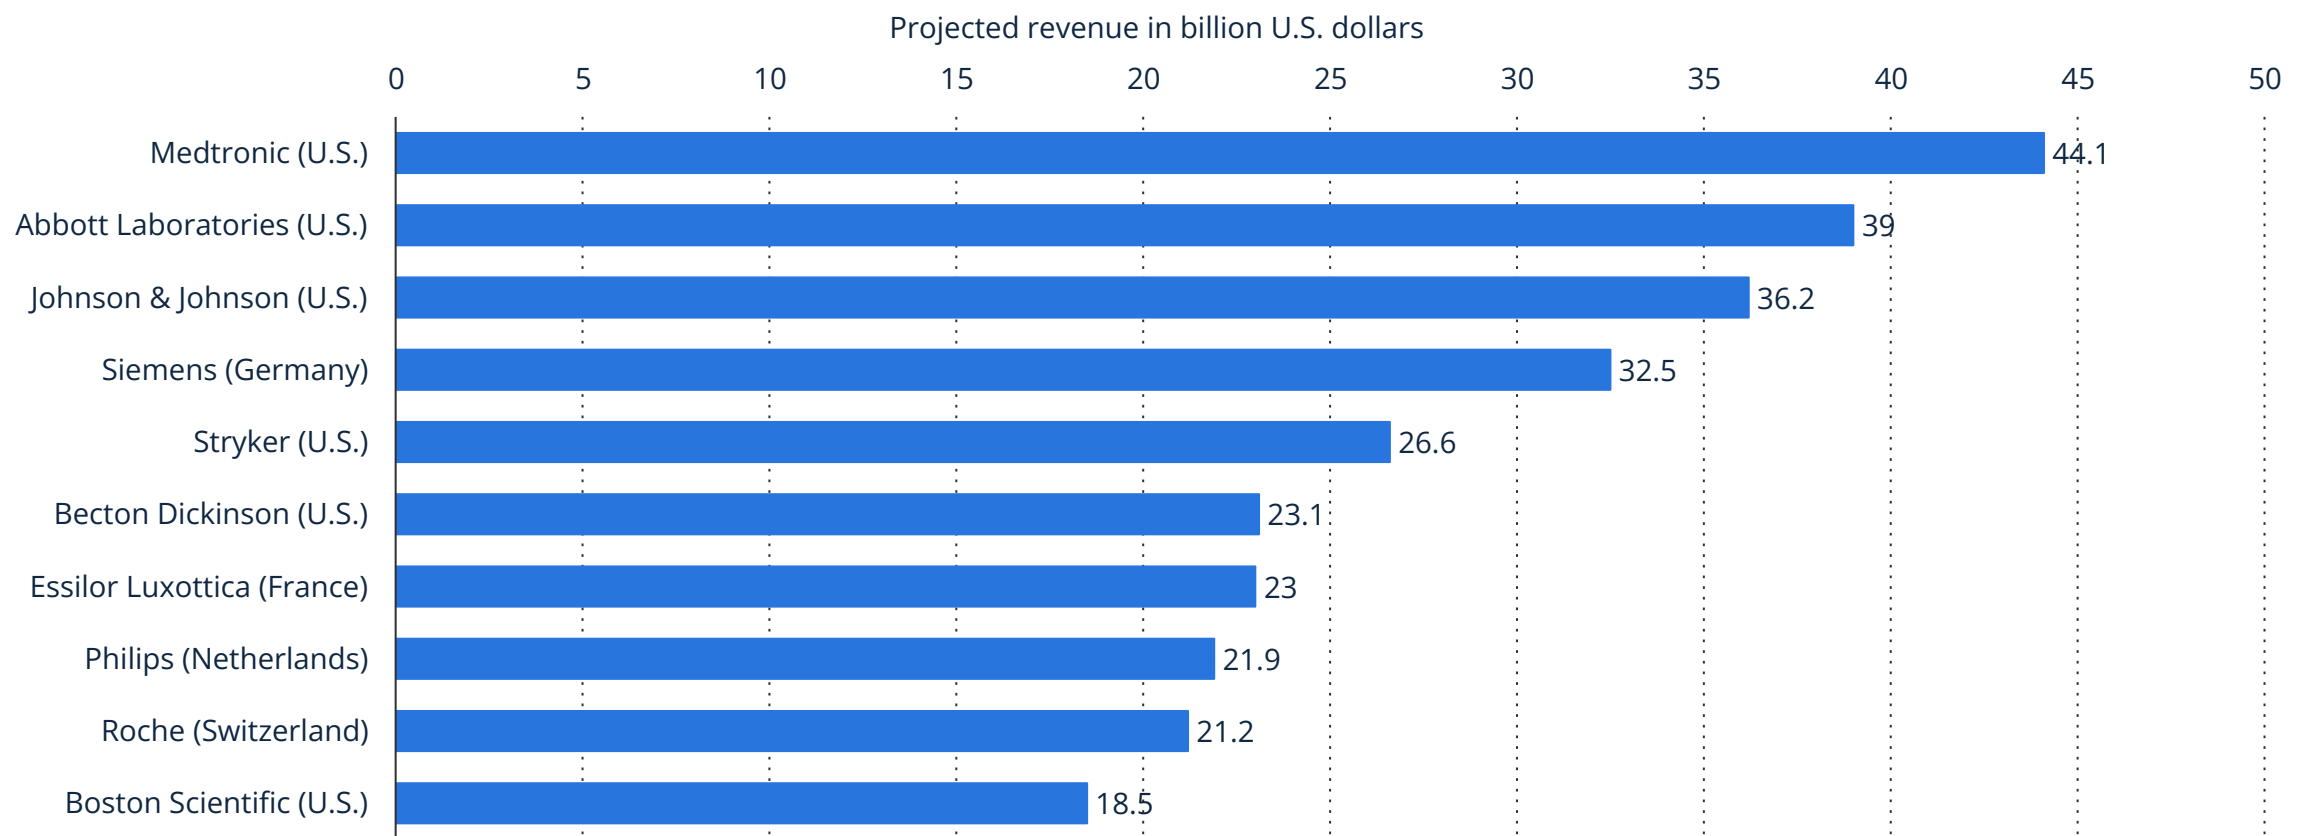

Top large medical technology companies based on share price growth in 2022

Share price growth of top large medtech companies worldwide 2022

Projected top 10 companies by medical technology revenue in 2028 (in billion U.S. dollars)

Predicted top medical technology companies by revenue 2028

Medical technology companies ranked in the top 100 of most sustainable companies worldwide as of 2024

Medtech companies ranked with high sustainability 2024

	Ranking
Coloplast A/S	78
Biomérieux SA	97

CHAPTER 03

Segments

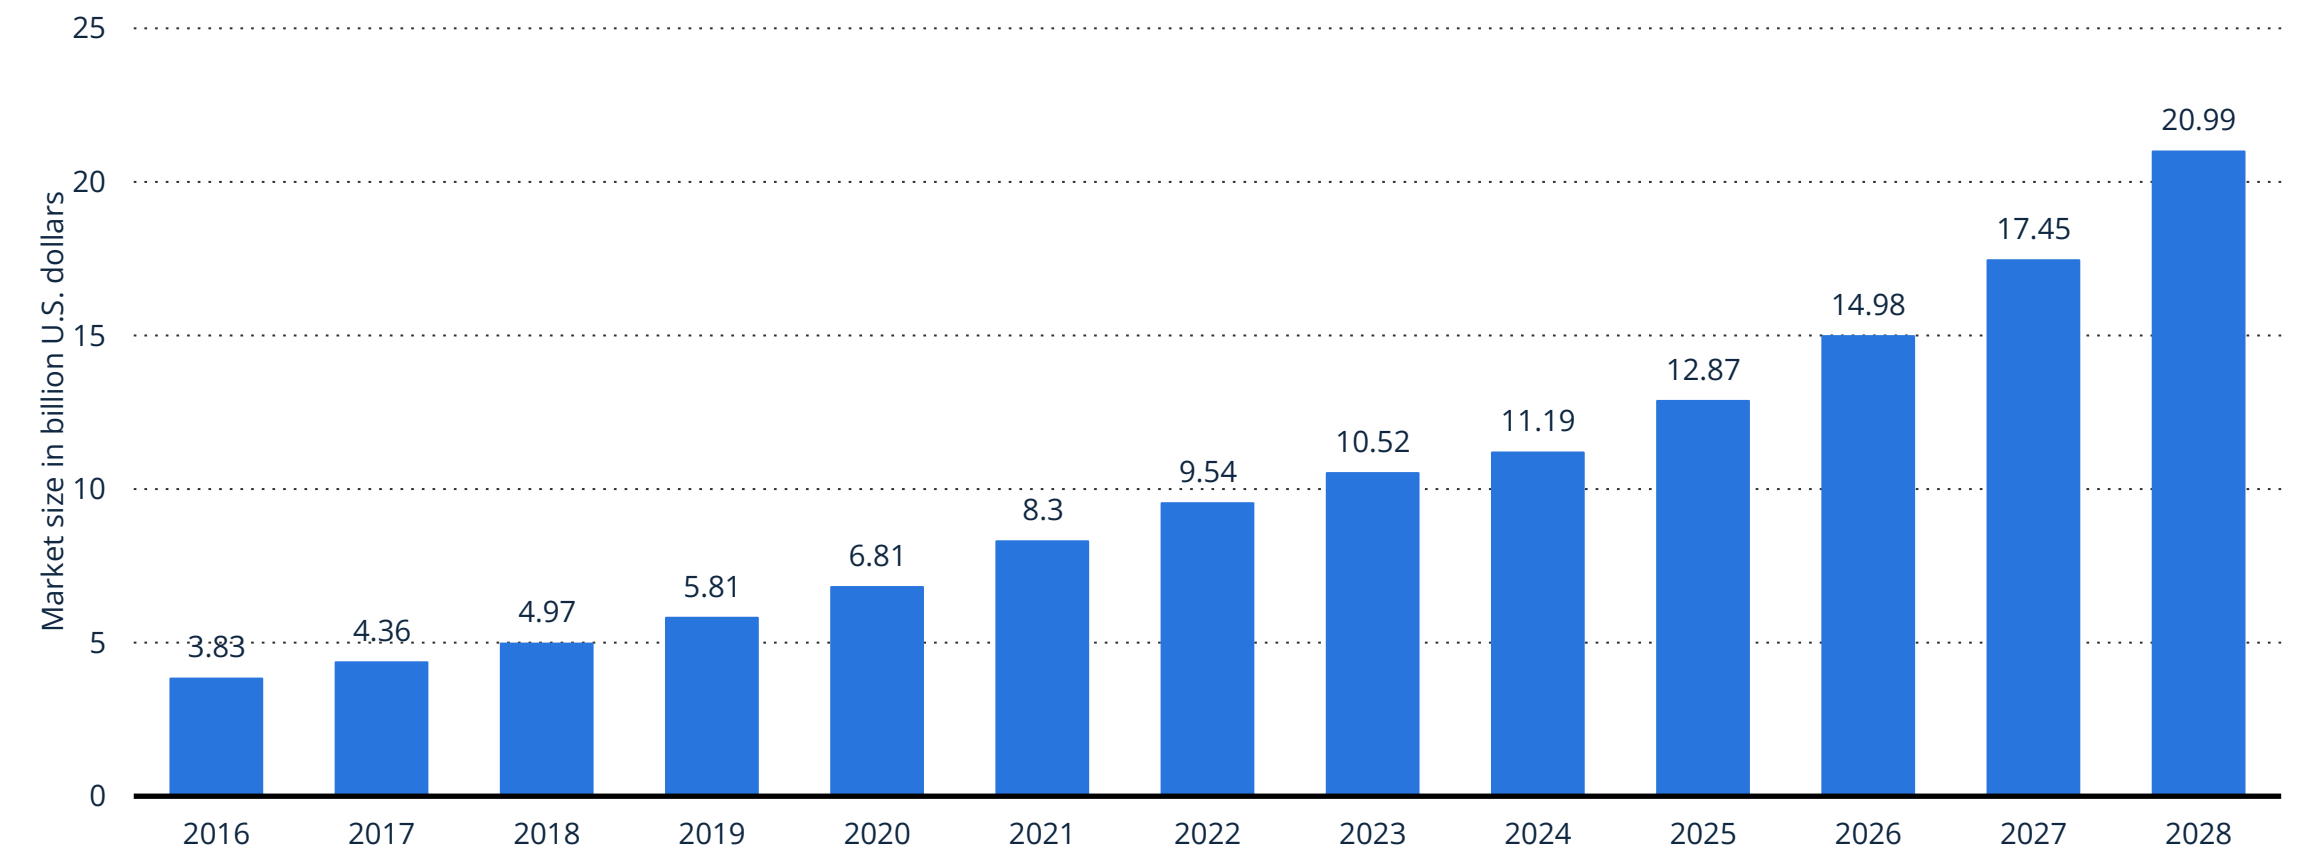

Revenue in the diagnostic imaging devices market Worldwide from 2016 to 2029 (in billion U.S. dollars)

Diagnostic imaging devices revenue worldwide 2016-2029

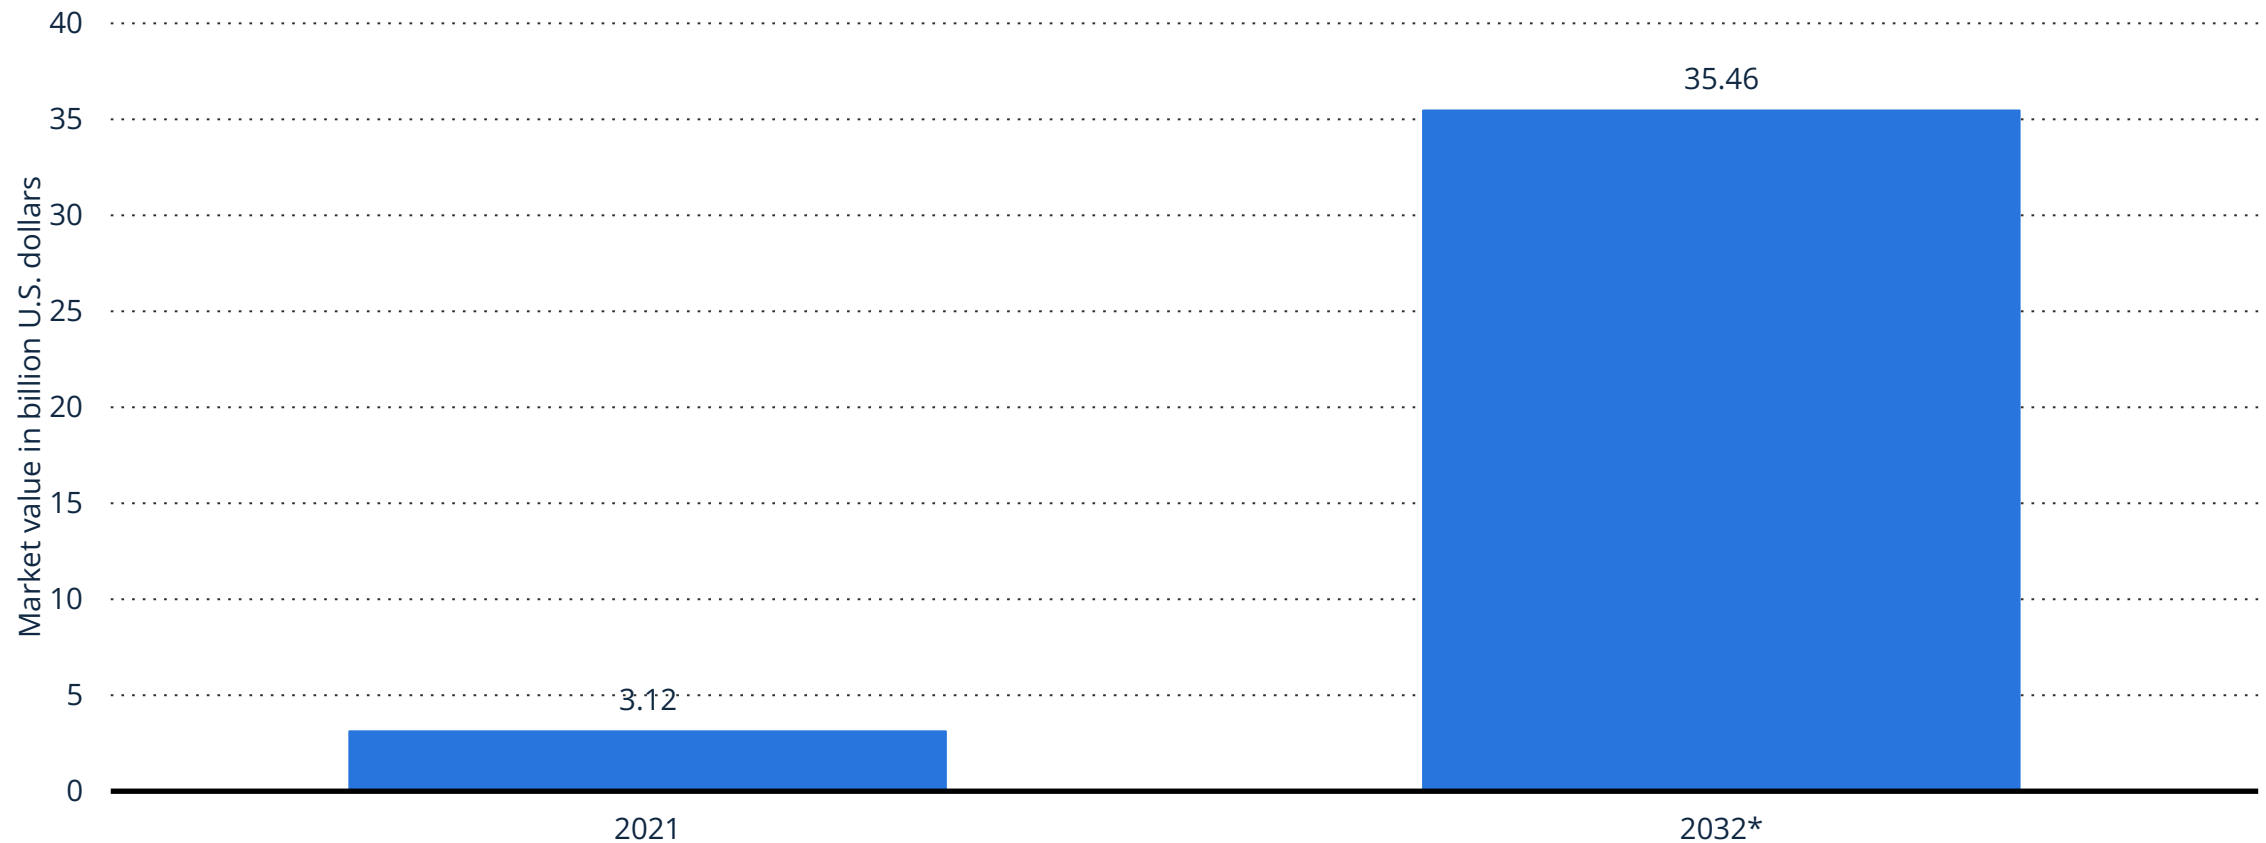

Medical service robotics market worldwide from 2016 to 2028 (in billion U.S. dollars)

Medical service robotics market worldwide 2016-2028

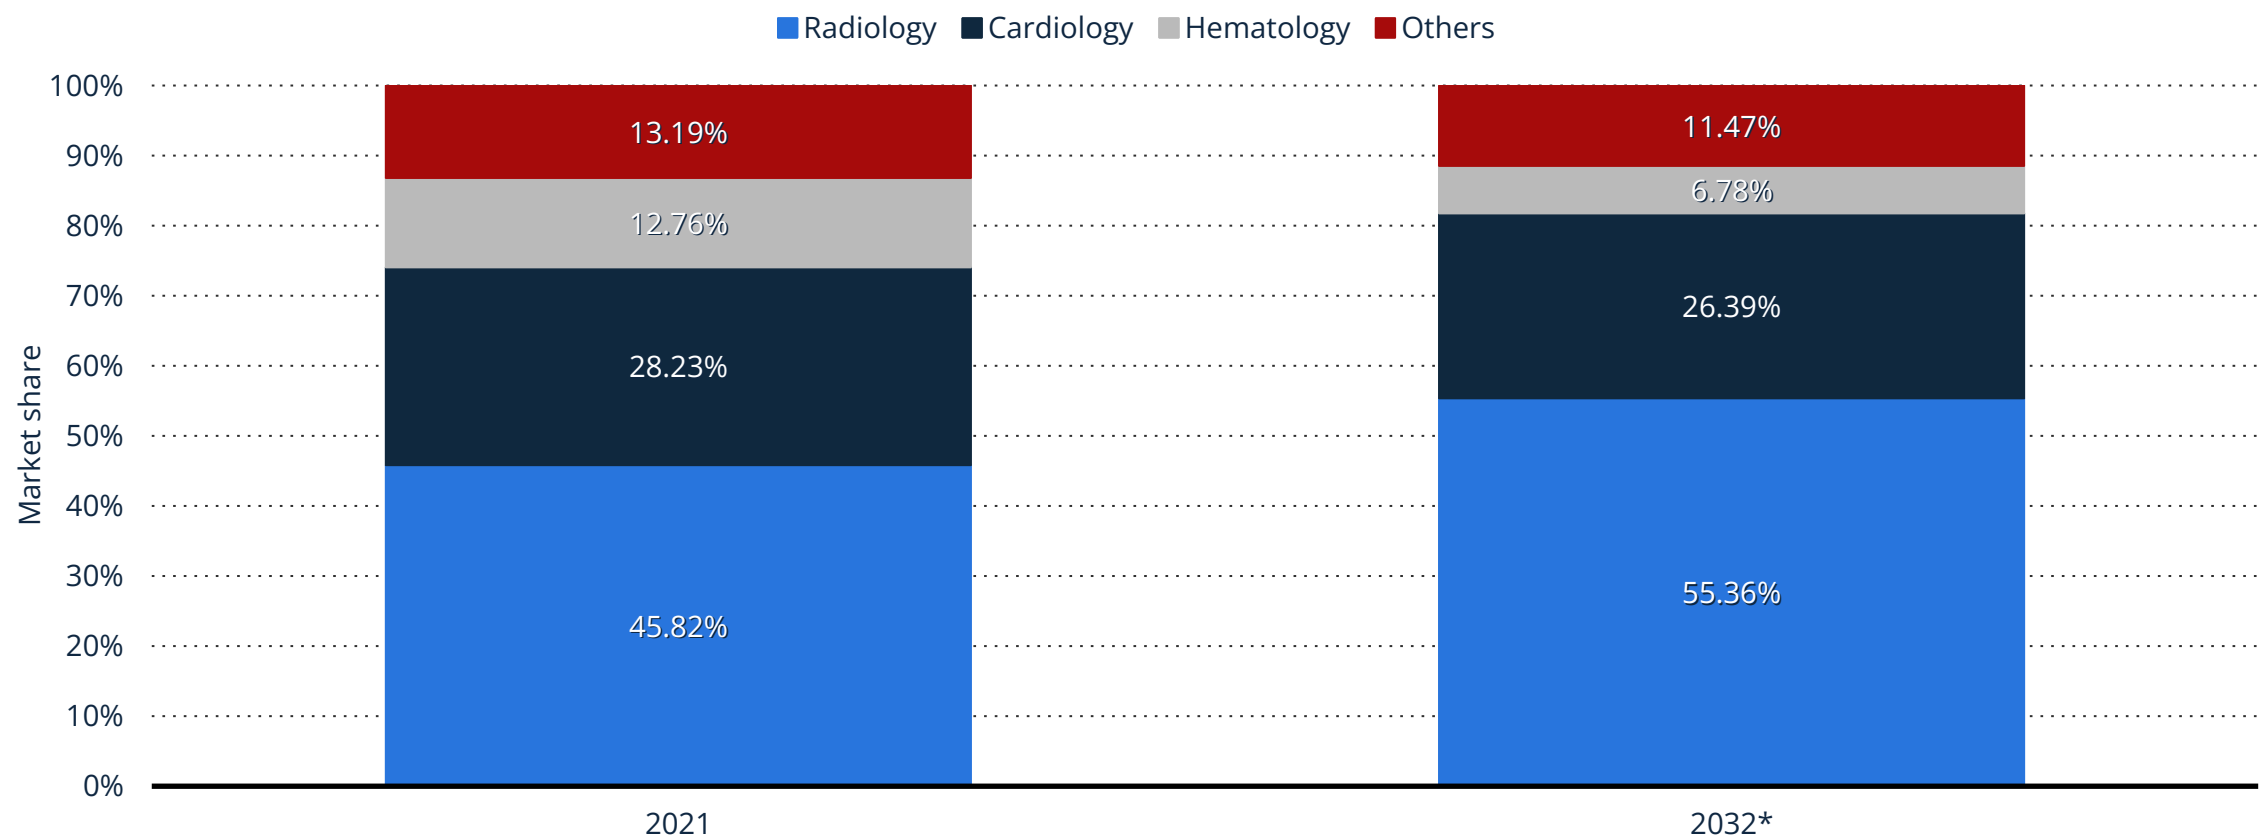

AI/machine learning medical device market value worldwide in 2021 and forecast for 2032 (in billion U.S. dollars)

AI/machine learning medical device market worldwide 2021-2032

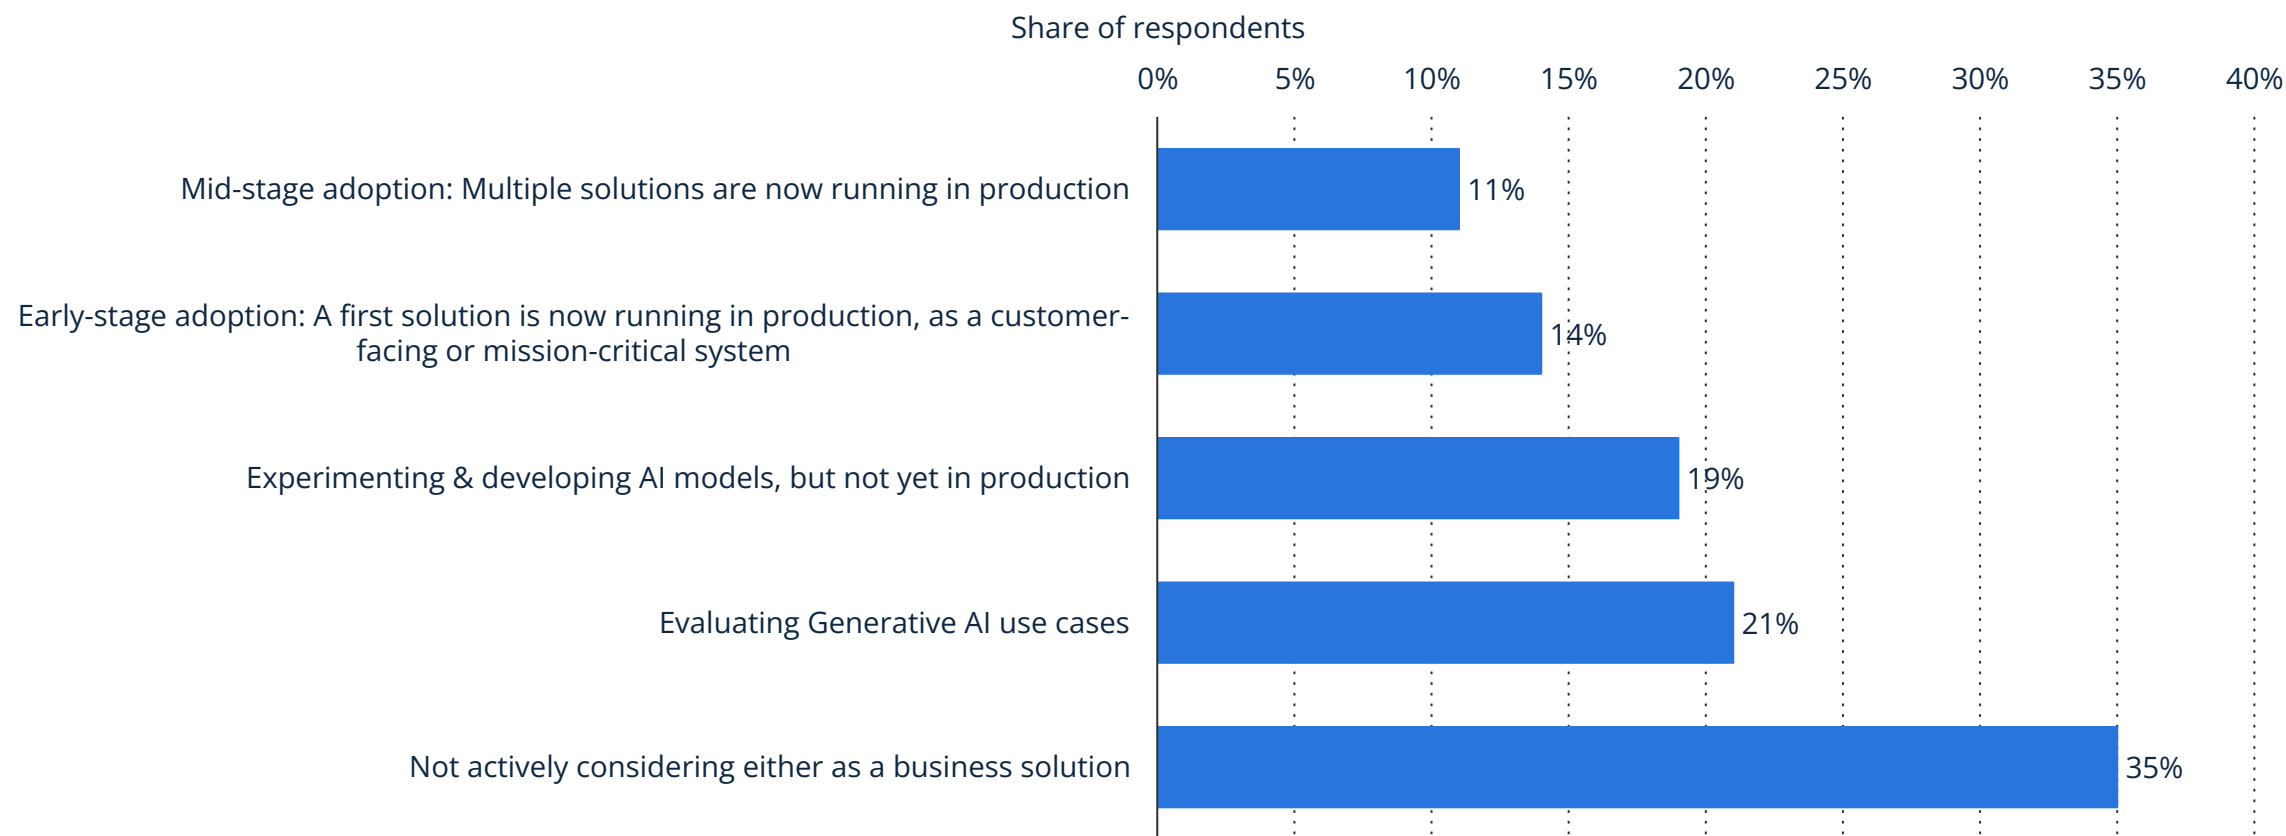

Distribution of the AI/machine learning medical device market worldwide in 2021 and forecast for 2032, by clinical area

AI/machine learning medical device market worldwide 2021-2032, by clinical area

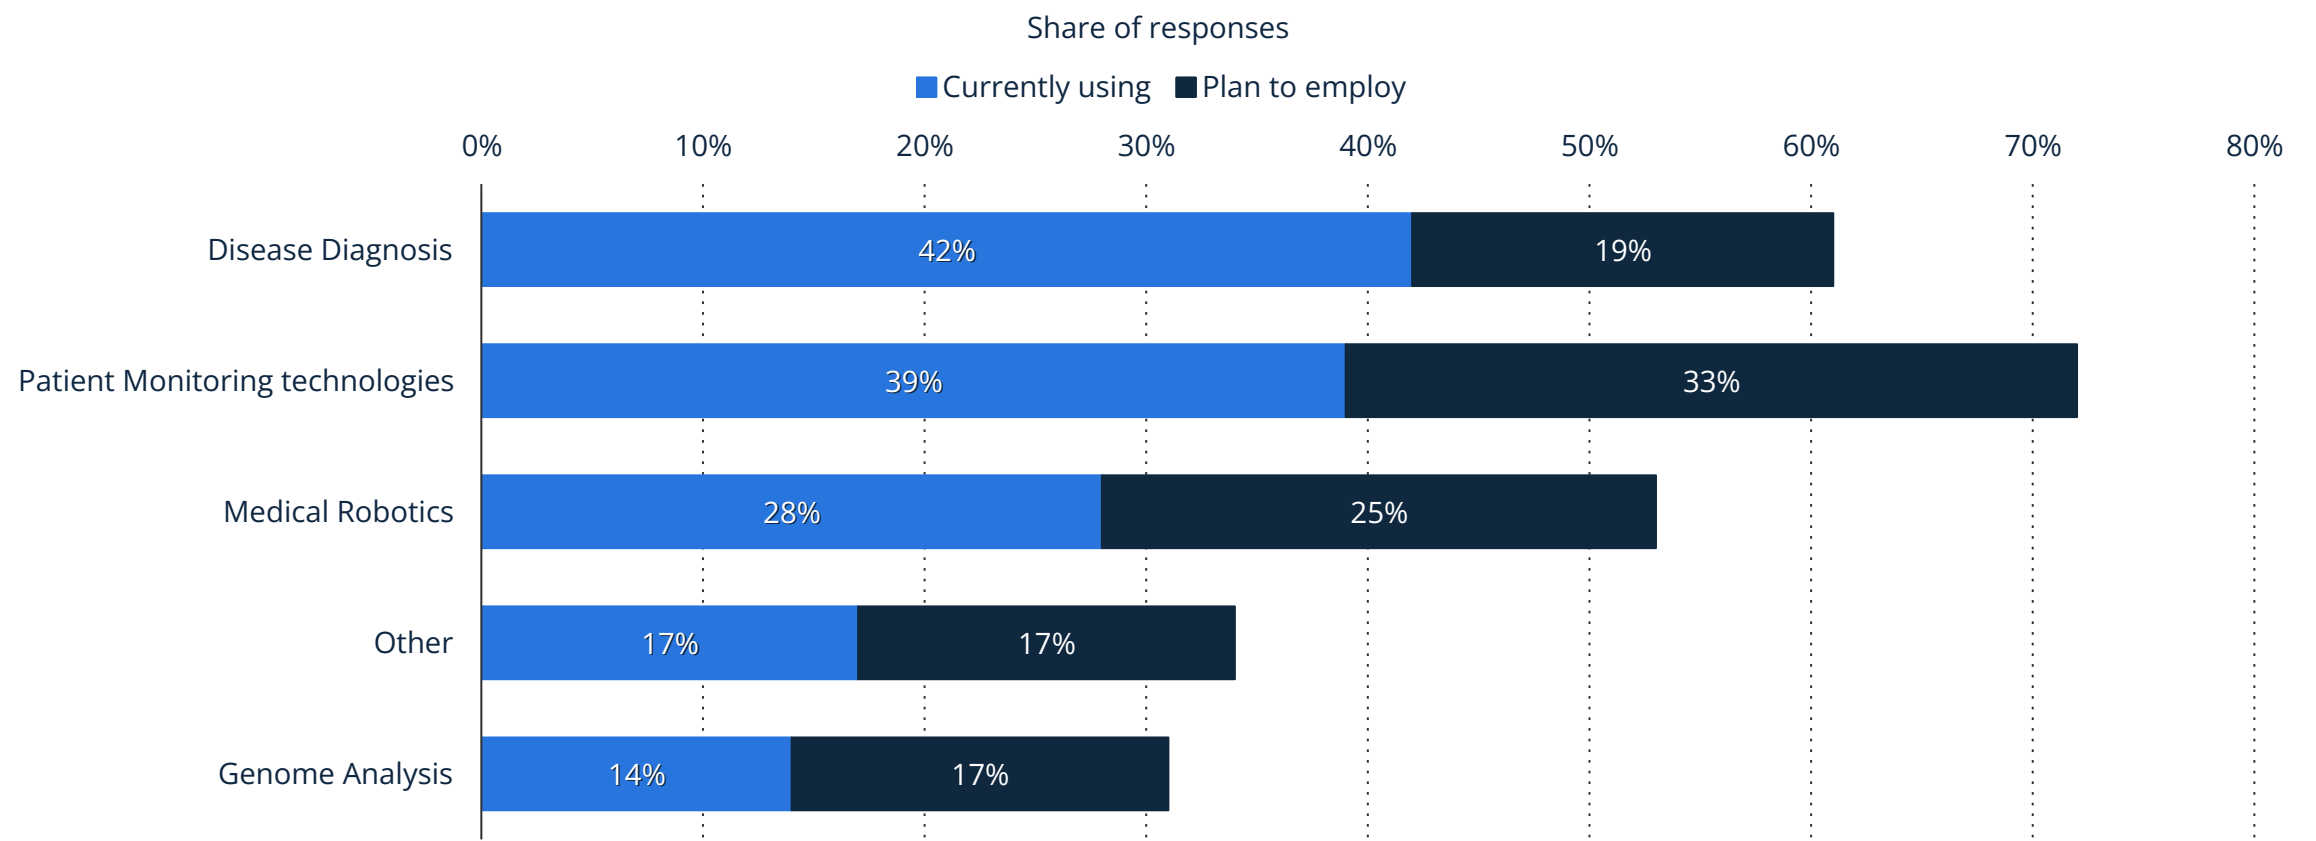

Stage of generative artificial intelligence adoption in healthcare organizations in the United States as of 2024

Stage of generative AI adoption in healthcare organizations in the U.S. 2024

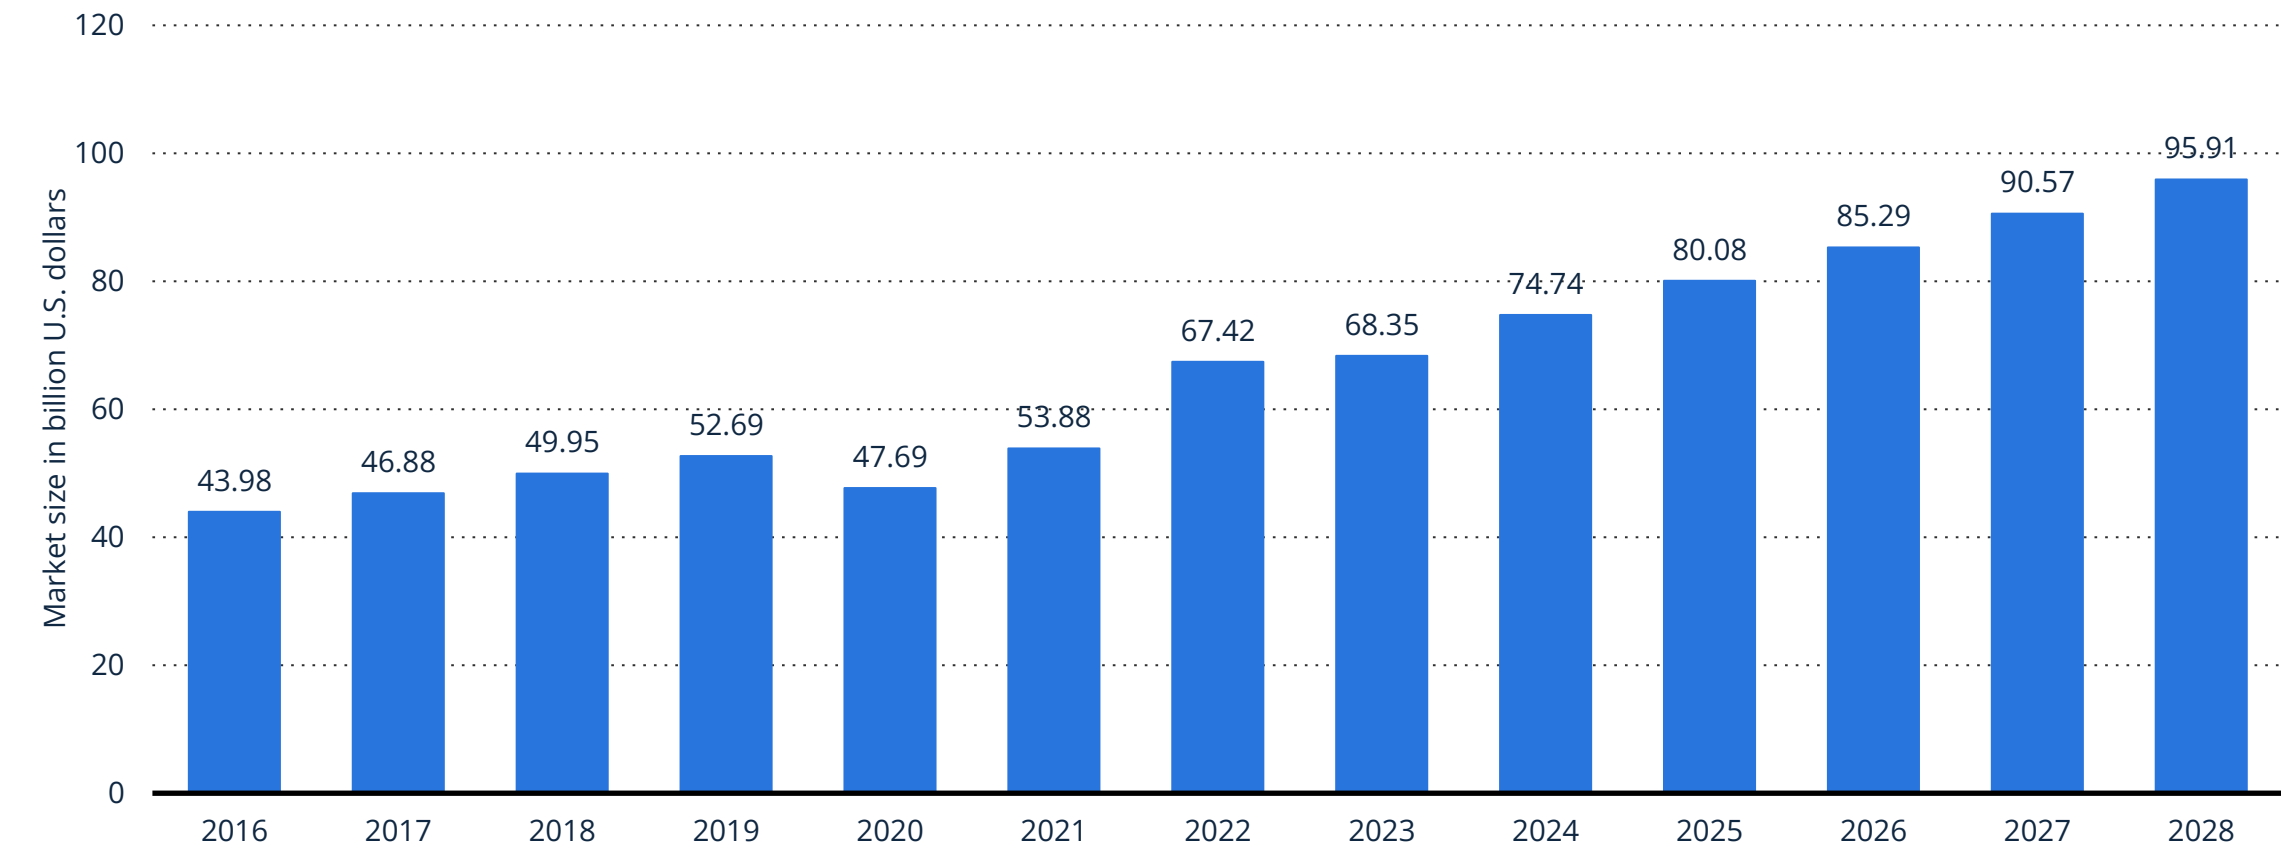

Share of AI technologies used or planned to be used in the healthcare sector in the European Union as of 2021, by technology

Level of adoption of AI in healthcare in the EU in 2021, by technology

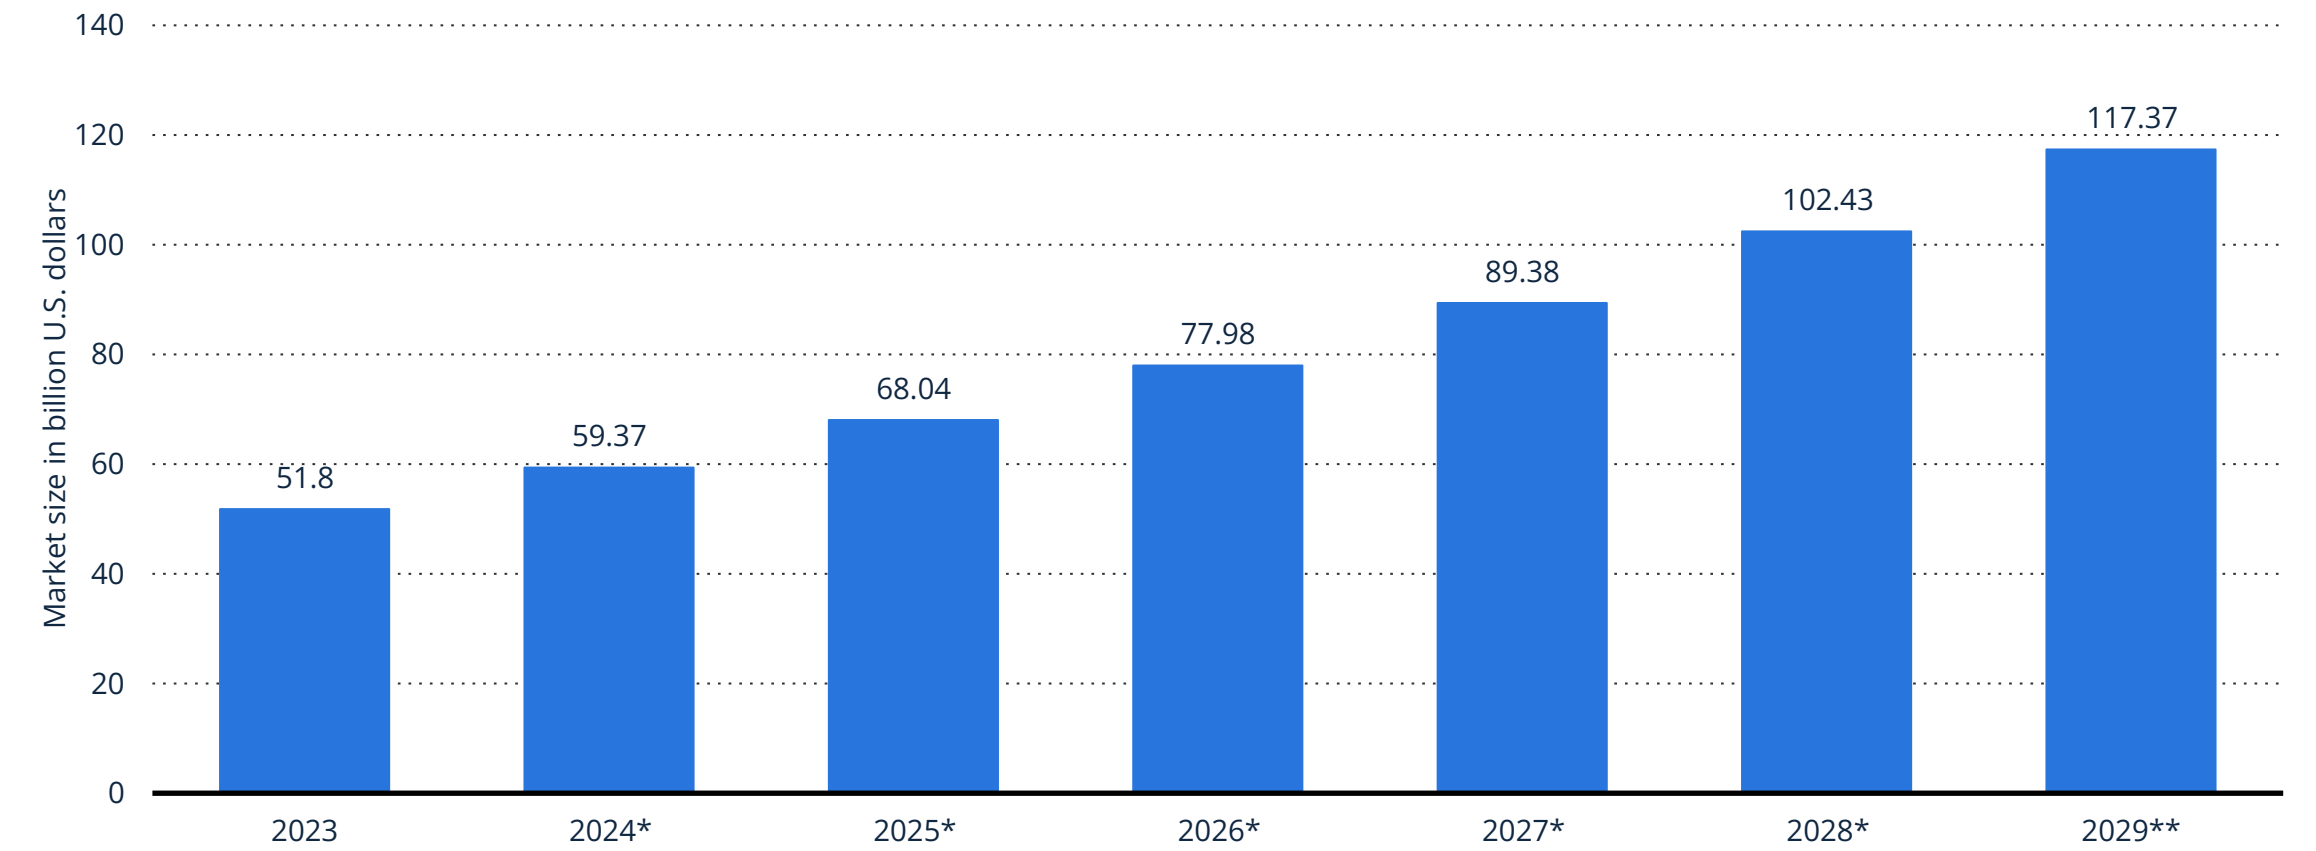

Cardiology devices market revenue worldwide from 2016 to 2028 (in billion U.S. dollars)

Cardiology devices market revenue worldwide 2016-2028

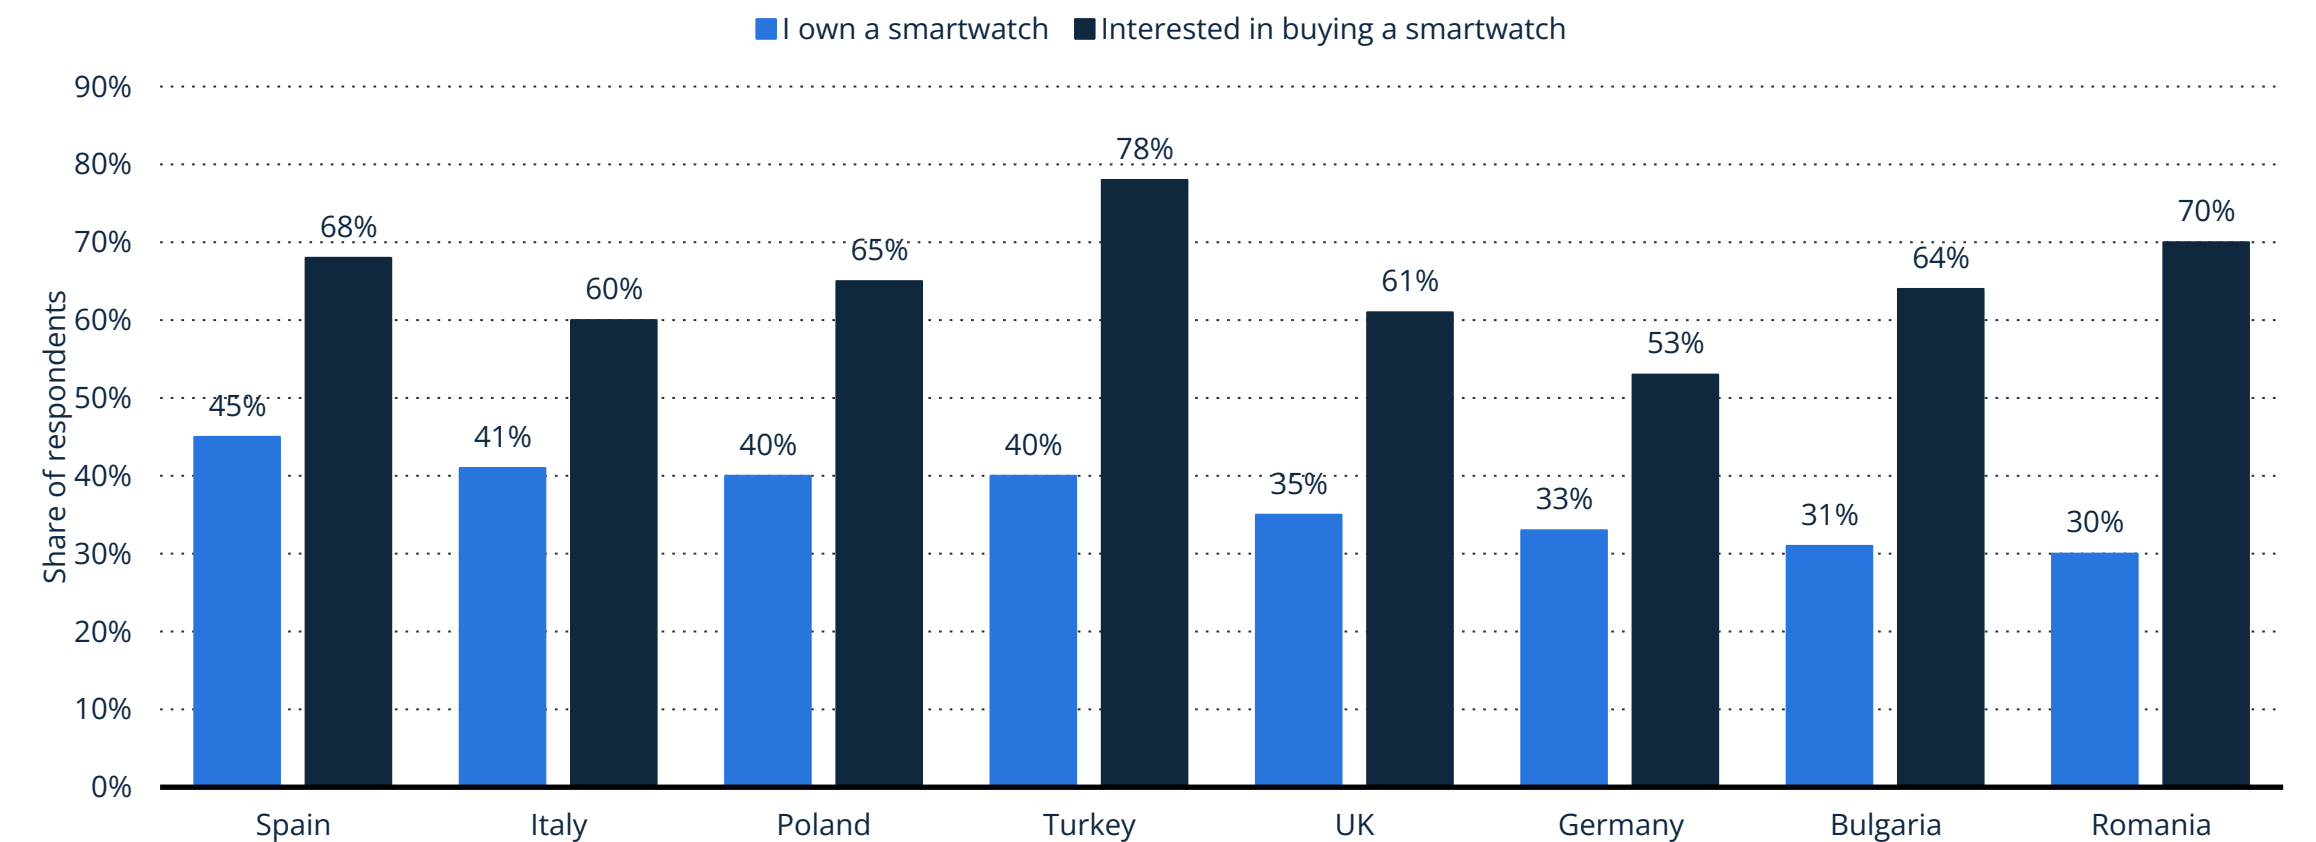

Size of the femtech market worldwide from 2023 to 2029 (in billion U.S. dollars)

Global femtech market size 2023-2029

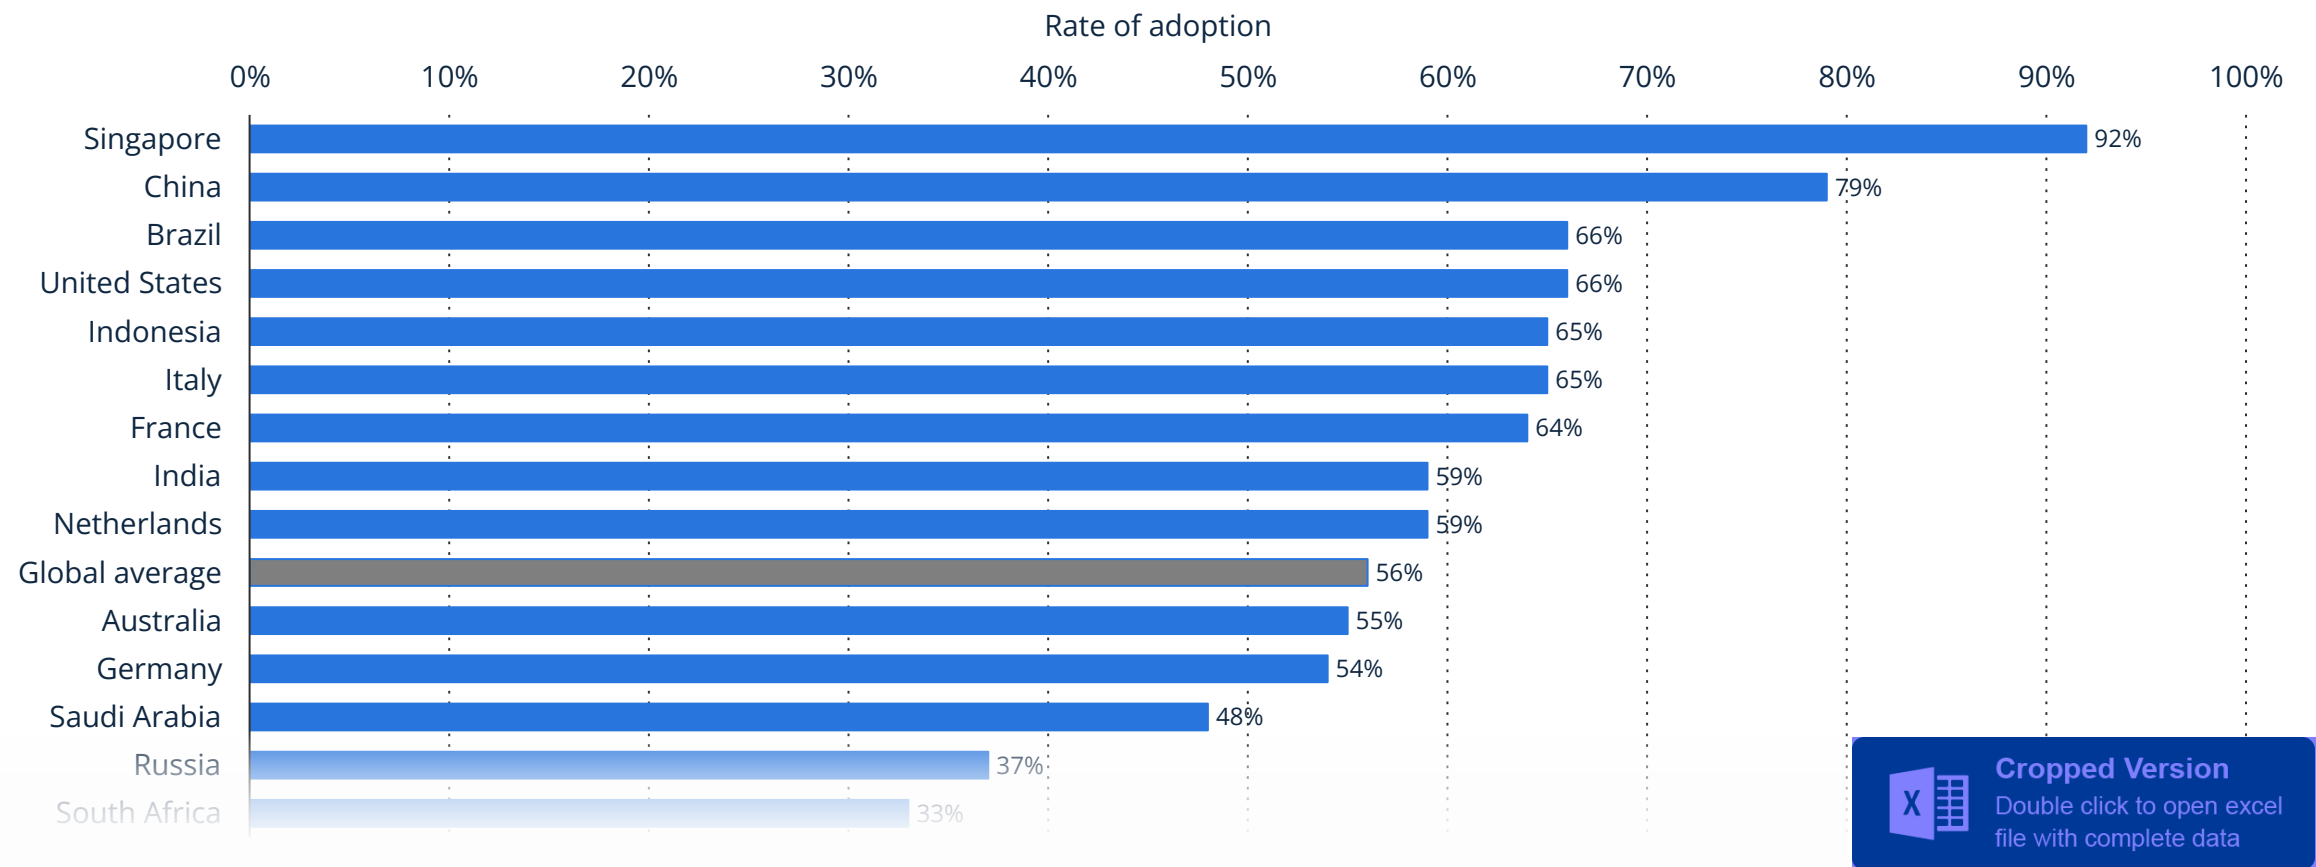

Smartwatch use and interest for health purposes in Europe in 2023, by country

Smartwatch use and interest for health purposes in Europe 2023, by country

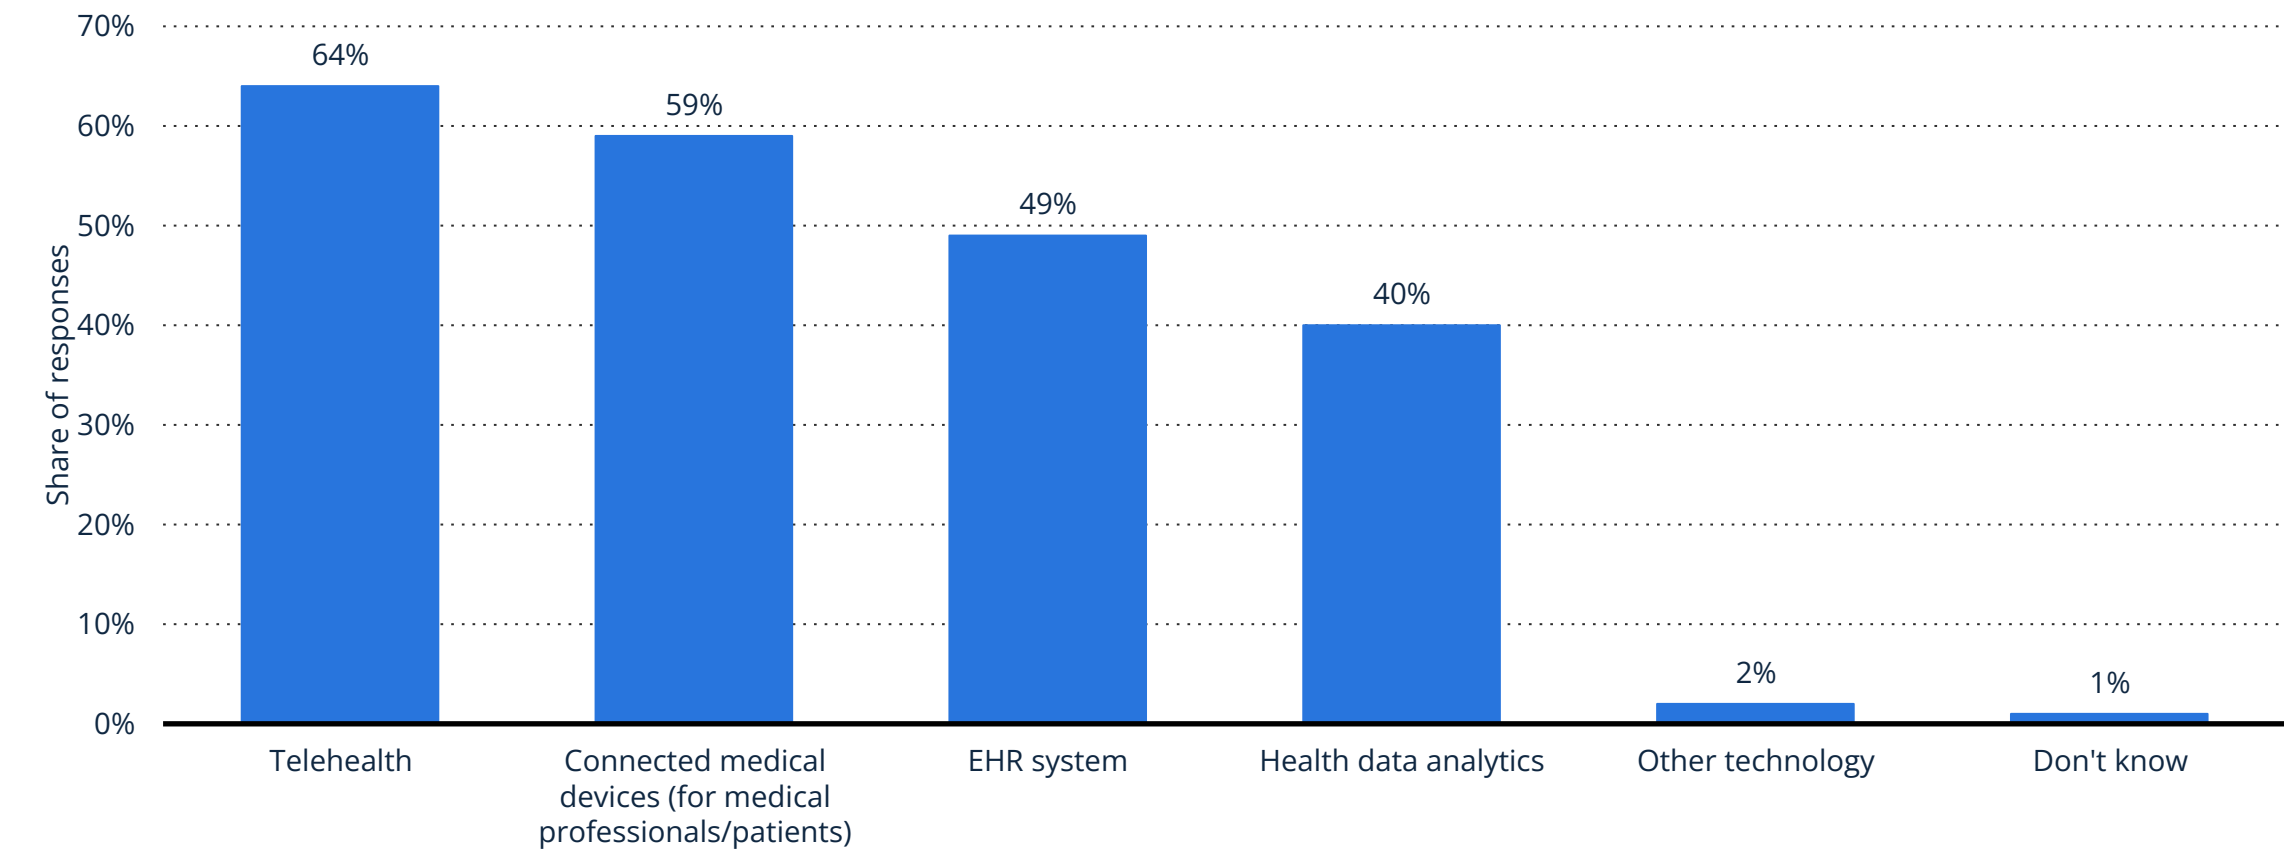

Rate of adoption of predictive analytics in healthcare in selected countries worldwide in 2022

Rate of predictive analytics adoption in healthcare worldwide in 2022, by country

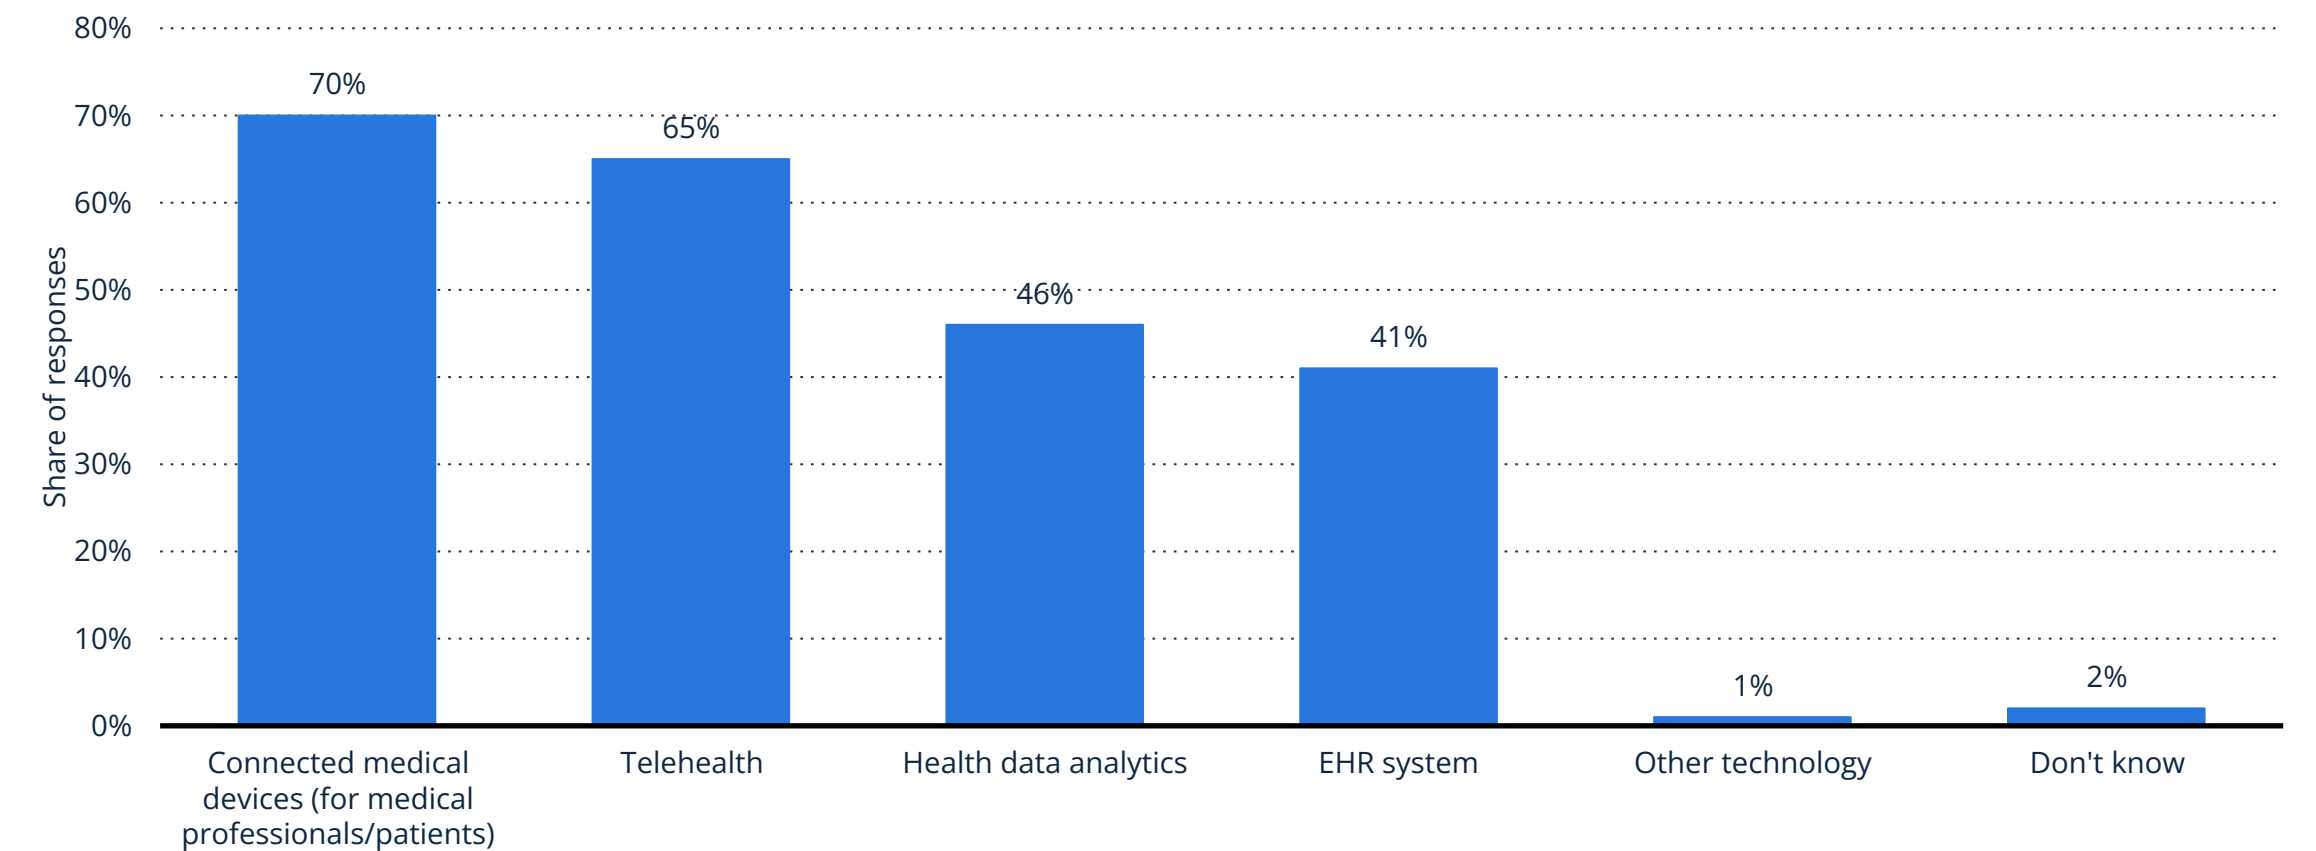

Technologies with the biggest impact in healthcare over the last year according to healthcare workers in the U.S. and the UK as of 2021

Technologies with the biggest impact on healthcare in the U.S. and the UK

Opinions on the technologies with the biggest impacts on the future of healthcare services in the U.S. and the UK in 2021

Future impact of technologies on future of healthcare in the U.S. and UK in 2021

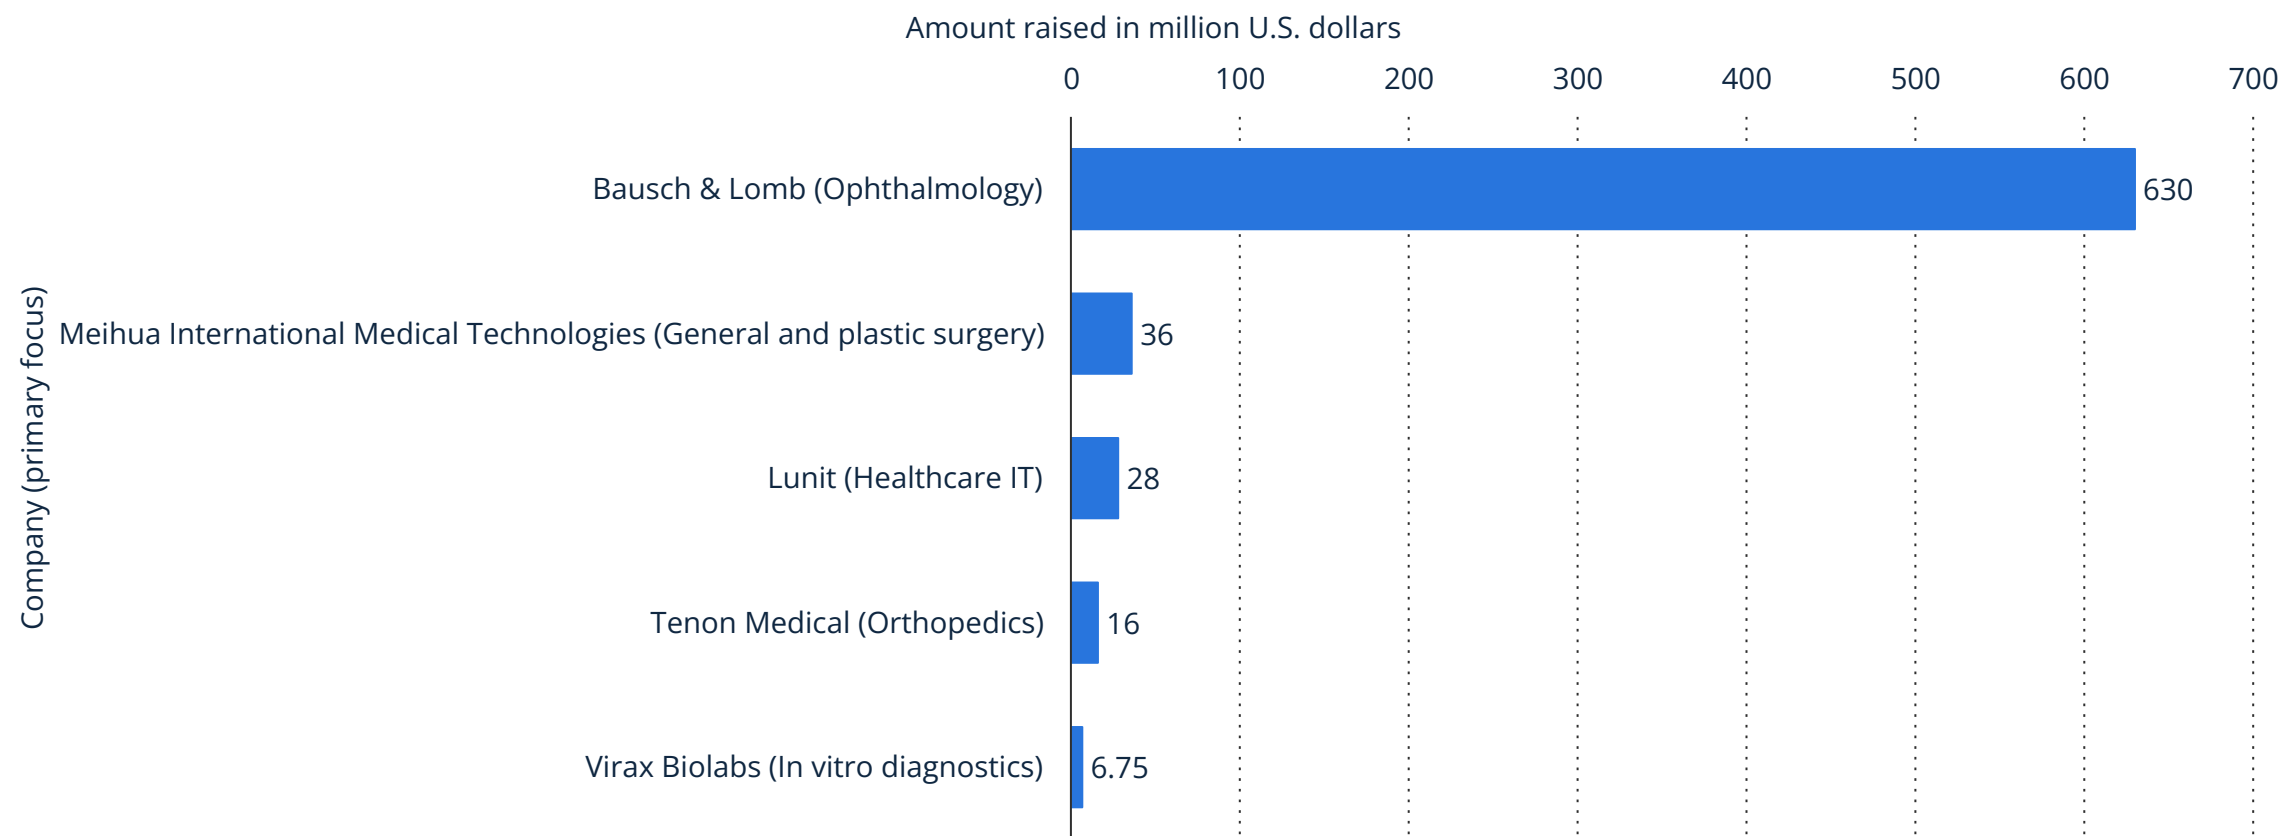

CHAPTER 04

IPOs, M&As, funding

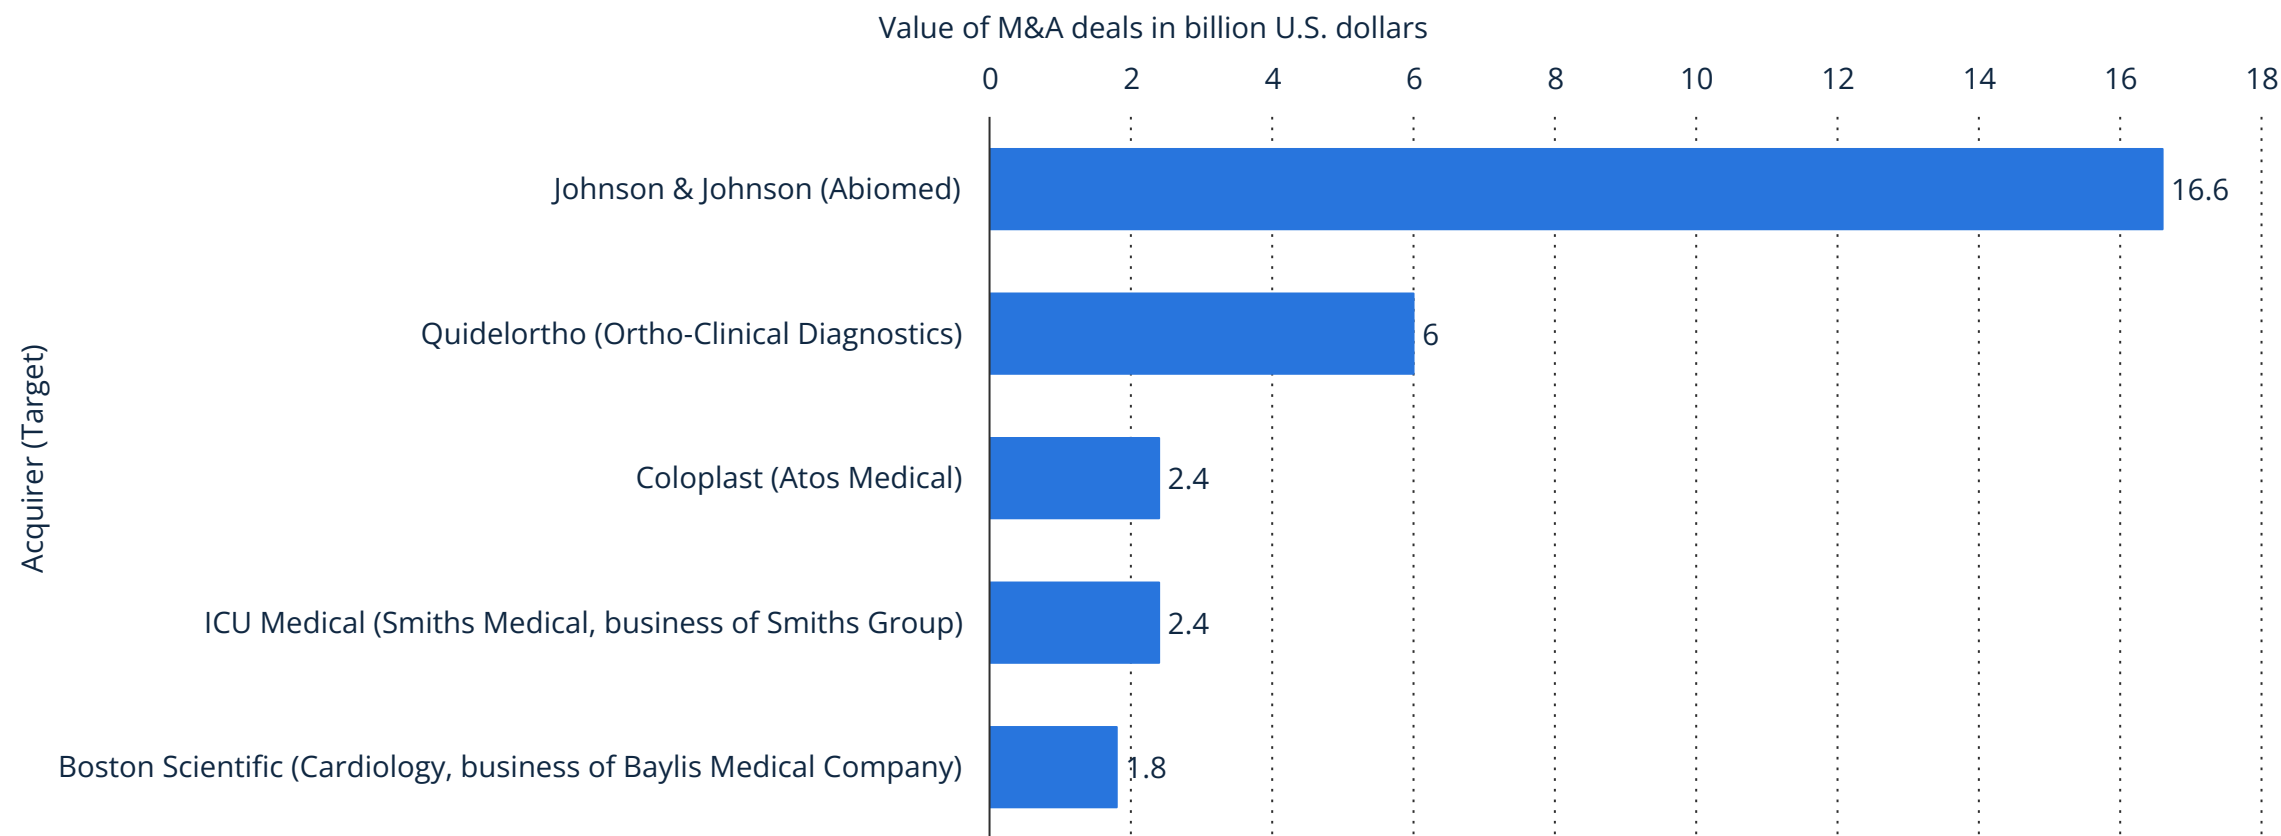

Value of global medical technology IPO deals in 2022 (in million U.S. dollars)

Value of top five medtech IPO deals globally 2022

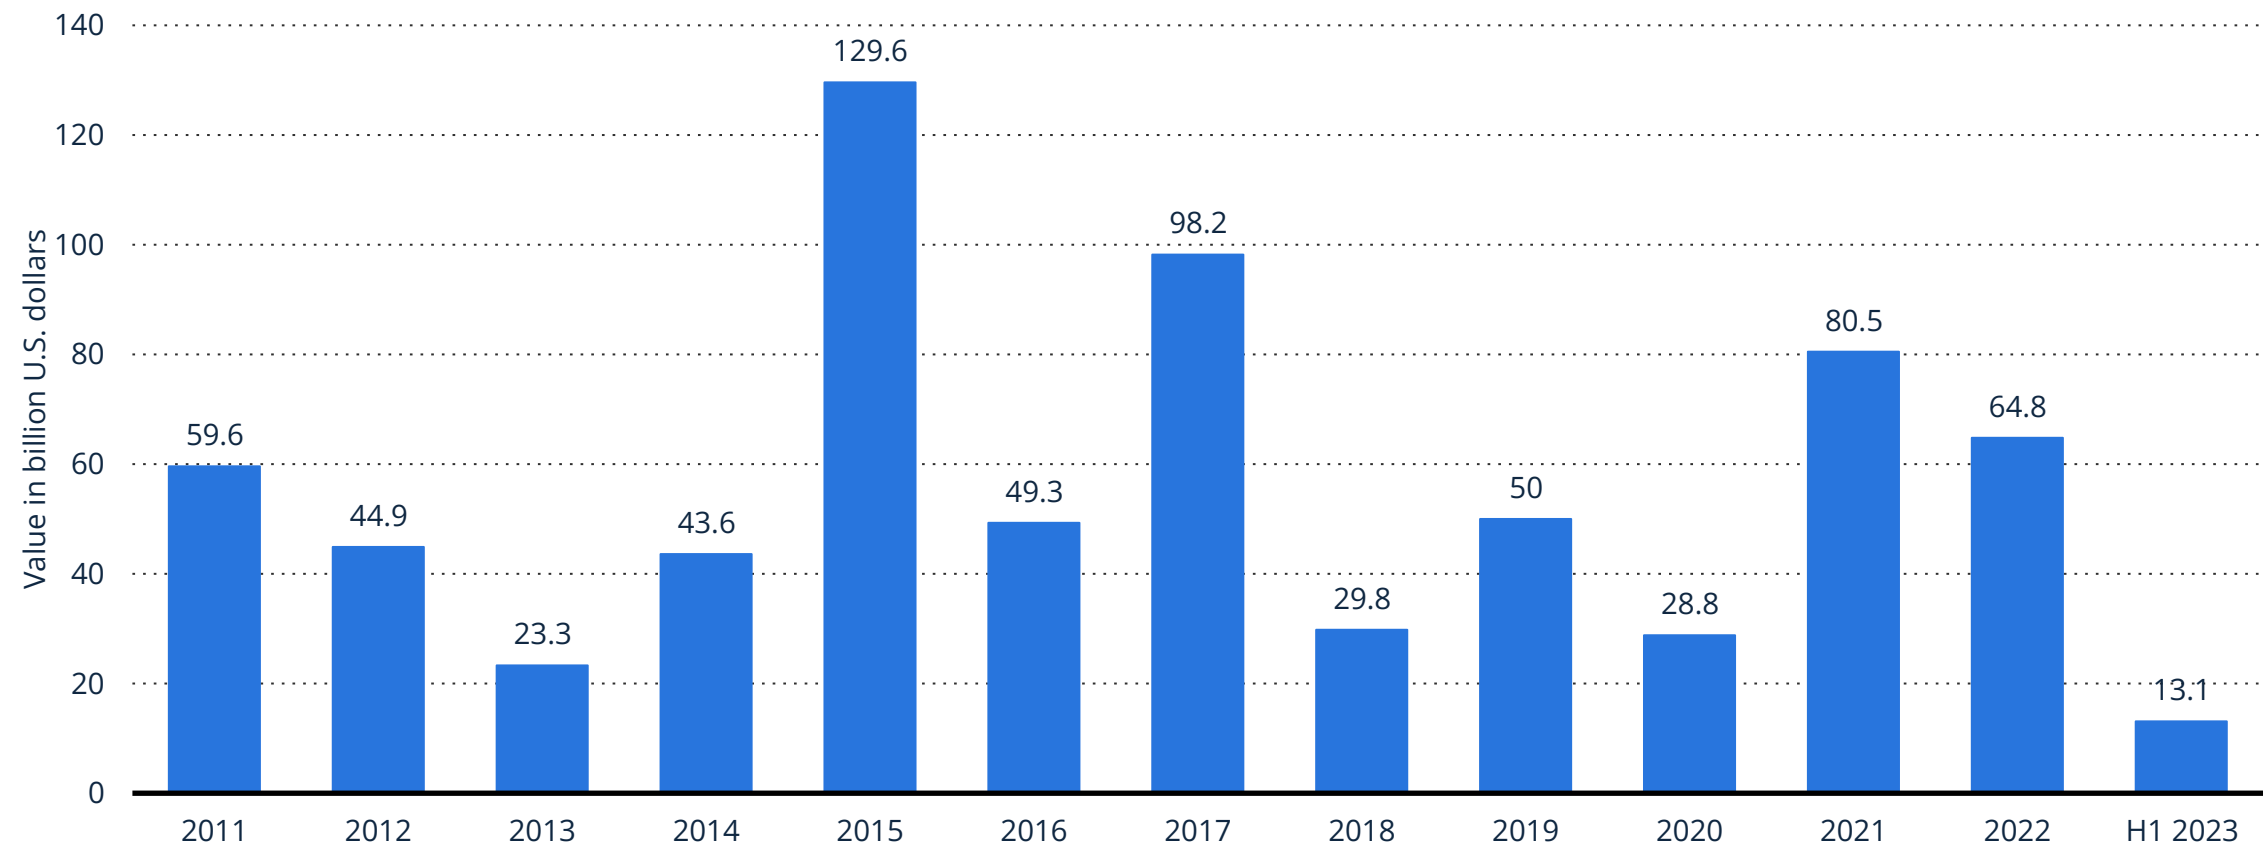

Top five medical technology M&A deals worldwide in 2022 (in billion U.S. dollars)

Value of top M&A medical technology company deals worldwide 2022

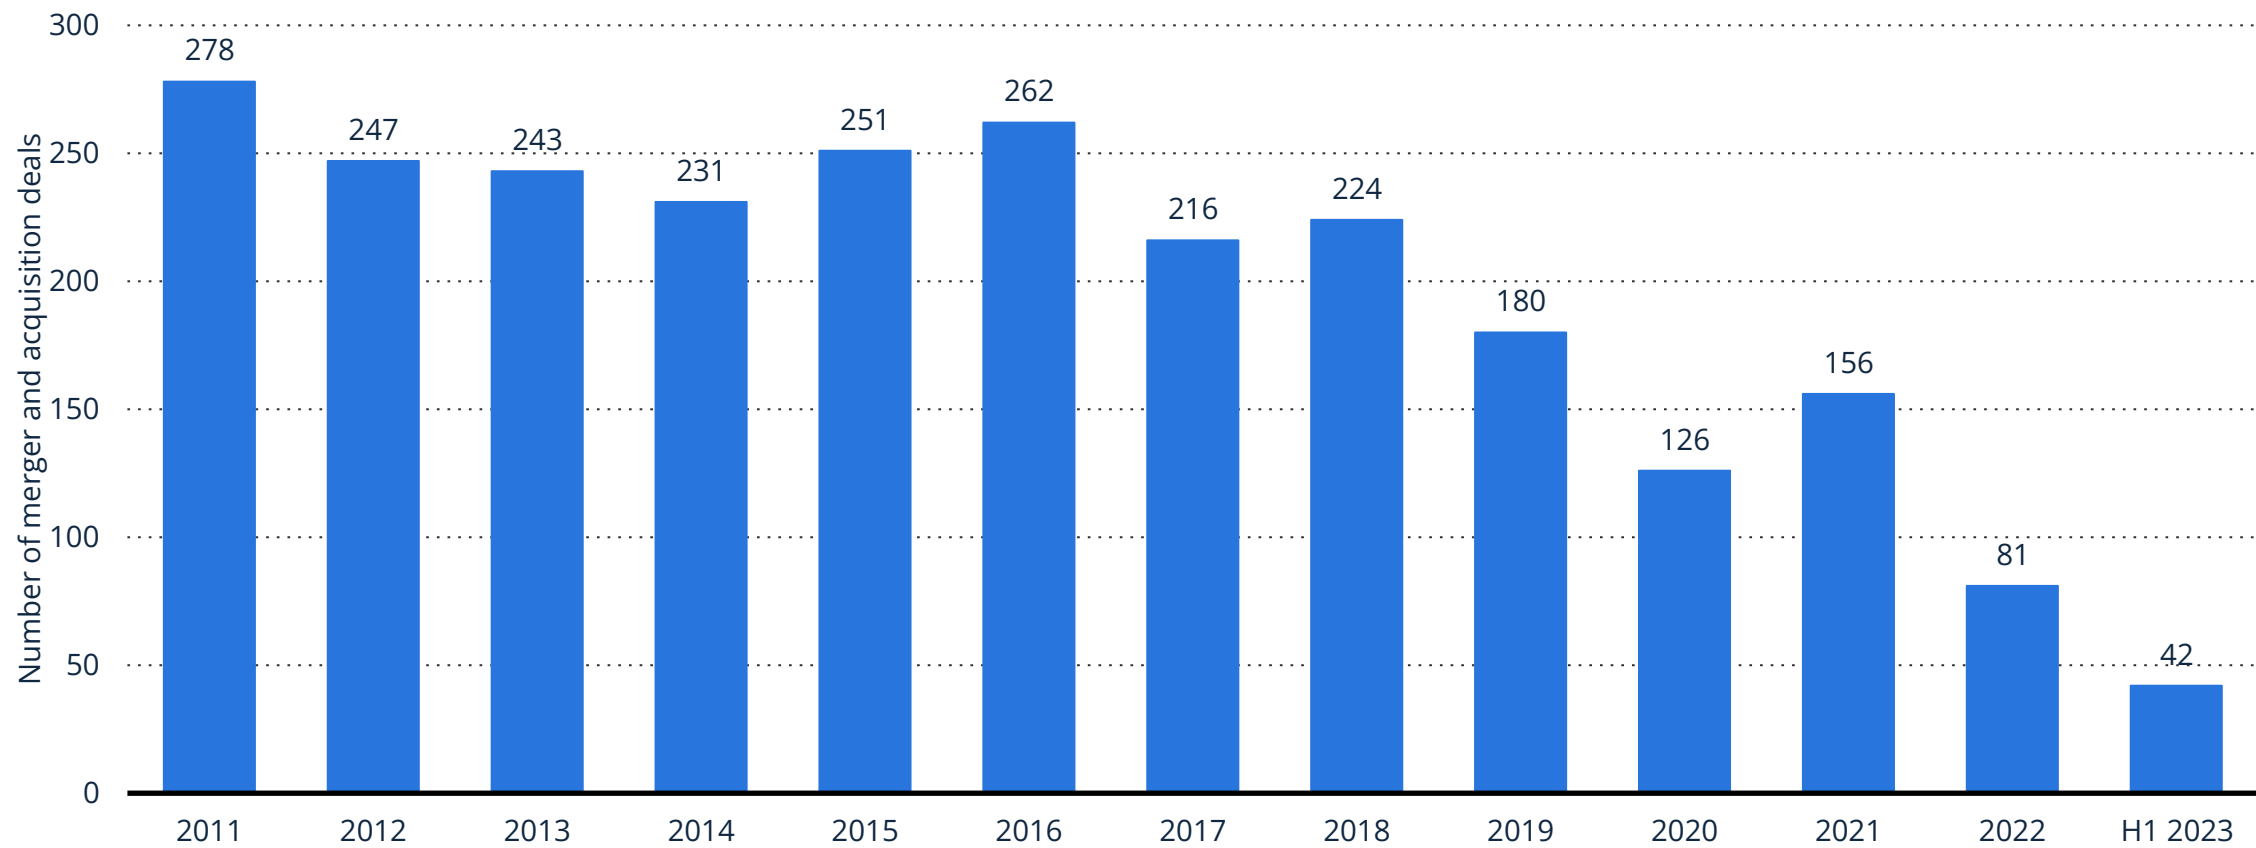

Value of merger and acquisition deals in the medical technology industry worldwide from 2011 to H1 2023 (in billion U.S. dollars)

Value of M&A medical technology company deals worldwide 2011-2023

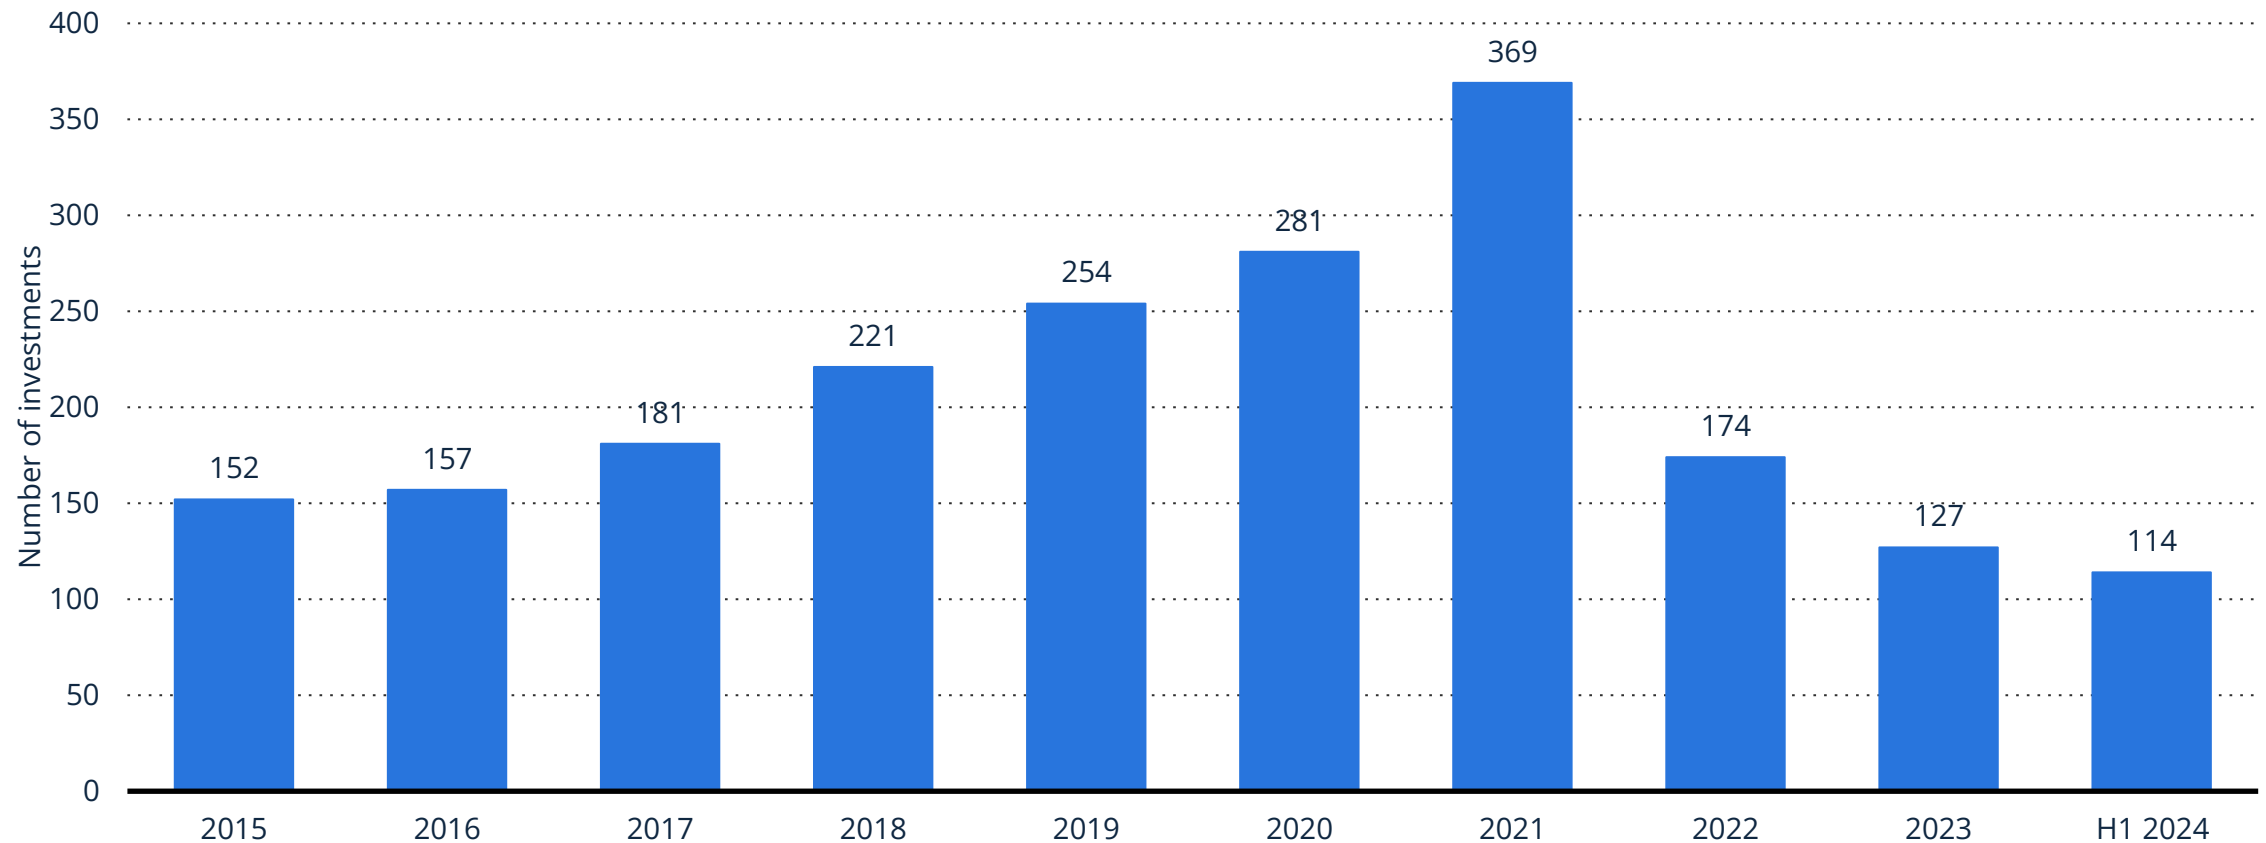

Number of merger and acquisition deals in the medical technology industry worldwide from 2011 to 2023

Number of M&A deals in medical technology worldwide 2011-2023

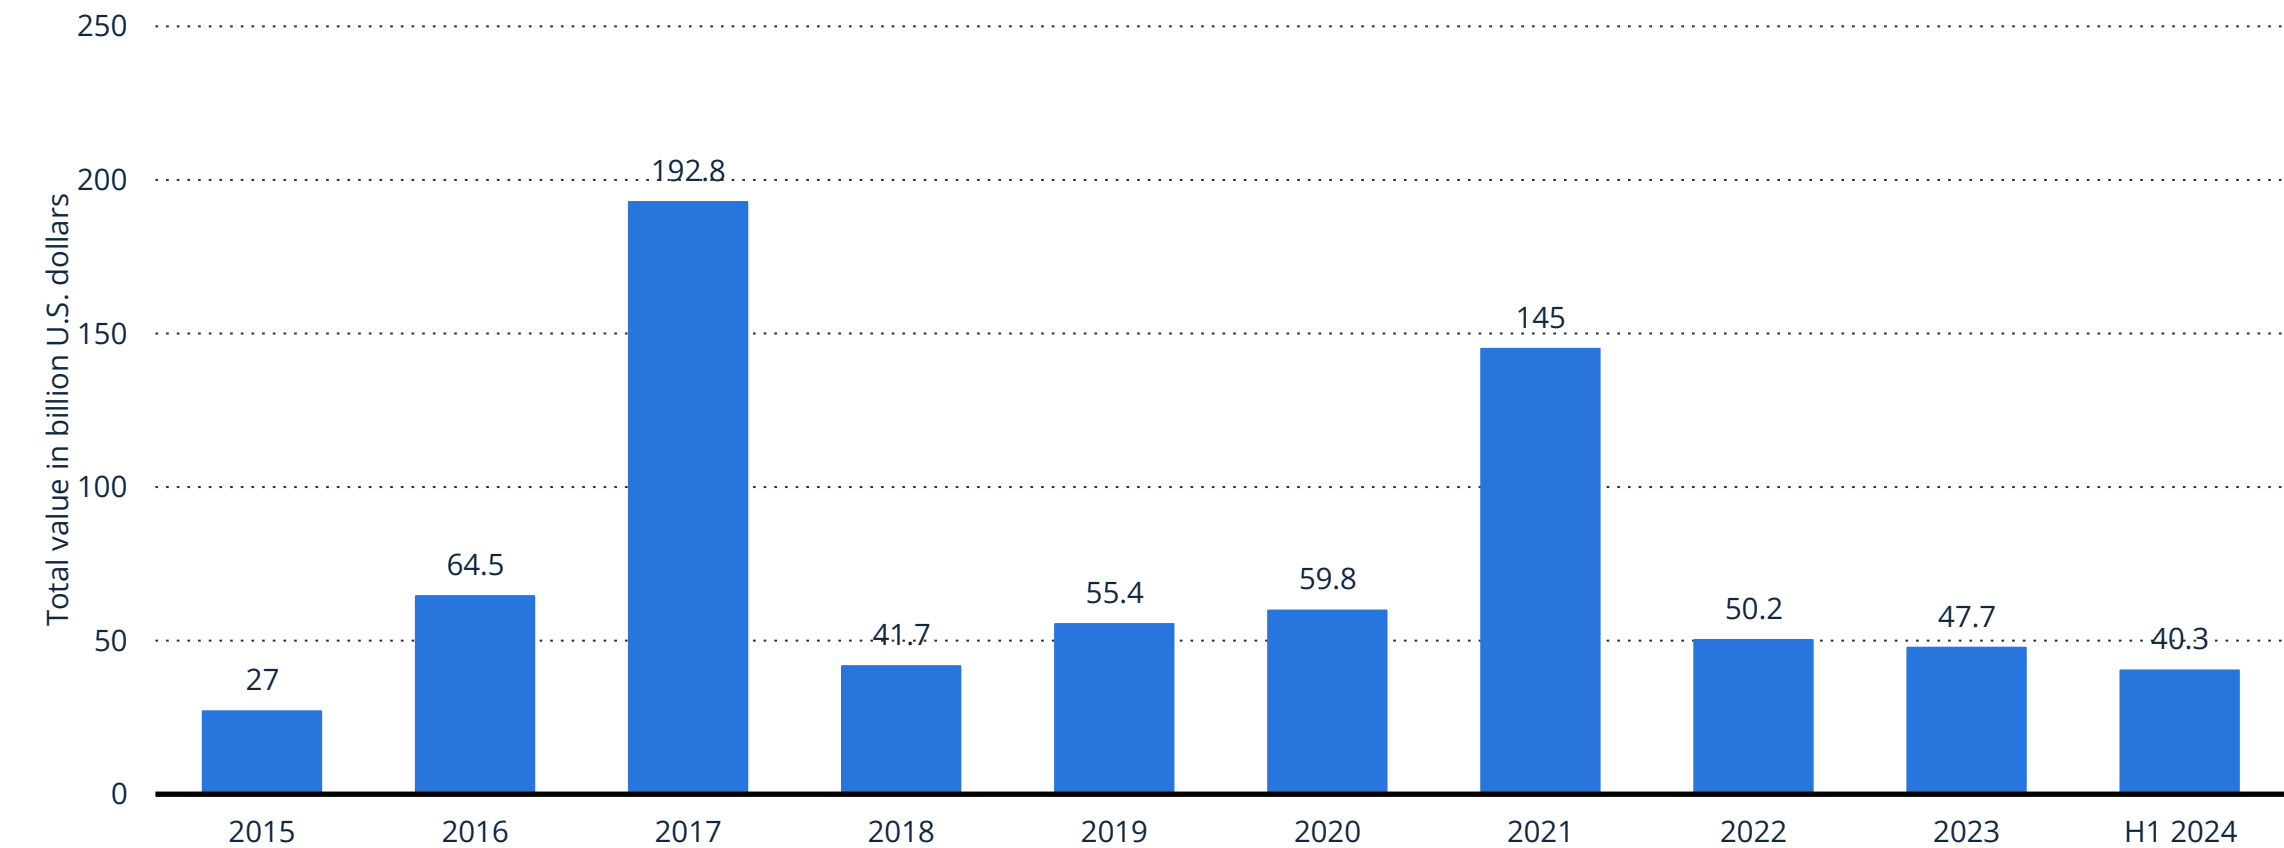

Annual number of M&A deals in the medical technology industry in the United States from 2015 to 2024

M&A deals in the medical technology industry in the U.S. 2015-2024

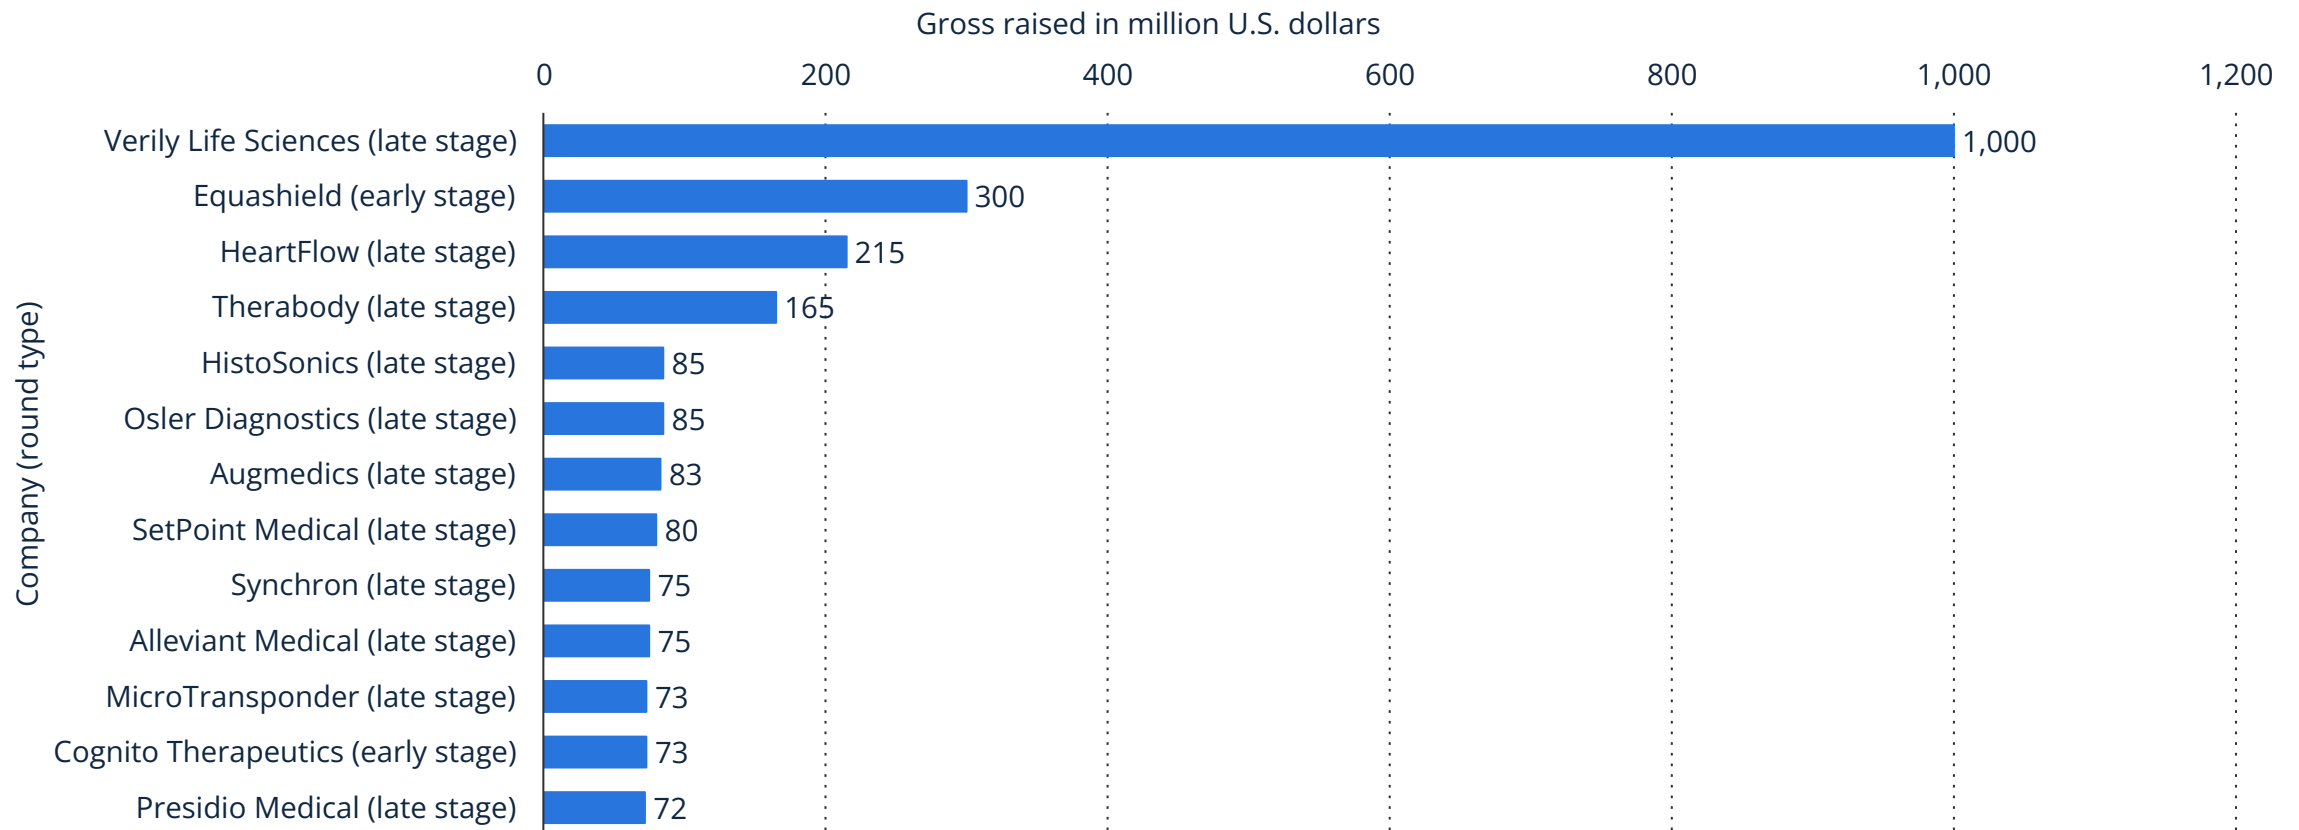

Total value of M&A deals completed in the medical technology industry in the United States from 2015 to 2024 (in billion U.S. dollars)

M&A deal value in the medical technology industry in the U.S. 2015-2024

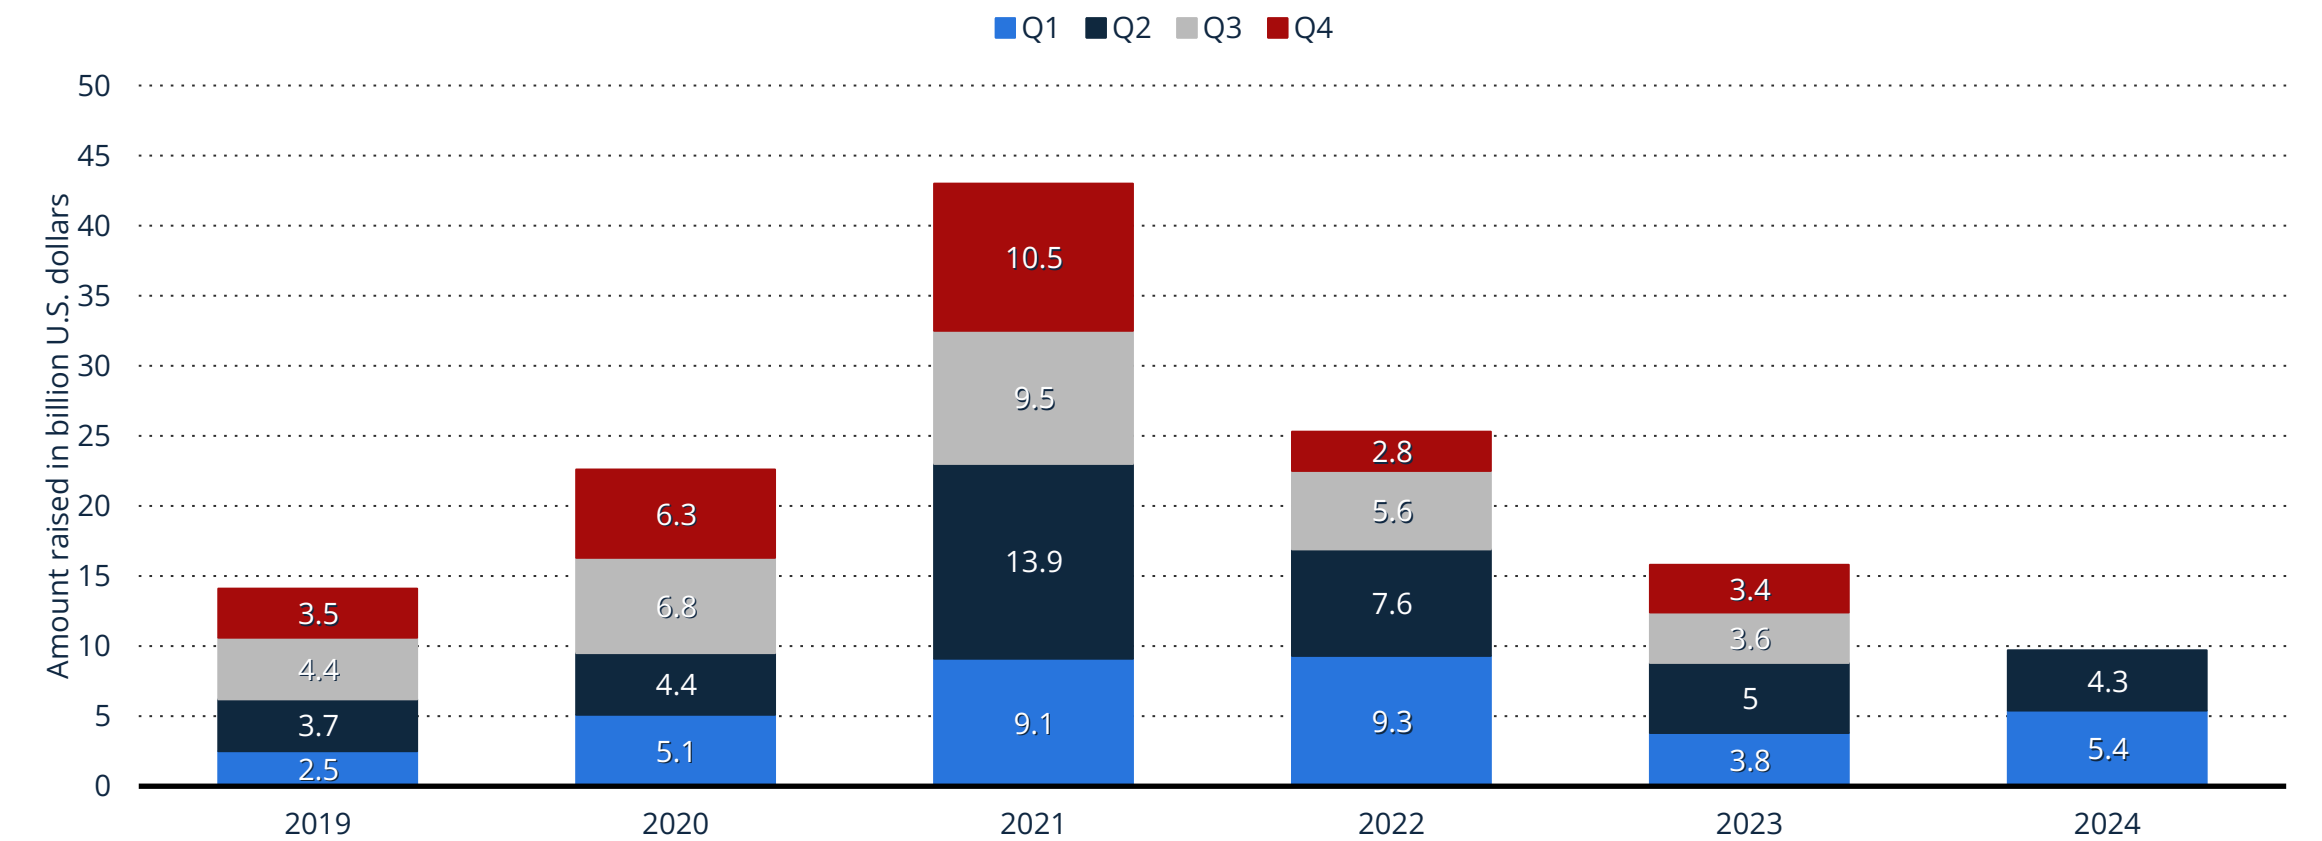

Top medtech venture rounds in the U.S. based on gross raised between July 2022 and June 2023 (in million U.S. dollars)

Medtech ventures based on gross raised in the U.S. 2022/23

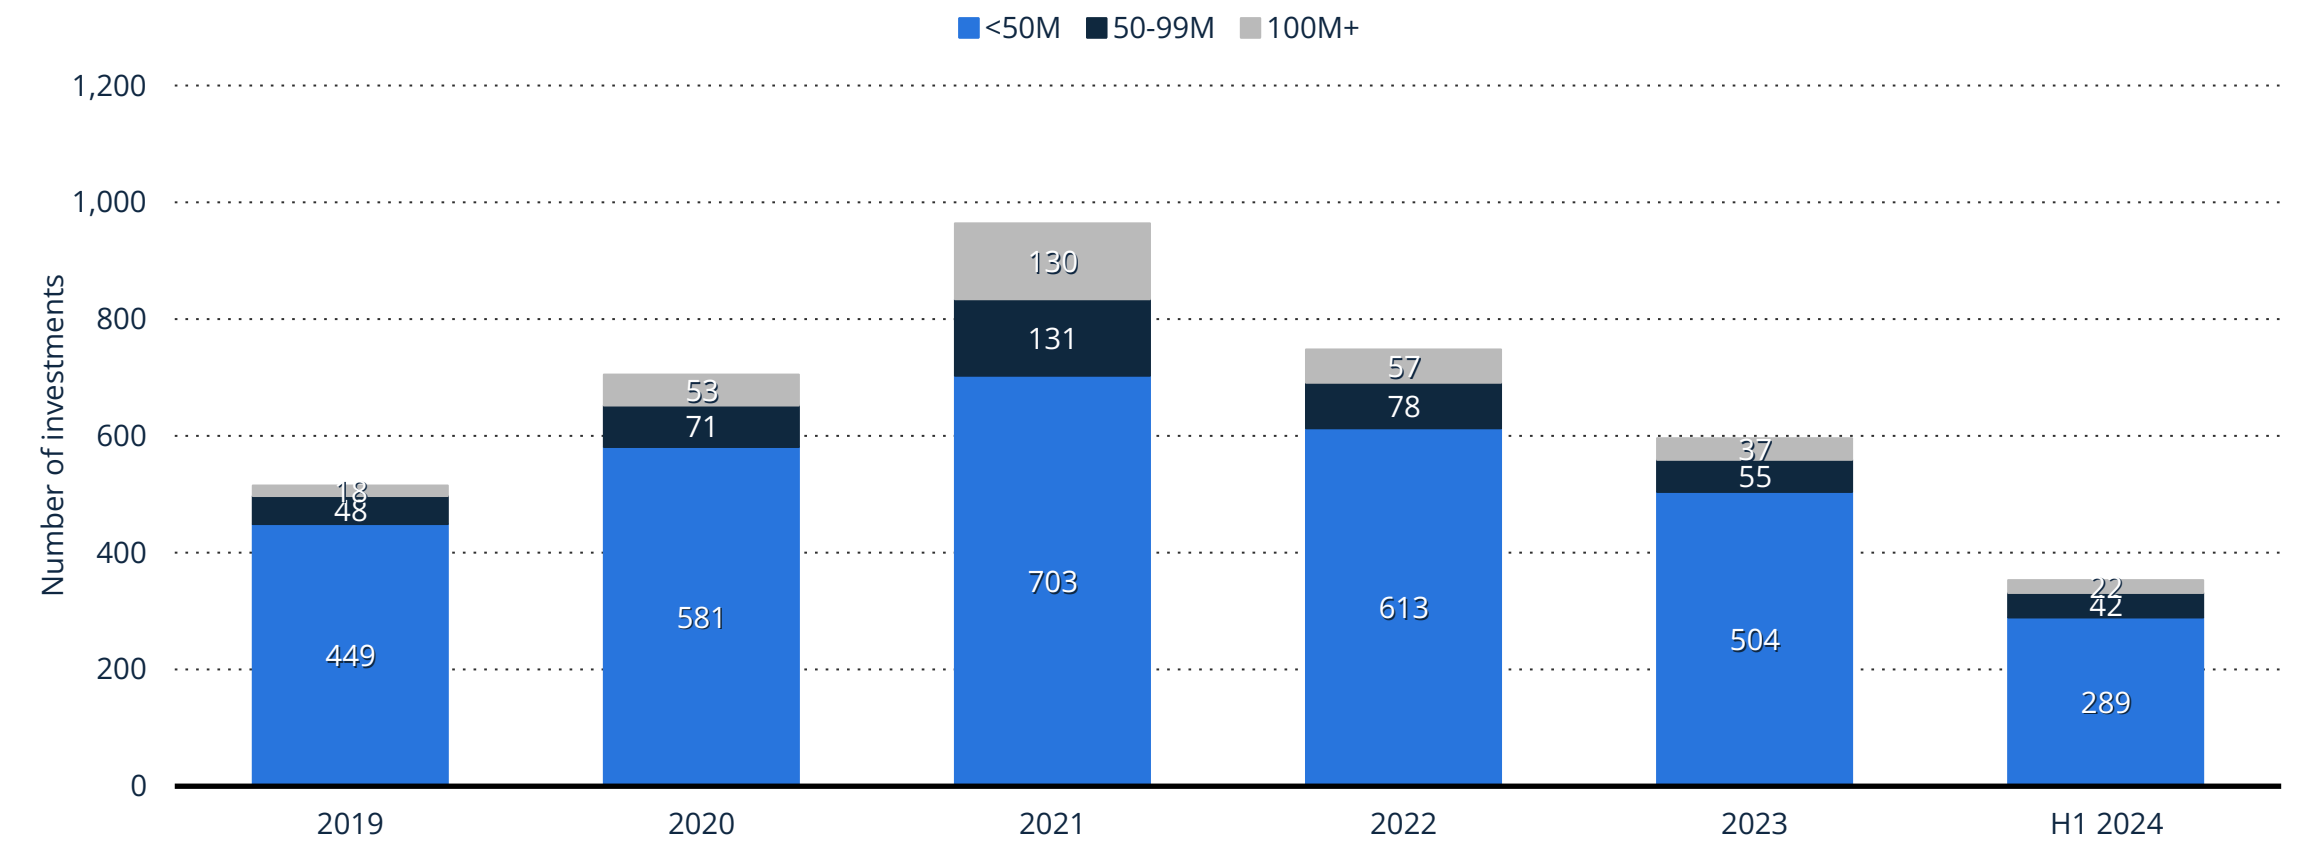

Annual value of venture investments in the medical technology industry in the United States from 2019 to 2024 (in billion U.S. dollars)

Venture investment value in the medical technology industry in the U.S. 2019-2024

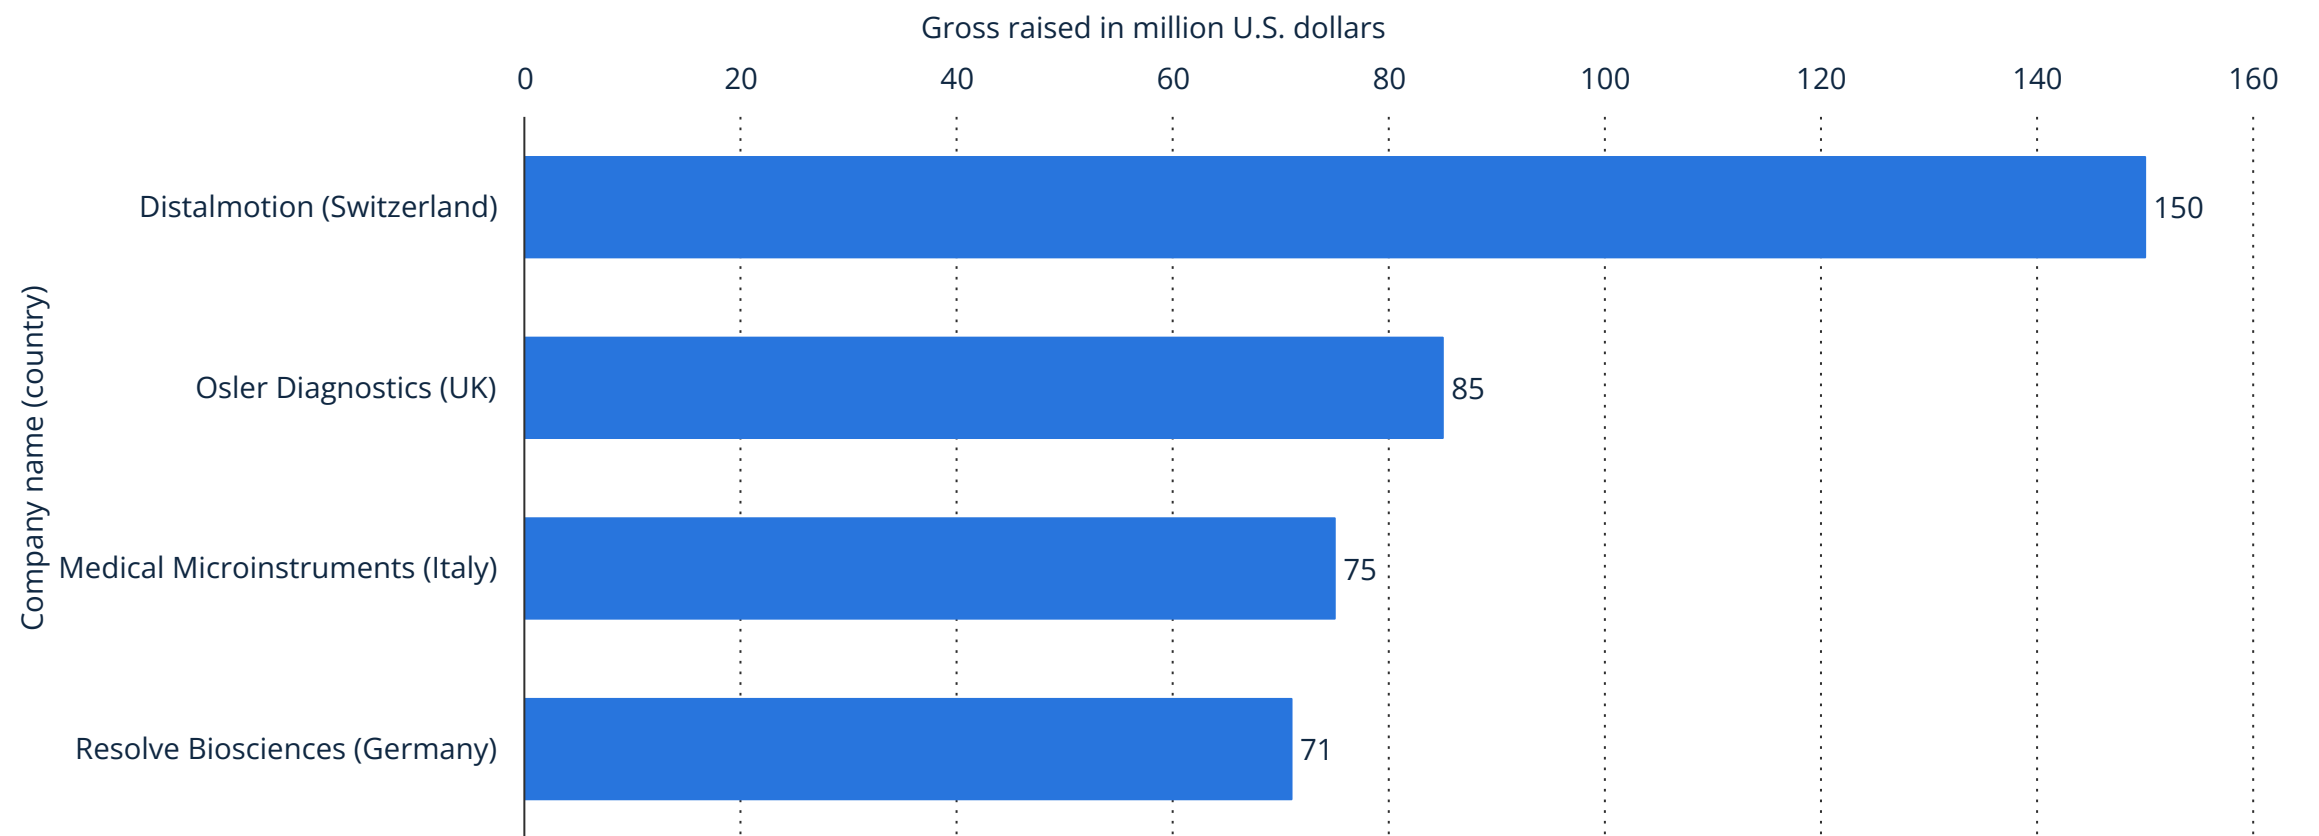

Number of venture investments in the medical technology industry in the United States from 2019 to 2024, by round size

Venture investment in the medical technology industry in the U.S. 2019-2024, by size

Top medtech venture rounds in Europe based on gross raised between July 2022 and June 2023 (in million U.S. dollars)

Top European medtech ventures by gross raised 2023

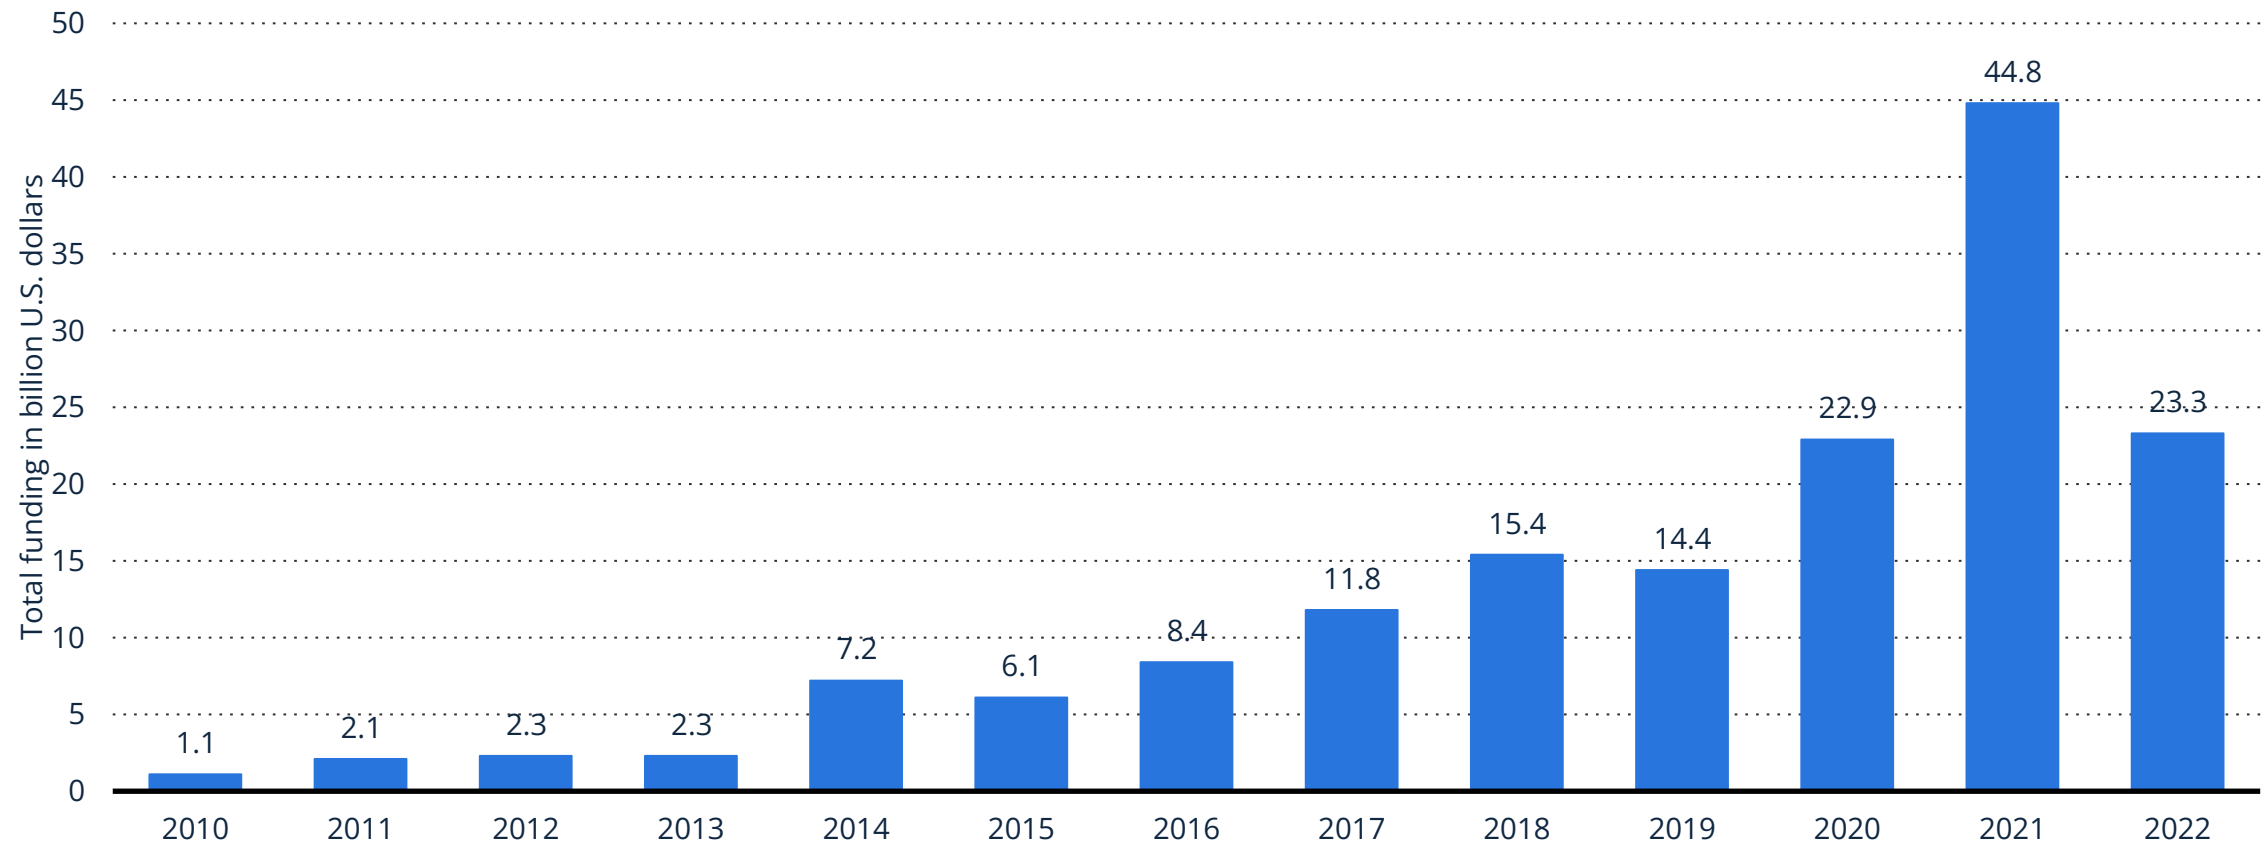

CHAPTER 05

Digital health

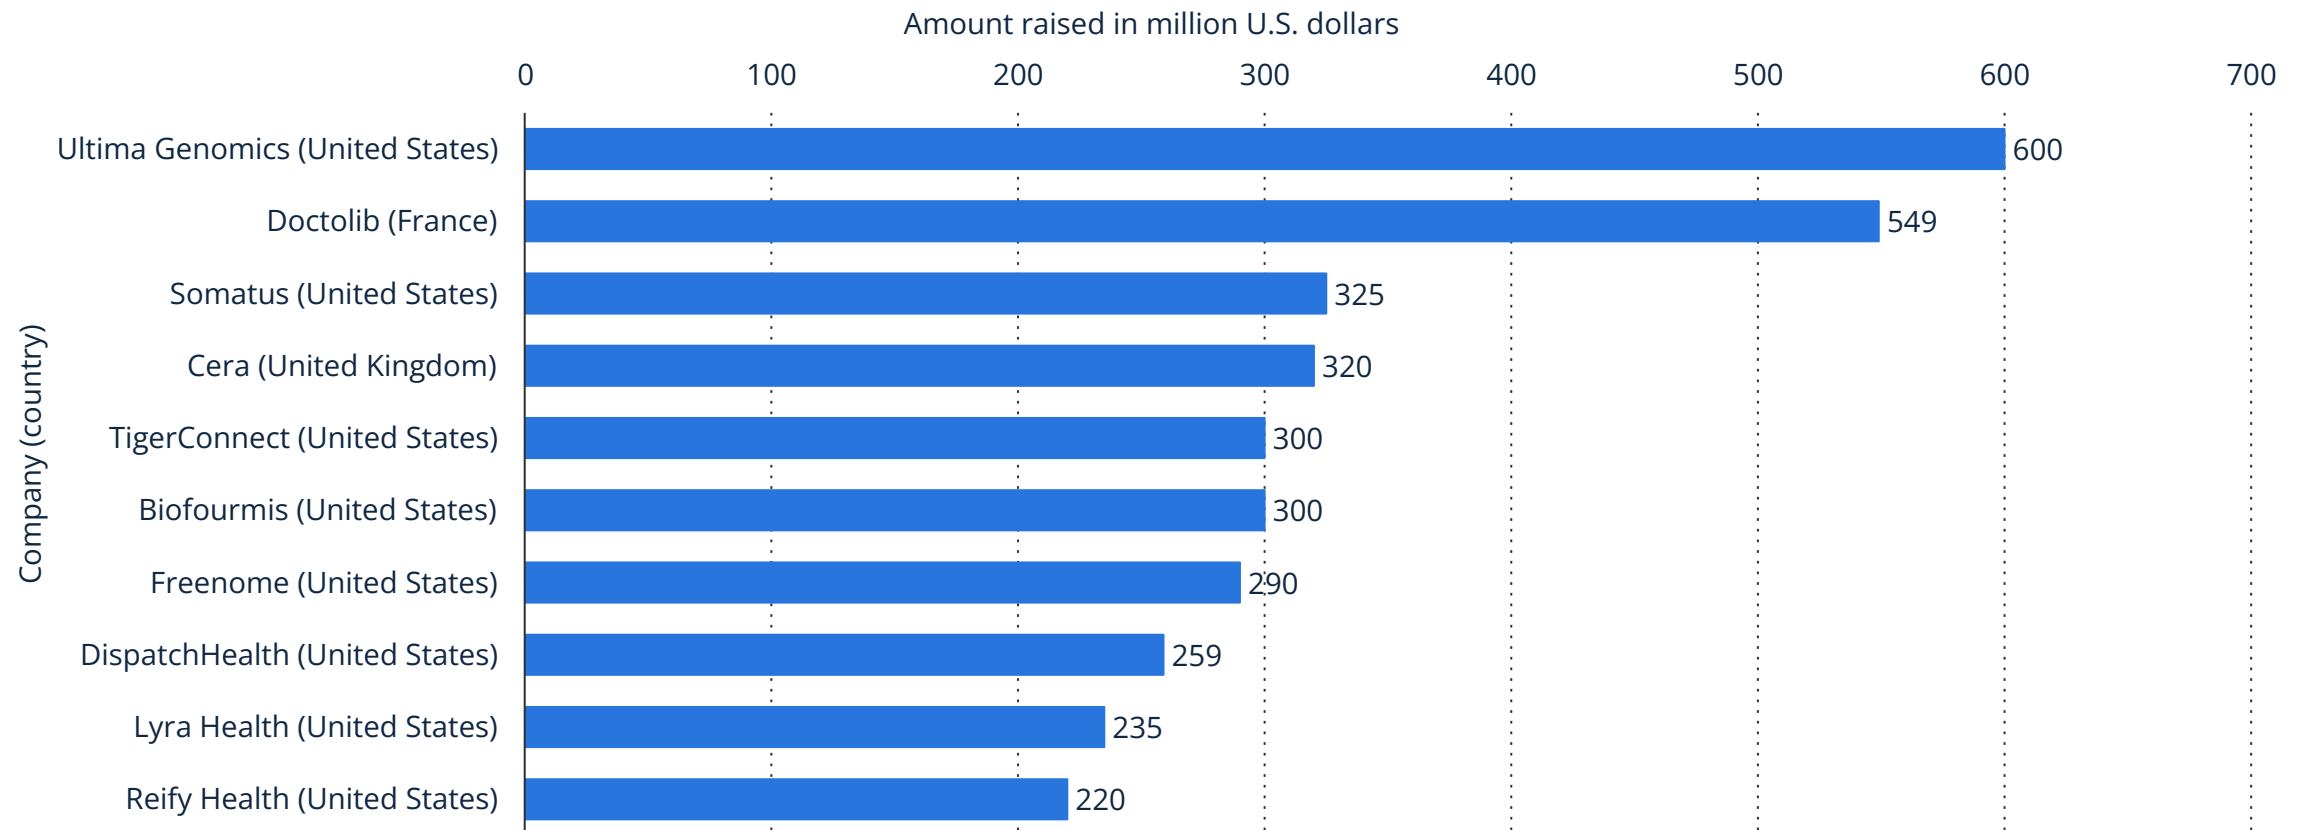

Total digital health industry funding worldwide from 2010 to 2022 (in billion U.S. dollars)

Investor funding in digital health industry 2010-2022

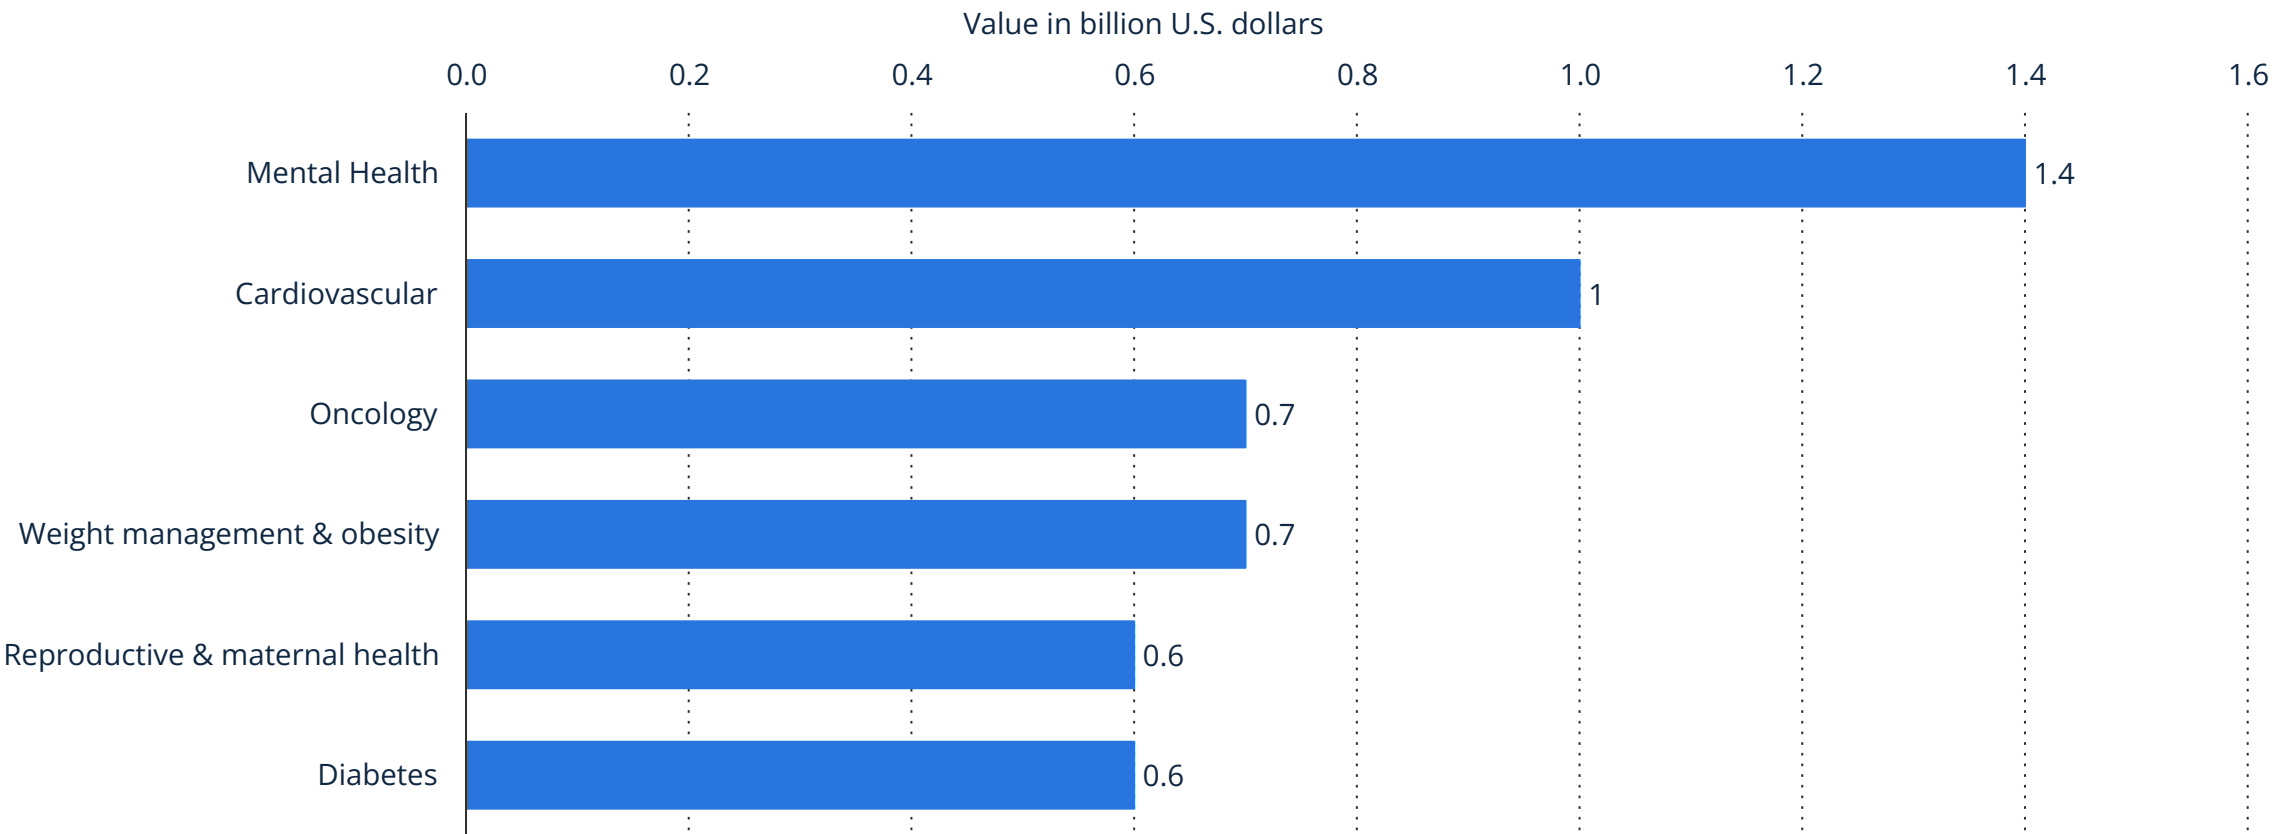

Top digital health deals worldwide based on invested funding in 2022, by receiving company (in million U.S. dollars)

Funding in top deals in digital health industry 2022

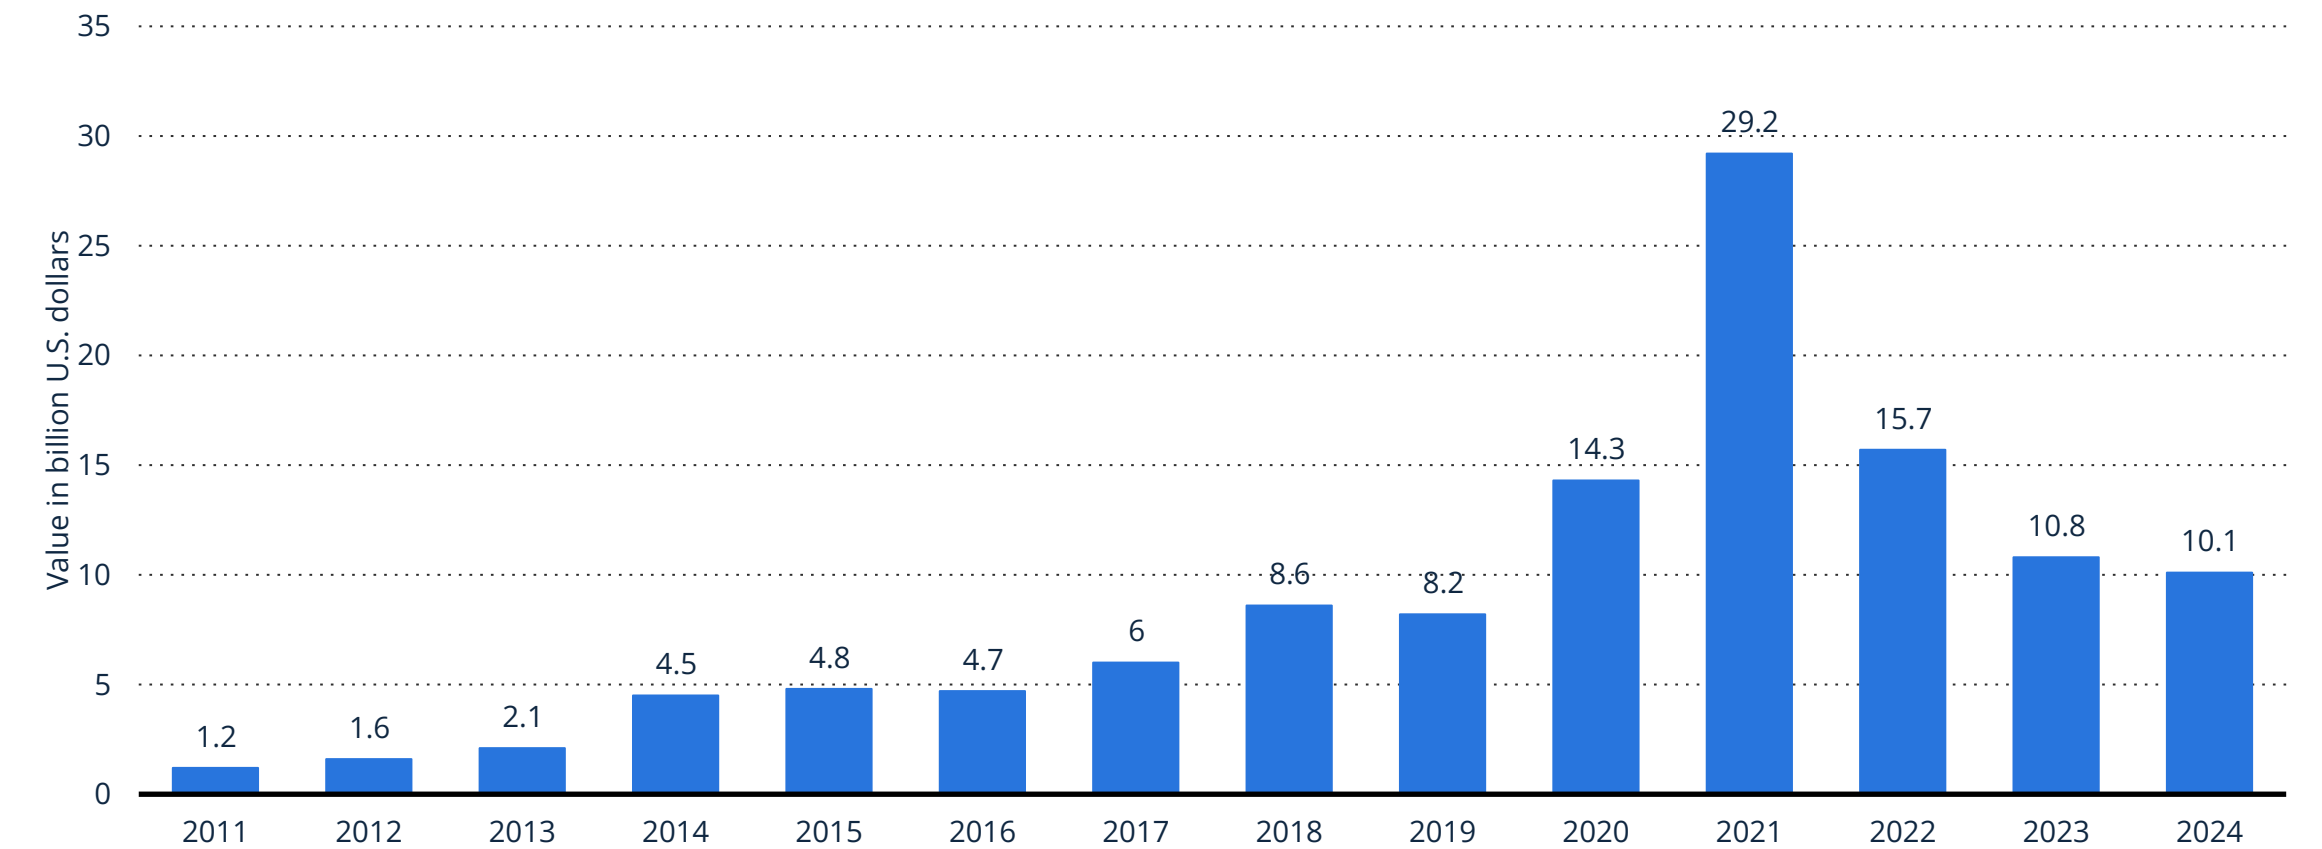

Top funded clinical indications of digital health start-ups in the United States in 2024 (in billion U.S. dollars)

Top funded digital health start-ups in the U.S. in 2024, by clinical indication

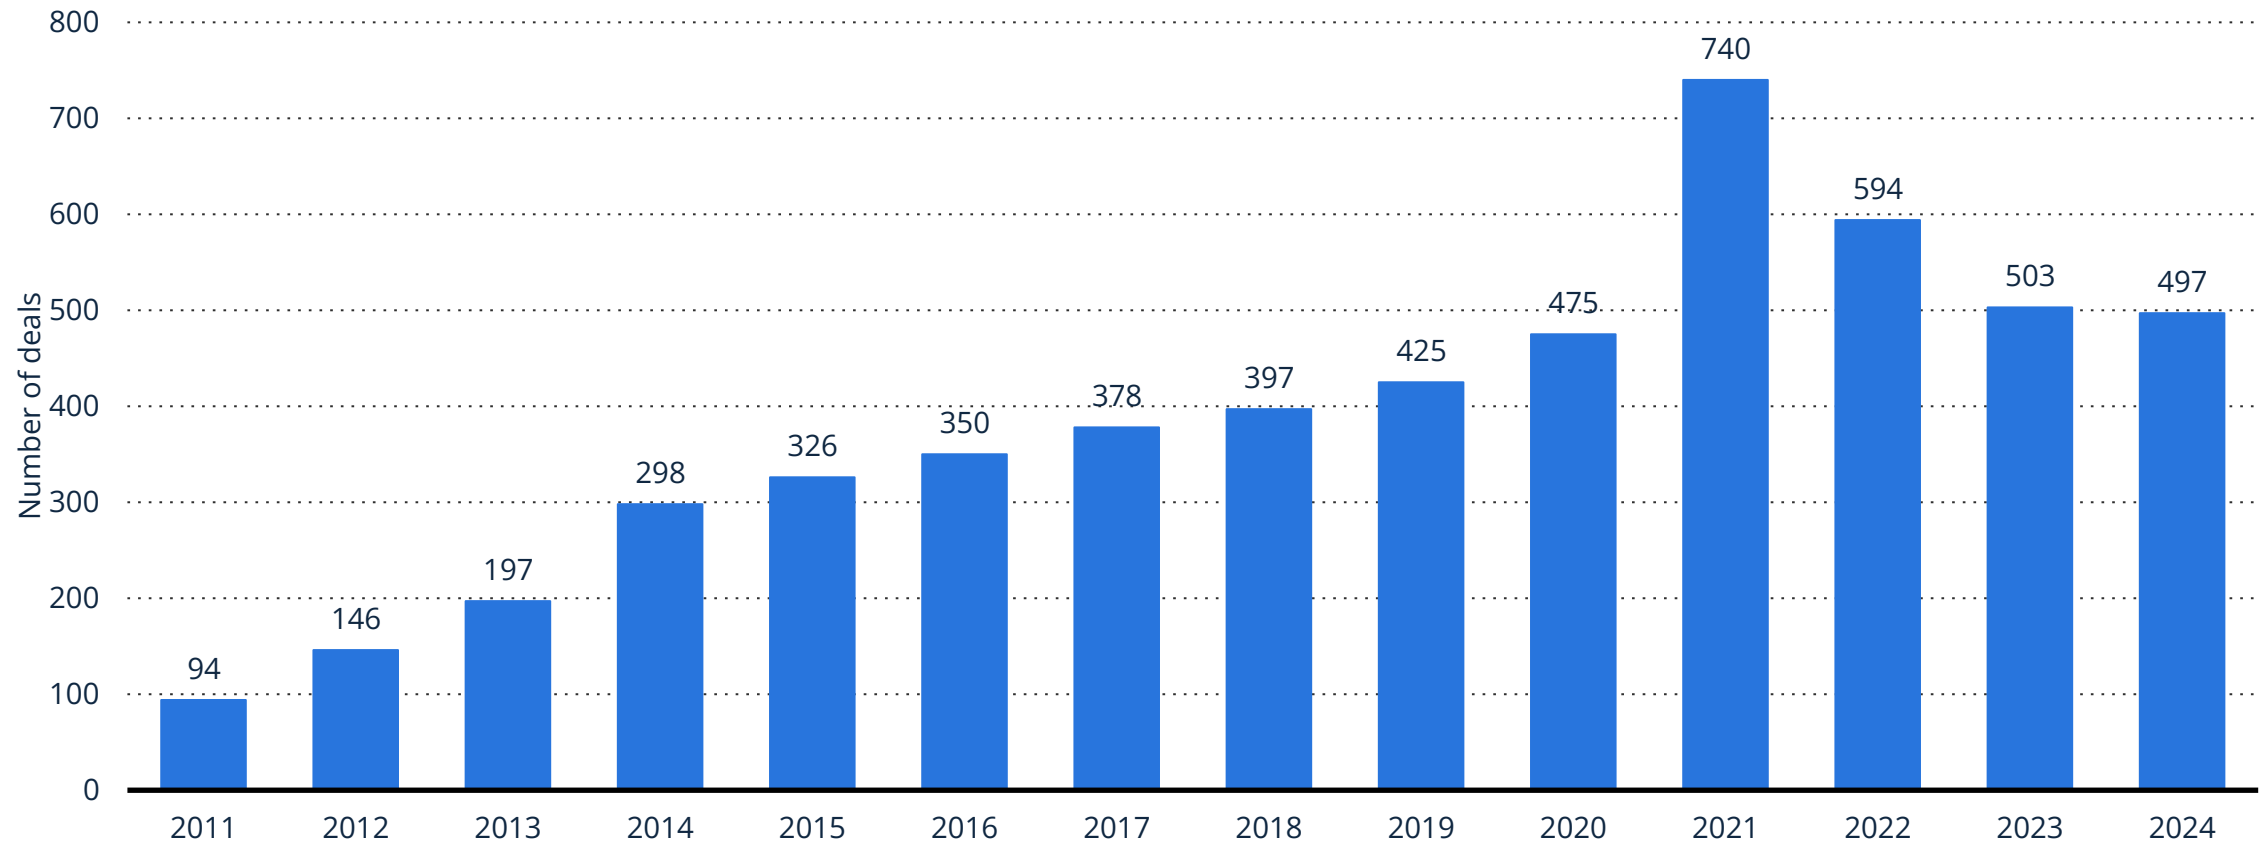

Annual value of venture funding in the digital health sector in the United States from 2011 to 2024 (in billion U.S. dollars)

Value of venture funding in the digital health sector in the U.S. 2011-2024

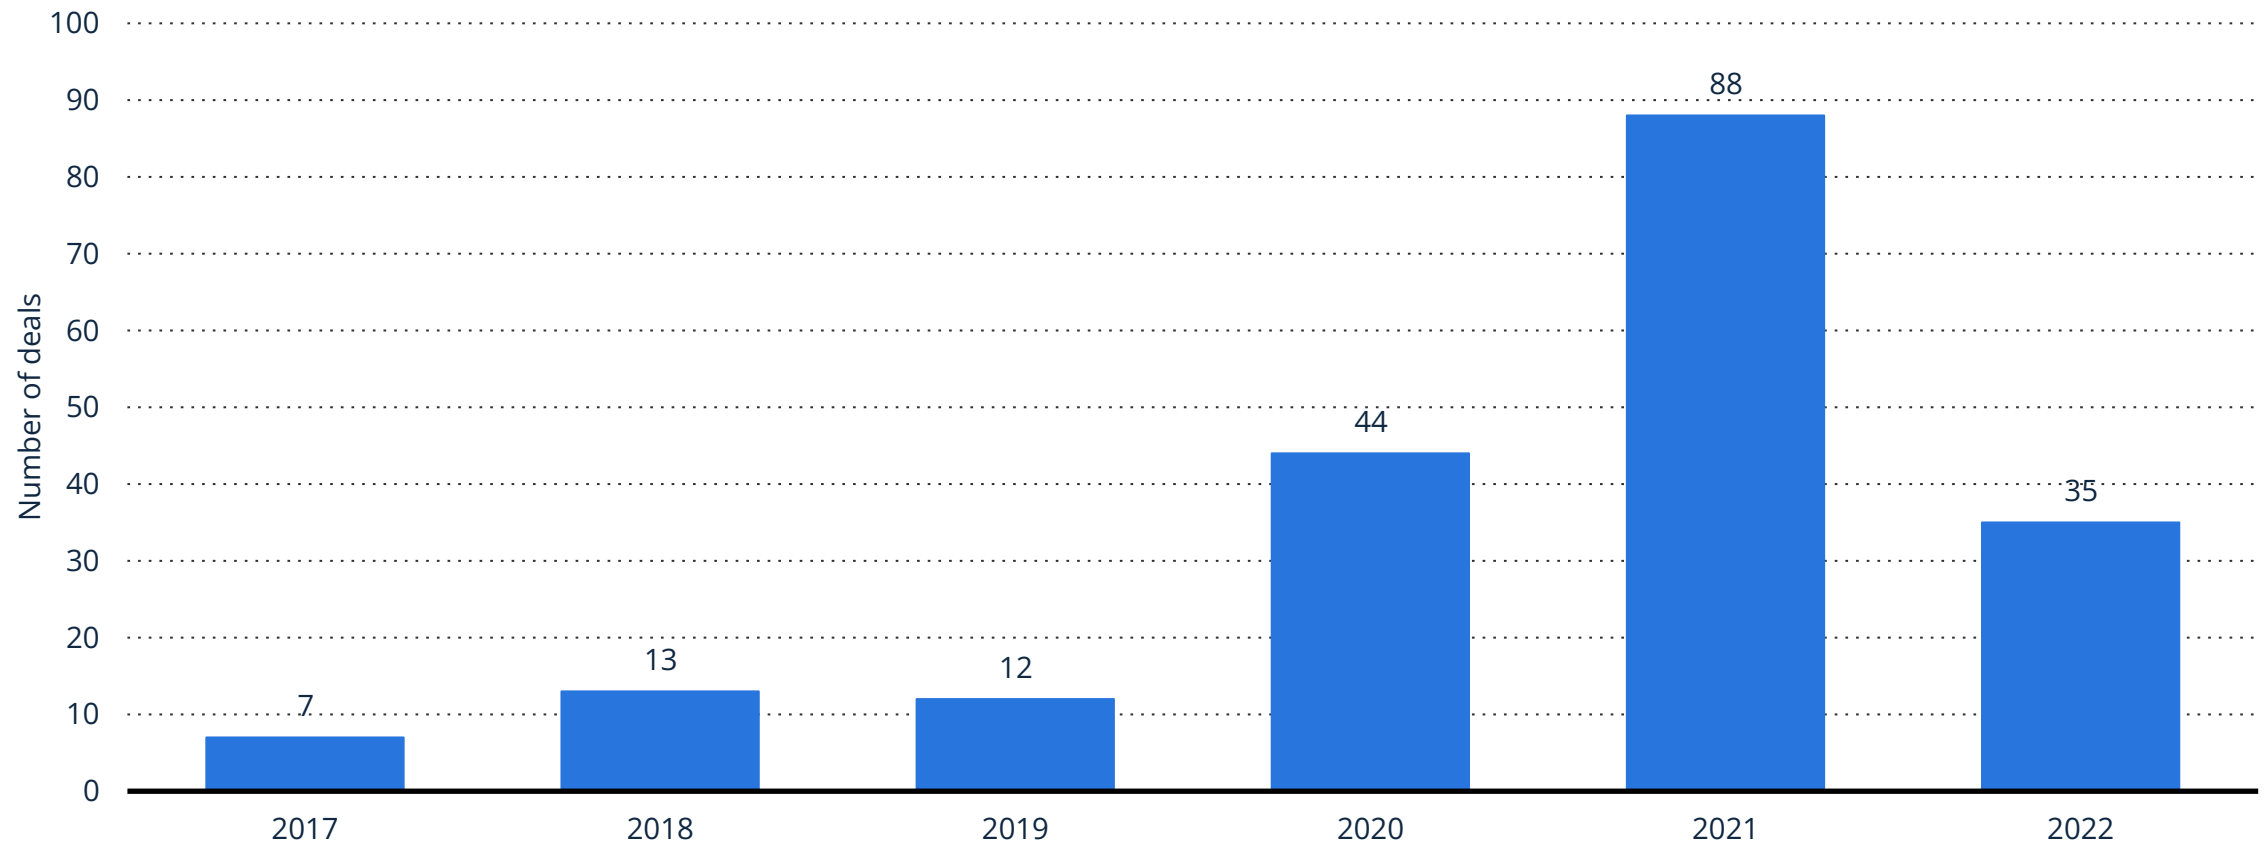

Annual number of digital health start-up deals in the United States from 2011 to 2024

Number of digital health start-up deals in the U.S. 2011-2024

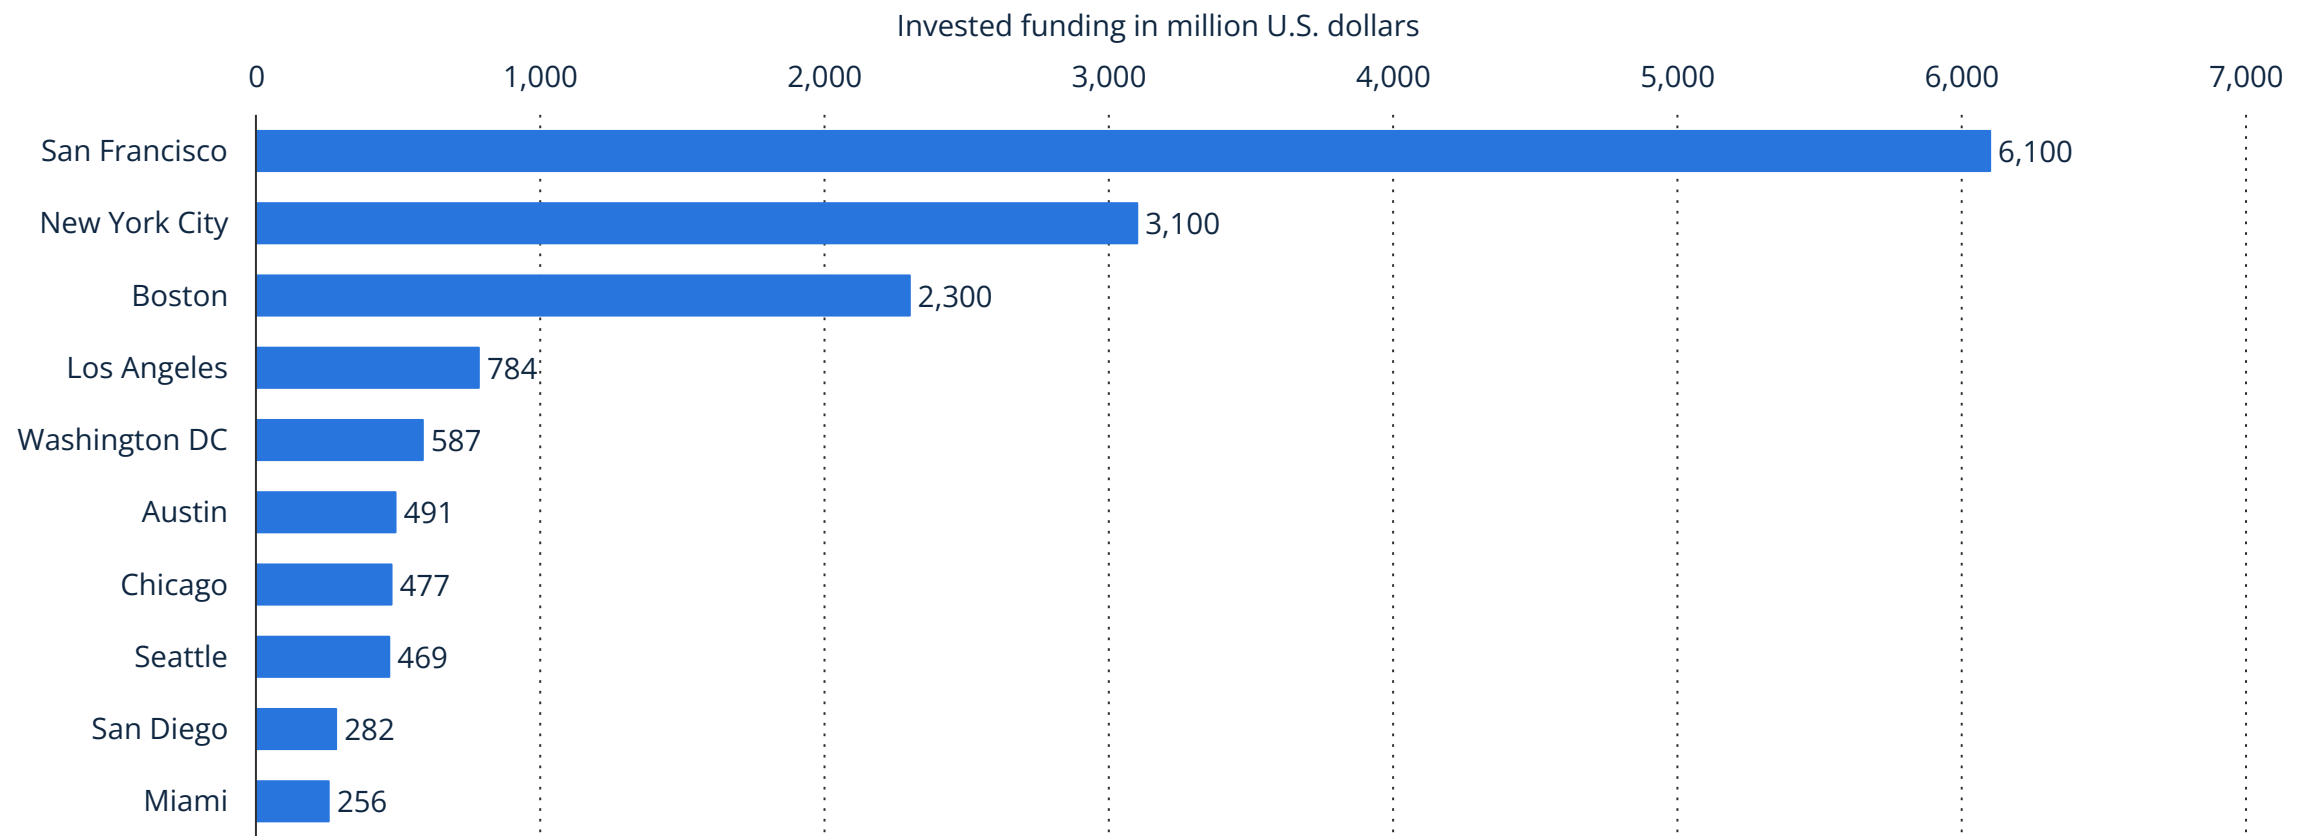

Annual number of mega deals in the digital health sector in the United States from 2017 to 2022

Number of mega deals in the digital health sector in the U.S. 2017-2022

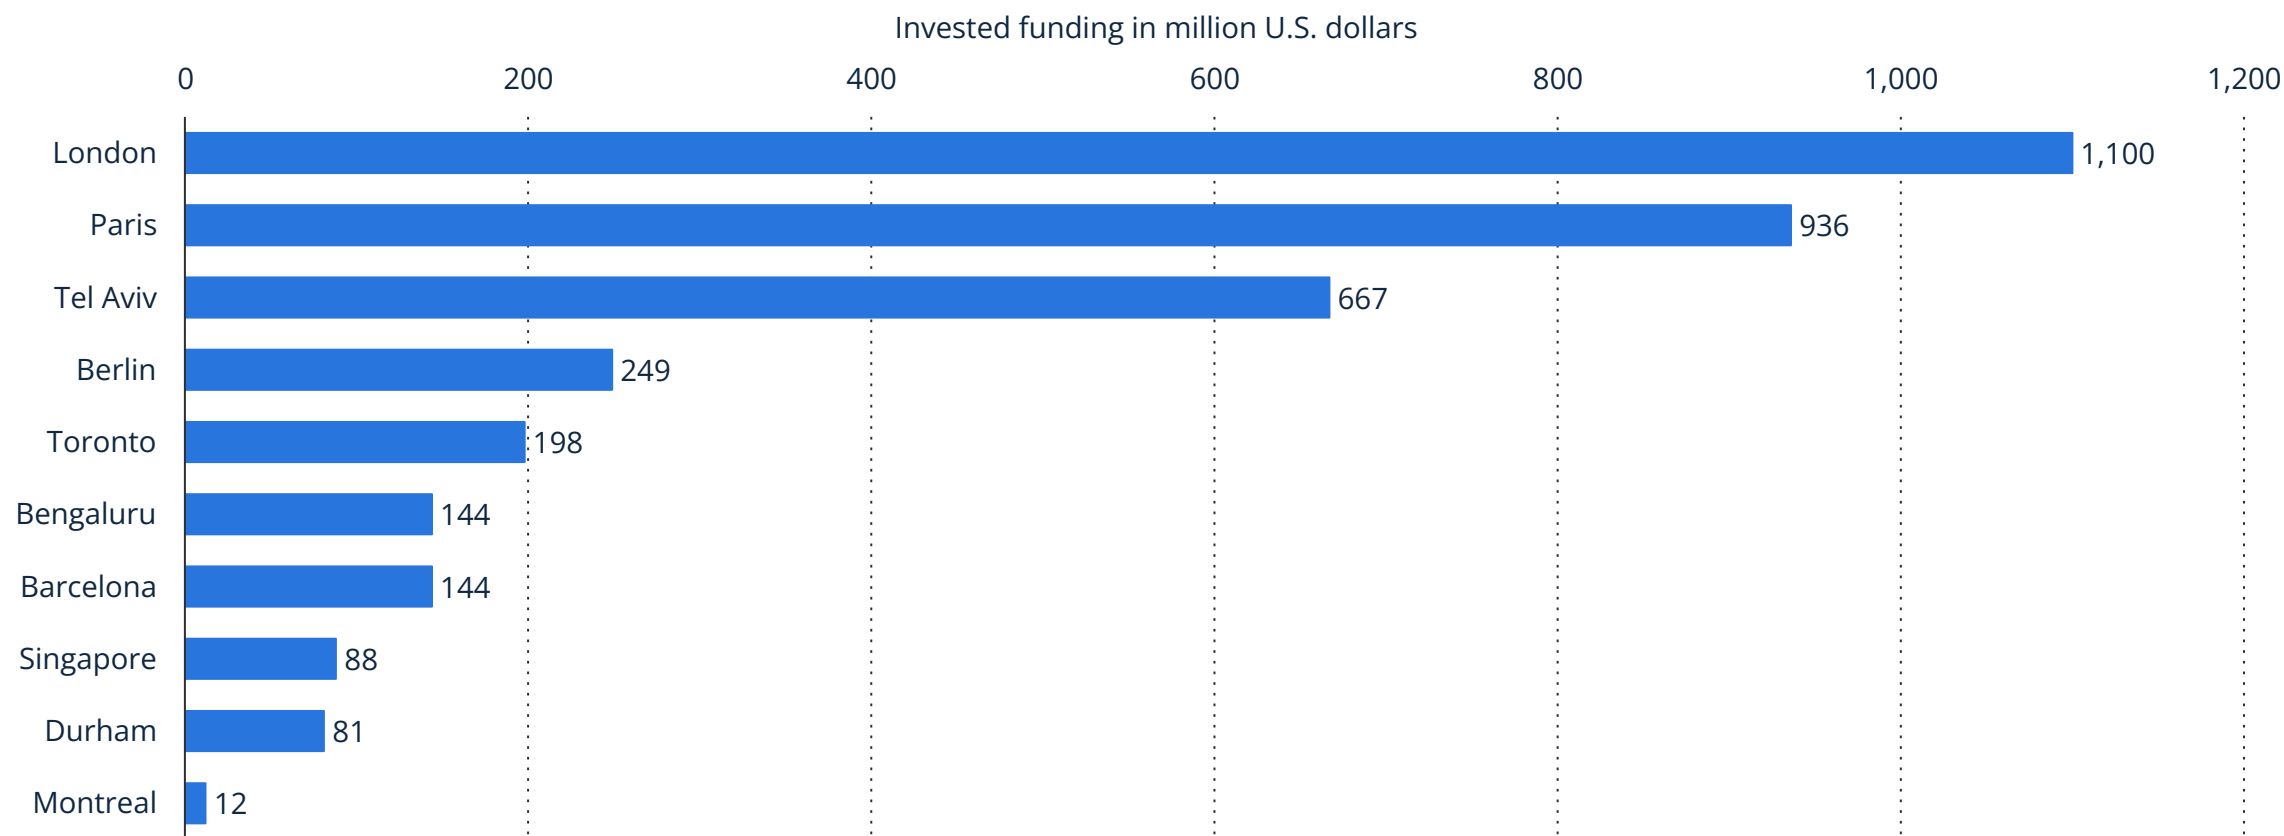

U.S. metro areas most active in digital health based on invested funding in 2022 (in million U.S. dollars)

Investments in most active U.S. metro area in digital health industry 2022

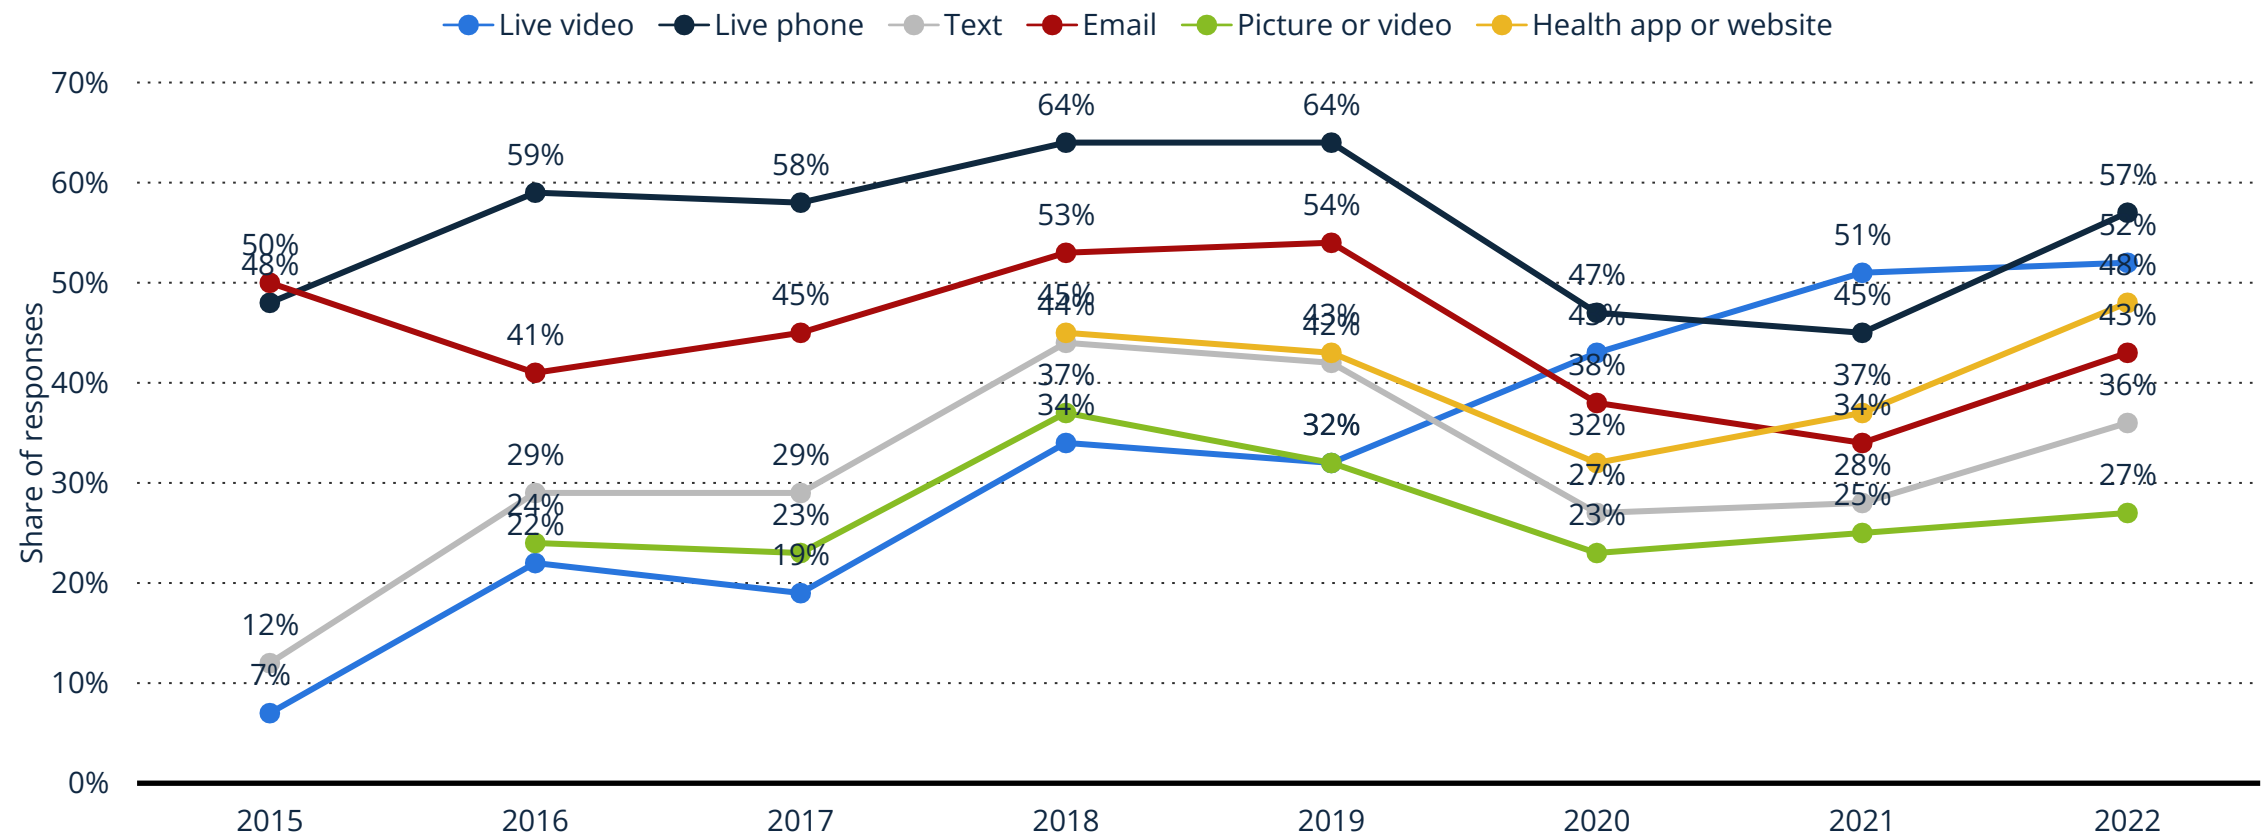

Metro areas outside of the U.S. most active in digital health based on invested funding in 2022 (in million U.S. dollars)

Investments in most active global metro areas in digital health outside the U.S. 2022

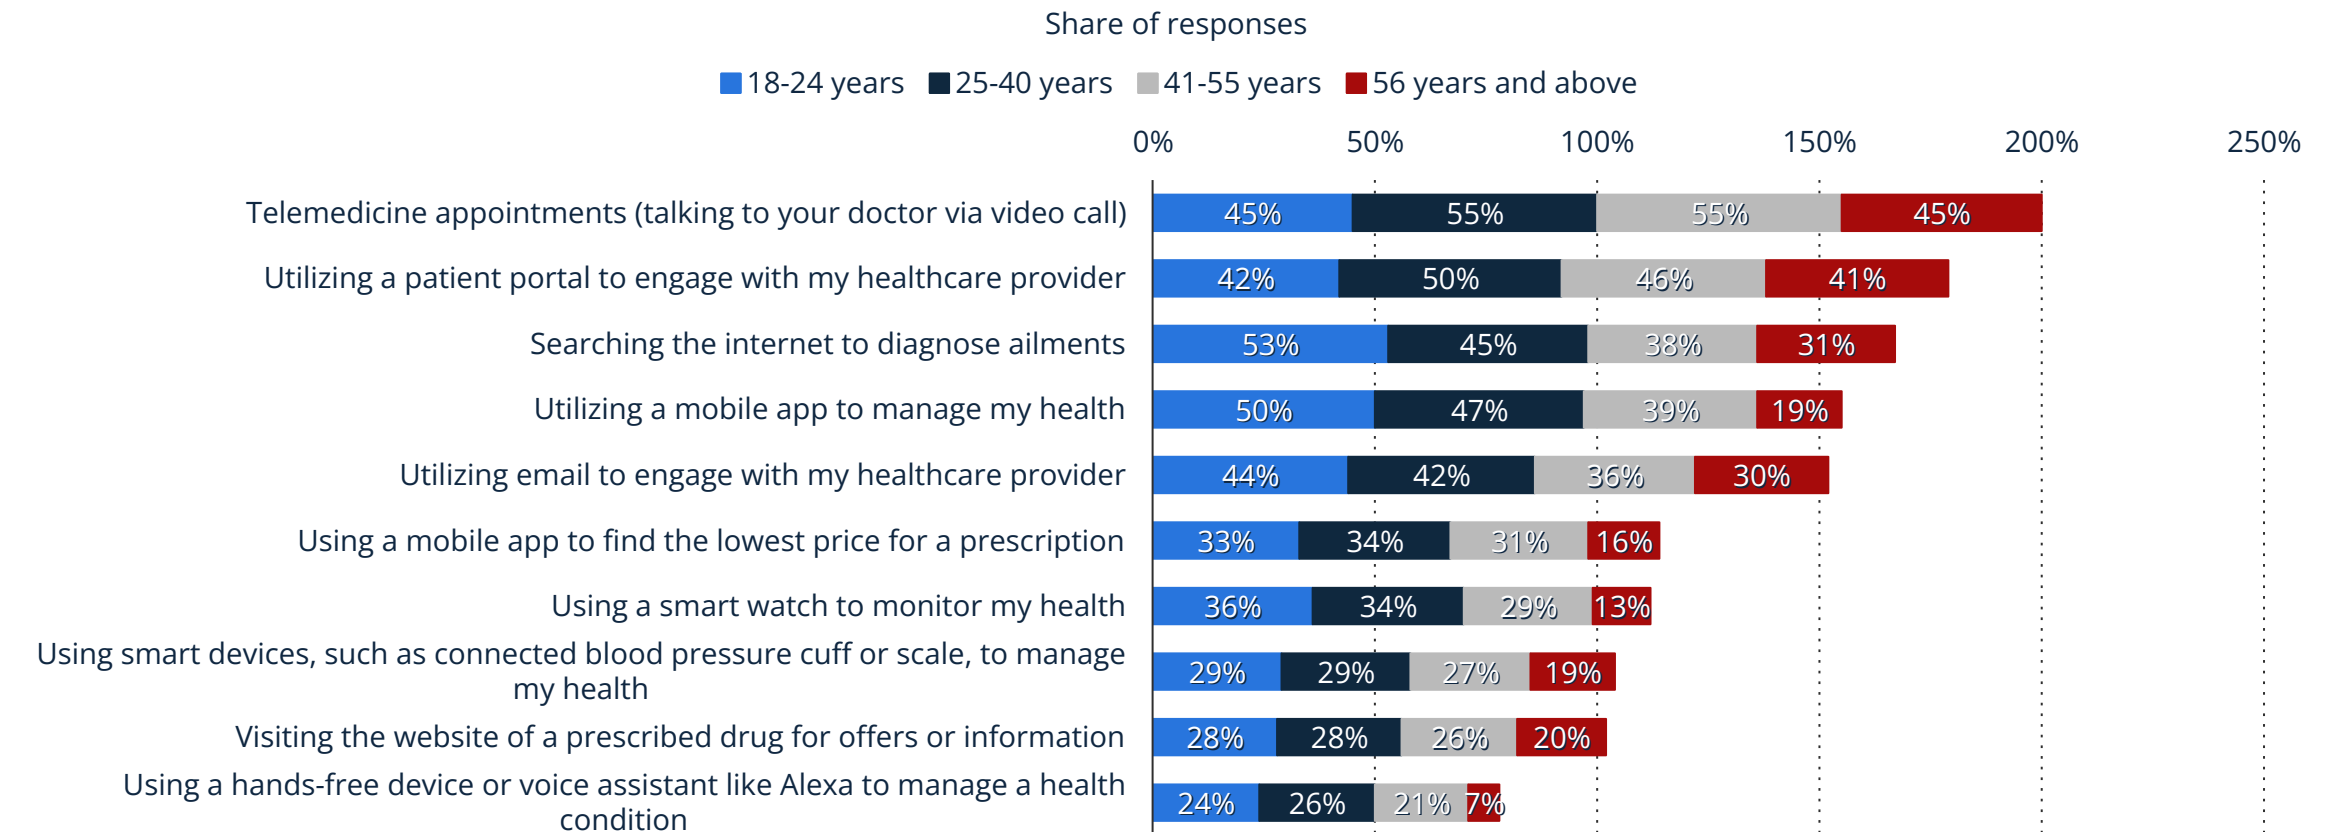

Adoption rate of telemedicine among adults in the U.S. from 2015 to 2022, by channel

Use of telemedicine in the U.S. 2015-2022, by channel

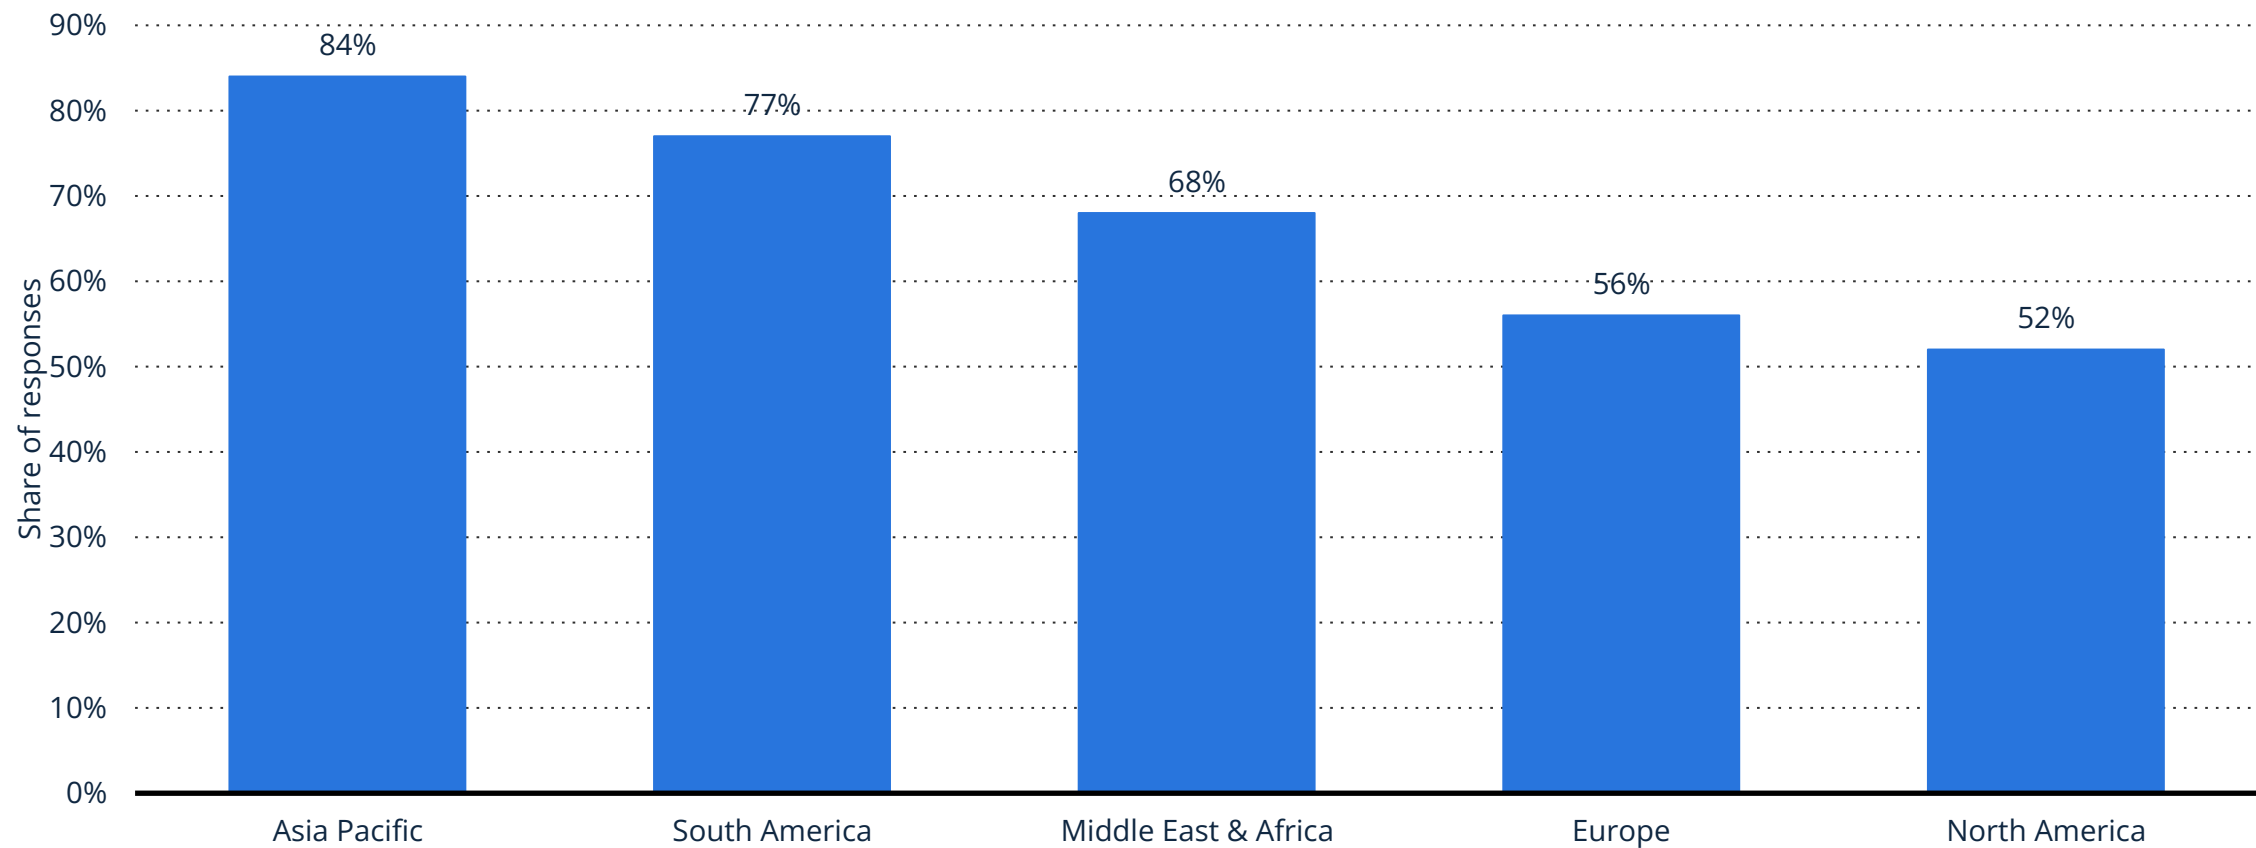

Share of patients who reported increased usage of the following digital health technologies since the COVID-19 pandemic in the U.S. in 2021, by age

Increased use of digital tools post-COVID-19 pandemic in the U.S. in 2021, by age

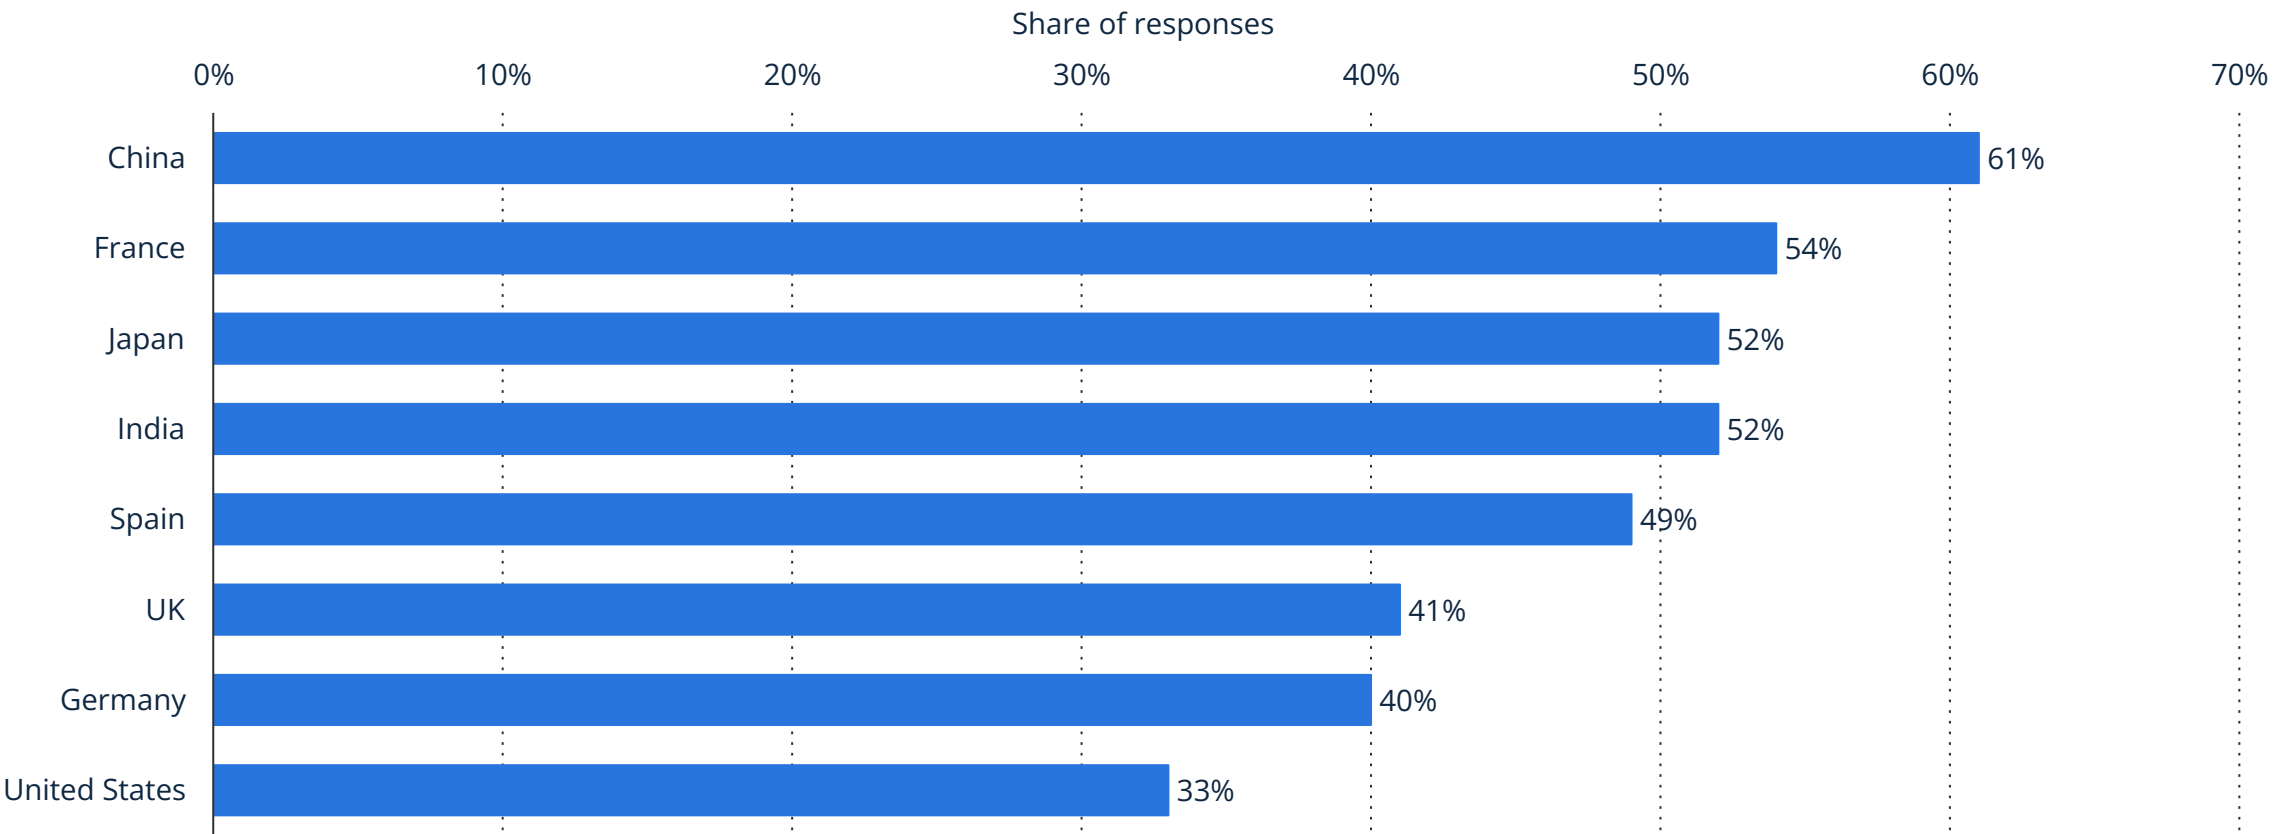

Share of clinicians who believe in ten years' time the widespread use of digital health technologies will enable a positive transformation of healthcare as of December 2021, by region

Clinicians' views on positive effects of technology in healthcare by 2031, by region

Share of clinicians who believed that in ten years' time the majority of healthcare will be provided in a patient's home instead of a healthcare setting as of December 2021, by country

Clinicians who believed healthcare access at home will increase by 2031, by country
